B=Above average development in skill; exploration and expression.

C=Average work. Meeting the assignment requirements. Recommend greater need for study in academic comprehension and technical skills.

D=Below average performance. Requires greater study to improve academic understanding, perceptual and technical skills.

F=Performance indicates little or no progress in academic understanding, perceptual and technical skills. Quality of work not on level of necessary time and study. Showing little willingness or effort to improve skills.

Projects

GD III: Tres collaboration (space debris) [project I], Catalog [project II in two parts], self-branding portfolio

GD IV: Tres collaboration (space debris) [project I], Animation (PS) [project II], Animation (AN) [project III], Designer or film credits (PR) [project IV]
GD V: Senior exhibition, portfolio website, mock interviews

All work is expected to be completed and ready for presentation at the assigned date. It is EXTREMELY important to stay up to date with assignments and projects. Late work is unacceptable. Every effort must be made to turn projects in on time. YOU are responsible for finding out what work was missed during your absence, and turning in work missed due to an absence. I will not remind you that a project was due during your absence. IF you are absent on a project due date, and IF you are within the three allowable unexcused absences, work is DUE at the beginning of the next class period attended.

Critiques

Class critiques are intended to help evaluate the strengths and weaknesses within each project by practicing new vocabulary and design concepts presented in class. They will take place on a regular basis and are designed to encourage the development of your technical and conceptual skills. Your participation and the expression of ideas and opinions in critiques are a major part of this course. Missing critique is equivalent to missing an exam and will be penalized via 5% attendance grade reduction.

Attendance, Absence, and Lateness: Department – Wide Policy as of Spring 2016

Students enrolled in the Juanita and Ralph Harvey School of Visual Arts must comply with the following department-wide Attendance, Absence, and Lateness Policy:

- Students arriving ten minutes after class begins will be considered late, and will be counted absent.
- THREE late arrivals count as a single absence.
- Students may be absent from class THREE times without penalty and without providing any documentation regarding the absence.
- If students incur a FOURTH absence, their final course evaluation will be reduced by a full letter grade.
- If students are absent or late FIVE times, whatever the reason, they will receive a FAILING GRADE, be dropped from the class roll, and be asked to stop attending class.
- Students are required to remain in class for the entire class session. Students will earn an absence if they leave BEFORE the professor has dismissed class.

Faculty members have the discretion to make exceptions to this policy based on individual circumstances.

Studio Access

Expected Workload: The generally accepted ratio of outside-of-class study and preparation for college-level coursework is two to three times the amount of in-class contact with your professor. Therefore, you should expect to spend about six to eight hours each week preparing for this course *outside* of class meetings.

The mac lab is available for your use whenever scheduled classes are not in session.

IF YOU ARE IN THE BUILDING AFTER CLASS HOURS, YOU MUST BE ABLE TO PROVIDE YOUR STUDENT ID AND PROOF OF ENROLLMENT IN CLASS IF AN OFFICER ASKS FOR IT. IF YOU HAVE A PROBLEM AND NEED ASSISTANCE, CALL THE CAMPUS POLICE AT 397-4239.

Studio Maintenance

General studio clean up will be the last 15 minutes of each class session. Students will maintain discipline in studio safety precautions, maintenance and up keep throughout the semester. The instructor will drop those students not willing to take active part in those goals. Follow lab rules posted in the lab.

Health and Safety

Department of Art will endeavor to comply with the intent of state laws or acts and the University Health and Safety Program in an effort to maintain a safe academic and working environment.

As described below, two formulas (federal and state) exists in determining the amount of the refund. (Examples of each refund calculation will be made available upon request).
