Grading

Grading Scale: A=9 to 10, B= 7 to 8, C= 4 to 6, D= 2 to 3, F= 0-1

Evaluation Explanation:

A=Superior work. Excellent development in skill, exploration and expression.

B=Above average development in skill; exploration and expression.

C=Average work. Meeting the assignment requirements. Recommend greater need for study in academic comprehension and technical skills.

D=Below average performance. Requires greater study to improve academic understanding, perceptual and technical skills.

F=Performance indicates little or no progress in academic understanding, perceptual and technical skills. Quality of work not on level of necessary time and study. Showing little willingness or effort to improve skills.

Projects

All work is expected to be completed and ready for presentation at the assigned date. It is EXTREMELY important to stay up to date with assignments and projects. Late work is unacceptable. Every effort must be made to turn projects in on time.

YOU are responsible for finding out what work was missed during your absence, and turning in work missed due to an absence. I will not remind you that a project was due during your absence.

IF you are absent on a project due date, and IF you are within the three allowable unexcused absences, work is DUE at the beginning of the next class period attended.

Critiques

Class critiques are intended to help evaluate the strengths and weaknesses within each project by practicing new vocabulary and design concepts presented in class. They will take place on a regular basis and are designed to encourage the development of your technical and conceptual skills. Your participation and the expression of ideas and opinions in critiques are a major part of this course. Missing critique is equivalent to missing an exam and will be penalized via 5% attendance grade reduction.

Critique days will be on: September 19, October 15, October 31, November 19, December 5 Final Print 1-2 and December 10 Final Print 3-5.

Attendance

Attendance and attitude are influencing factors. You should come to class prepared to work. Attendance is required for the entire class period. Excused absences are those which involve a documented health problem, family emergency, official university function, or religious holiday. Incompletes for the course will only be considered in extreme cases of personal injury or family emergencies.

You are allowed only 3 absences! After 3 absences you run the risk of being penalized via 5% attendance grade reduction.

Studio Access

The print studio is available for your use whenever scheduled classes are not in session. The studio, supply cabinet and other materials are accessible via room and lock codes that will be provided. Please keep this information limited to only other students enrolled in the course.

IF YOU ARE IN THE BUILDING AFTER CLASS HOURS, YOU MUST BE ABLE TO PROVIDE YOUR STUDENT ID AND PROOF OF ENROLLMENT IN CLASS IF AN OFFICER ASKS FOR IT. IF YOU HAVE A PROBLEM AND NEED ASSISTANCE, CALL THE CAMPUS POLICE AT 397-4239.

Studio Maintenance

General studio clean up will be the last 15 minutes of each class session. Students will maintain discipline in studio safety precautions, maintenance and up keep throughout the semester. The instructor will drop those students not willing to take active part in those goals.
