Expectations:

Daily practice of two hours is suggested to complete all assignments at a high performance standard for the next lesson. Students earn a grade for each lesson. Therefore students are expected to prepare all assigned material weekly.

Grading:

Your final grade will be based on your weekly lesson grade and jury performance. Jury performances will include: major and minor scales, and a performance of one to two pieces studied during the semester. Your weekly lesson grade will be based on the following:

Improvement
Effort
Attitude
Completion of the above requirements
Lesson Attendance
Jury

Attendance:

Students and faculty will not attend/hold lessons if they are experiencing illness or any signs/symptoms of COVID-19. If you have been exposed to COVID-19, even if you are asymptomatic, lessons will be held virtually for a minimum of 2 weeks and/or until a negative COVID-19 test has been received.

If a lesson time conflicts with work schedule, band trips, labs, etc., an alternate time must be arranged at least 48 hours in advance. No lesson will be rescheduled because of failure to prepare assignments. If the student is ill and it is less than 48 hours before the lesson, the instructor must be called or texted by the time of the lesson (402) 660-9058. Failure to contact the instructor before any absence will result in a failing grade for that lesson. Students are permitted to 'swap' lesson times as needed with other students in order to avoid missing scheduled lessons. After TWO unexcused absences, the student will be dropped from lessons and will receive a "F" for the semester.

Technique/Scale Tests:

Technique/Scale tests will take place during your lesson time the final week of classes each semester. Major/Minor scales, thirds, arpeggios, and other technique exercises will be assigned at the discretion of the instructor. All students, regardless of major or primary instrument are required to complete technique tests.

Studio Class:

Fall 2021: All studio classes will be held virtually over Zoom. All students taking lessons are required to attend flute studio class, Tuesdays at 3:30. One performance per semester is required, regardless of major or primary instrument. Studio class will take place every week, unless otherwise advised by the instructor.

Juries:

With the exception of students presenting a degree recital during the semester in question, all students are required to perform juries for the applied woodwind faculty. The jury counts as 25% of the student's final semester grade. The student should prepare one solo work (accompanied or unaccompanied) from the Repertoire for Applied Study list (or one approved by the instructor). Students will perform accompanied works with piano if an accompanied work is chosen. The jury grade is based on the following categories:

Articulation	Dynamics and musicality
Stage presence	Intonation
Rhythm and tempo	Technical facility and accuracy
Tone	Vibrato

Recital Performance:

One studio recital lab will be scheduled each semester. Every student except first semester freshmen will be required to perform on one recital lab. Additionally, studio performance classes may be scheduled throughout the semester. All students will be required to attend and/or perform on the performance classes
