○

Grading Policy: This class will not use the plus/minus grading system. In this class, the following numerical equivalents for final grades are used:

A = 100-90%;

B = 89-80%;

C = 79-70%;

D = 69-60%;

F = 59-0

Midterm Grades: In order to help students keep track of their progress toward course objectives, I will provide a Midterm Progress Report through each student's WebWorld account. I will submit a grade for all students, not just those in danger of failing the course. Midterm grades will not be reported on the students' transcript; nor will they be calculated in the cumulative GPA. They simply give you an idea of where you stand at the midpoint of the semester. Students earning below a C at the midway point should make an appointment with me and consider visiting the Tutoring & Academic Support Programs Center.

Submission Format and Policy: All formal assignments are to be typed and formatted – and outside sources documented - according to MLA style. Additionally, all formal papers must be printed and submitted in your folder and uploaded into the D2L Dropbox folder unless otherwise instructed.

By enrolling in this class, the student expressly grants MSU a “limited right” in all intellectual property created by the student for the purpose of this course. The “limited right” shall include but shall not be limited to the right to reproduce the student's work product in order to verify originality and authenticity, and for educational purposes.

Note: You may not submit a paper for a grade in this class that already has been (or will be) submitted for a grade in another course, unless you obtain the explicit written permission of me and the other instructor involved in advance.

Access to Microsoft 365: All students are able to download Microsoft Office 365 free of charge using their MSU Texas student email address. To acquire Office 365, please visit <https://www.microsoft.com/en-us/education/products/office?ms.officeurl=getoffice365?ms.officeurl=getoffice365> and create an account. I strongly recommend it as it will cause fewer compatibility issues with your papers.

University Computer Labs: The University provides four open computer labs throughout the week. These four labs feature access to Microsoft Office Suite for writing and internet access for research. You can find these labs in:

Clark Student Center: 24 hours (Mon.-Sun.)

Dillard 146: Mon.-Thurs. 6:00 a.m. – 7:00 p.m.

Moffett Library: Mon.-Thurs. 8:00 a.m.-10:00 p.m.; Fri. 8-5, Sat. 10 am – 6 pm; Sun/ 2 pm – 10 pm

Legacy Hall: 24 hours (Mon. – Sun.)

Late Assignment Policy: Late assignments will not be accepted. Additionally, no late work will be accepted more than 48 hours after the original deadline if special considerations are considered. If you are unable to come to class on the day an assignment is due, you should still upload it into the D2L Dropbox folder on time to avoid late paper deductions.

Academic Dishonesty: Plagiarism is the use of someone else's thoughts, words, ideas, or lines of argument in your own work without appropriate documentation (a parenthetical citation at the end and a listing on the Works Cited page)—whether you use that material in a quote, paraphrase, or summary. All formal papers will run through the **Turnitin** for an originality report as well as Artificial Intelligence. At the very least, plagiarism will result in an F on the assignment; at worst, the consequence will be an F in the course. Offenders will be reported to the Chair of the Department of English, Humanities, and Philosophy and/or the Director of Student Conduct.

For more info about this policy and appeal go to page 55 in the Student's Handbook <http://msutexas.edu/student-life/assets/files/handbook.pdf>.

Students with Disabilities: The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you believe you have a disability requiring an accommodation, please contact the Disability Support Services in Room 168 of the Clark Student Center, 940-397-4140

Safe Zone Statement: The professor considers this classroom to be a place where you will be treated with respect as a human being – regardless of gender, race, ethnicity, national origin, religious affiliation, sexual orientation, political beliefs, age, or ability. Additionally, diversity of thought is appreciated and encouraged, provided you can agree to disagree. It is the professor's expectation that ALL students consider the classroom a safe environment.

Contacting Your Instructor: Calling me during office hours is the best way to contact me: 940-397-4325.

Attendance Policy: It is the same as 0043's policy. You must attend class regularly and arrive on time whether we are in class or in Zoom or working in D2L. One absence can set you back – please stay on task. It is your responsibility to be present, physically or virtually, to be prepared, and to succeed. Coming to class provides you with the tools you need to meet the objectives and requirements of this course. It helps your participation grade as well. You will be dismissed without materials and counts as absent. Contact me if you cannot attend or join us in Zoom and tell me why. Being in Zoom does not excuse you from attendance, but it may help you keep up with the class. Please make sure you are in your assigned seat as I will take roll each class day and enforce the following:

You are allowed 4 absences (that is two weeks of school)—excused or not. It will make it difficult to excel when you miss. I will drop you on the 5th absence. Please be aware of the

consequences you could create. Check with your advisor. You will lose ten points for each absence off your participation grade as well.

Each tardy counts as a ½ absence. Again, for every absence you have, 10 points will be deducted from your participation grade as well. In case of hospitalization or death of a family member, or other reasons for the need of absences, please contact the Dean of Students at 397-7500.

“Authorized Absences” (see MSU Student Bulletin) will not be counted in this total. Such absences, though, do not excuse students from turning in required work on time. Please be aware that instructors may drop students from class rolls for lack of appropriate participation (See MSU Student Bulletin and Student Handbook). You may also see the Dean of Students.

If you miss work for whatever reason, it will be your responsibility to find out what you have missed and how **or if** it can be made up. Missing work will be averaged as a zero. Being absent will not be considered sufficient reason to excuse you from completing required work.

Dropping this course with a W can only be done the week preceding the university’s official extended drop date, **Oct. 30th by 4 p.m.** You may drop the course with a grade of W at that time if you have not exceeded the number of absences allowed in the course and if reducing your course load does not affect your enrollment at MSU. Remember this is a 3 hour course.

If you are enrolled in this course on the basis of required remediation, you will not be permitted to drop the course unless you are enrolled in another developmental course. A student in need of developmental education must be enrolled in developmental education each semester.

The MSU Undergraduate Catalog states, **“An instructor may drop a student anytime during the semester for excessive absences, for consistently failing to meet class assignments, for an indifferent attitude, or for disruptive conduct.”** MSU’s policy for developmental education requires an instructor to drop a student with an F. Students who withdraw themselves from the course or who are dropped by the instructor or who do not pass the course with a grade of C/70 or better must repeat the course.

Tutoring:

Tutoring and Academic Support Programs (TASP) provides free drop-in tutoring for MSU students. Located on the first floor of Moffett Library, TASP’s Learning Center provides tutoring support in a number of core courses and subject areas.

Writing Proficiency Requirement: All students seeking a Bachelor’s degree from Midwestern State University must satisfy a writing proficiency requirement once they have 1) completed 6 hours of Communication Core and 2) earned 60 hours. Students may meet this requirement by passing either the Writing Proficiency Exam or English 2113. If you have any questions about the exam, visit the Writing Proficiency Office website at <https://msutexas.edu/academics/wpr/>, or call 397-4131.

Campus Carry Statement: Senate Bill 11 passed by the 84th Texas Legislature allows licensed handgun holders to carry concealed handguns on campus, effective August 1, 2016. Areas excluded from concealed carry are appropriately marked, in accordance with state law. For more information regarding

campus carry, please refer to the University’s webpage at MSU Texas’s [Campus Carry page](#).

Daily Schedule of Readings and Assignments:

Room: BW 117. Course Calendar: I reserve the right to modify this course as I see necessary. Please have it with you daily to note any changes as we progress. With the exception of test grades/final drafts/final exams, you may re-do work below a 70 if you set up a tutorial, too. The grade can be upgraded to a 70 IF it meets the standards or shows significant improvement – must be into me by time allowed as well. Note: Please follow 0043 for the readings on writing as instructed as we incorporate them in 1143.
