COURSE DESCRIPTION

To study acting is to take life's experiences and reflect them through various characters on stage. It is a great form of expression. Live theatre sharpens your perceptions while enhancing your creative capabilities. You can reach your audience through storytelling, movement, music, and expression. Acting is not just for "theatre majors" or those students who want to develop a career in acting. Acting is for everyone!

COURSE OBJECTIVES

To provide the student, through participation and experience, with an understanding and appreciation of the arts and theatre. Students will:

- Learn to read and analyze plays
- Develop research skills necessary to create a character who may be from a different time, place, culture, and lifestyle than the student
- Create and perform a character in a monologue and scene
- Develop oral and written critical skills for discussing performance
- Use constructive criticism to further develop an acting role
- Understand these basic acting principles and how to apply them to the student's choice of career or lifestyle

TEXTS:

No textbooks are required for this class. However, you will be expected to read two plays, as assigned. You will receive links to these as they become available.

Other materials:

Handouts provided by instructor

Monologues and scenes from scripts, provided by instructor and student

ATTENDANCE AND LATENESS:

This is a performance-based class. Attendance and punctuality are mandatory. The work of this course primarily happens during class time and cannot be made up privately. Tardiness is extremely disruptive and disrespectful to the creative process in an acting class. If you are absent or late, the following penalties apply,

This class is only once a week missing one class is like missing a week of classes.

Because this class is 2 ½ hours long we will take a ten minute break in between. I will retake attendance after the break, absences and tardiness apply.

Attendance Penalty Scale Lateness

0 absences + 10 points

1 absence 0 points -Missing half of class is considered 1 absence

2 absences – 5 points

3 absences – 15 points

4 absences – 25 points

5 absences – 35 points etc.

Tardy 3 times (Up to five minutes) counts as one absence  
Tardy 2 Times (After five minutes) counts as one absence

If students are sick/quarantining, they can still receive class credit/attendance points by attending the synchronous class via Zoom. They will be required to be present, dressed, have their camera on during the whole class period, and to do all exercises. Students MUST arrange for online classes 24 hours in advance with their instructor. Classes will NOT be recorded for students to view at any time; the student must be present for the class period as scheduled by the university. The Zoom link for class attendance will be given when requested by the student.

I DO NOT accept late work. If you have an excused absence, the homework must be turned in via email the date and time it is due, NO exceptions. If you are set to perform on a day you are missing due to an excused absence, you must arrange an alternative before the due date. Instructor and scene partner must be informed in advance. As I don't live in Wichita Falls it is impossible to make up work during the week.

### GENERAL NOTES:

Scientific data shows that being fully vaccinated is the most effective way to prevent and slow the spread of COVID-19 and has the greatest probability of avoiding serious illness if infected in all age groups. Although MSU Texas is not mandating vaccinations in compliance with Governor Abbott's executive orders, we highly encourage eligible members of our community to get a vaccination. If you have questions or concerns about the vaccine, please contact your primary care physician or health care professional. Given the recent rise in cases, individuals are also strongly encouraged to wear facial coverings when indoors among groups of people, regardless of vaccination status. Although MSU Texas is not currently requiring facial coverings, they have been an effective strategy in slowing the spread.

Some other general class rules include:

When you enter for class you must be prepared with all materials and a smile, ready to work

NO CELL PHONES or TEXTING. . .phones will be confiscated

The instructor may record performances, from time to time, on a cell phone for legitimate class reasons. If you are uncomfortable having your performances recorded, please let the instructor know.

#### Academic Misconduct Policy & Procedures

Academic Dishonesty: Cheating, collusion, and plagiarism (the act of using source material of other persons, either published or unpublished, without following the accepted techniques of crediting, or the submission for credit of work not the individuals to whom credit is given).

Additional guidelines on procedures in these matters may be found in the Office of Student Conduct.

#### Services for Students with Disabilities

In accordance with Section 504 of the Federal Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Midwestern State University endeavors to make reasonable accommodations to ensure equal opportunity for qualified persons with disabilities to participate in all educational, social, and recreational programs and activities. After notification of acceptance, students requiring accommodations should make application for such assistance through Disability Support Services, located in the Clark Student Center, Room 168, (940) 397-4140. Current documentation of a disability will be required in order to provide appropriate services, and each request will be individually reviewed. For more details, please go to Disability Support Services.

### College Policies

#### Campus Carry Rules/Policies

Participation in laboratory classes (acting, voice, movement) often requires students to wear yoga, movement, or period style clothes/costumes. These types of garments may be thin or form fitting which may make concealed carry of a firearm difficult if not impossible. In addition, students are often required to make physical contact with other students while learning exercises, choreography and/or physical positioning within special technique work. This required physical contact may also make concealment of a firearm difficult. While concealed carry is not prohibited in laboratory style class, students are reminded that intentional display of a firearm may result in criminal and/or civil penalties and unintentional display of a firearm is a violation of university policies and may result in disciplinary actions up to and including expulsion from the program and university. Students should factor the above in their decision as to whether or not to conceal carry in any theatre laboratory class.

#### Safe Zone Statement

The professor considers this classroom (or whatever space this class is meeting) to be a place where you will be treated with respect as a human being –regardless of gender, race, ethnicity, national origin, religious affiliation, sexual orientation, political beliefs, age, or ability.

Additionally, diversity of thought is appreciated and encouraged, provided you can agree to disagree. It is the professor's expectation that ALL students consider the classroom/meeting location a safe environment
