## **New (2024) MSU Texas Policy Regarding Email Communication**

Beginning January 1, 2024, the university-assigned (my.msutexas.edu) email address will be required to receive all official communication from Midwestern State University.

Because of the increasing reliance and acceptance of electronic communication, email is considered an official means for communication with MSU Texas.

MSU Texas provides students with an email account upon admittance to the institution. This account is free of charge and remains available while students are enrolled or active within their degree program.

The university-assigned student email account is Midwestern State University's official means of email communication with all students. Students are responsible for all official information sent to their university-assigned email account. Students are expected to check their email regularly and are responsible for all information sent to them via their university-assigned email address.

Students may access their University-assigned email using any of the following procedures:

Portal: Use of the [myMSUTexas portal](#) provides students with many resources and applications, including access to their university-issued email.

Portal app: The myMSUTexas app is available for free in the [Google Play Store](#) & the [Apple App Store](#).

Direct: Login directly via [Google mail](#).

## **Online Classroom Environment & Expected Standards of Conduct**

As a member of this class, you are part of a community. As such, you have made a commitment to yourself, to me, and to the other students enrolled in the course. Respect and dignity are course requirements as important as those listed earlier in the syllabus. Demonstrating respect for the process of learning, for the variety of cultures and worldviews discussed, and for your role and contribution to the course are critical components of your commitment to this class. Comporting yourself with dignity and treating your classmates and professor in a similar manner are additional important expectations of every student.

- Treat your professor and classmates with respect in emails and in online discussions if required.
- Prepare assigned material as described in the syllabus and submit as indicated.

## **Conduct Statement**

Behavior that interferes with either the instructor's ability to conduct the class or the ability of other students to benefit from the instruction will result in the instructor removing the disruptive student(s) from the class, either temporarily or permanently (instructor drop), and receive a final lower grade, up to an including an F. In addition, and depending upon the nature of the behavior or conduct, the student(s) may be subject to further disciplinary actions as per MSU Texas policies.

## **Artificial Intelligence Policy**

The course fosters and emphasizes the development of your individual intelligence. The use of AI is strictly forbidden. Use your own brain and do honest, authentic work. Intellectual labor is prized in this class.

## **Special Needs**

Please let me know *by the second session* if you have learning or physical challenges that require accommodation.

## **MSU Inclement Weather Policy (Established January 2024)**

The Provost has published a document outlining MSU policies regarding campus closures due to inclement weather. Here are the pertinent points for this course (in quotes):

1. "Face-to-face Classes: Indicate in a syllabus statement whether the course will shift to fully online in inclement weather. A shift to online is not required, but is permitted as long as you describe your inclement weather practices in class and in your syllabus."
2. "Graded Assessments: If assessment deadlines coincide with the closure dates, Academic Affairs recommends delaying the deadline until after the campus reopens. A syllabus statement should state if deadlines will stand during closure."

You will find course expectations for campus closures here. Deadlines will be adjusted, if 1) the region experiences a power outage, 2) students cannot access campus resources digitally, and 3) students cannot access the Internet when inclement weather occurs.

## **MSU Texas Alcohol Policy**

Alcoholic beverages are not allowed on campus except in Bridwell Courts, Sundance Court and Sunwatcher Village apartment residences (see the current edition of the Housing and Residence Life Handbook for the specific policy guidelines regulating the use of alcoholic beverages in university housing) and at social functions which have been registered and approved through the Dean of Students office. Open containers are not allowed in public areas.

1. Alcoholic beverage functions must conform to state law.
2. State law prohibits the sale of alcoholic beverages without a liquor license. This shall include the free distribution of alcoholic beverages in connection with a function for which a cover charge has been assessed.
3. Public intoxication is considered to be offensive and in violation of this policy. Inappropriate and imprudent behavior will result in disciplinary sanctions.
4. Texas state law prohibits the consumption of alcoholic beverages in a public place at any time on Sunday between the hours of 2:15 a.m. and 12:00 noon and on all other days at any time between the hours of 2:15 a.m. and 7:00 a.m.
5. Alcoholic beverages may be served at scheduled university events only with prior approval by the Dean of Students. Applications for approval must be submitted in writing ten days prior to the event. Approval will be based upon organization planning, frequency of the event, groups served by the activity, activity focus, and the use and distribution of alcohol.
6. Alcoholic beverages at approved university events must be distributed under conditions which ensure compliance with state law with regard to consumption, intoxication, drinking age, distribution, sale, etc. The Dean of Students provides appropriate guidelines.
7. It shall be a violation to possess, sell, distribute, or consume alcoholic beverages at athletic events, while on property owned or leased by Midwestern State University, whether the event is sponsored by the university or an outside organization.
8. It is the responsibility of university organizations, organizational officers and advisors, and individuals to be aware of these guidelines and their application to individual, as well as organizational, activities. The Clark Student Center office will provide information to student organizations as to duties and responsibilities of advisors.

## **Code of Student Conduct: Student Honor Creed**

As students at MSU, we recognize that any great society must be composed of empowered, responsible citizens. We also recognize universities play an important role in helping mold these responsible citizens. We believe students themselves play an important part in developing responsible citizenship by maintaining a community where integrity and honorable character are the norm, not the exception.

Thus, we, the students of Midwestern State University, resolve to uphold the honor of the University by affirming our commitment to complete academic honesty. We resolve not only to be honest but also to hold our peers accountable for complete honesty in all university matters.

We consider it dishonest to ask for, give, or receive help in examinations or quizzes, to use any unauthorized material in examinations, or to present, as one's own, work or ideas which are not entirely one's own. We recognize that any instructor has the right to expect that all student work is honest, original work. We accept and acknowledge that responsibility for lying, cheating, stealing, plagiarism, and other forms of academic dishonesty fundamentally rests within each individual student.

We expect of ourselves academic integrity, personal professionalism, and ethical character. We appreciate steps taken by University officials to protect the honor of the University against any who would disgrace the MSU student body by violating the spirit of this creed.

Written and adopted by the 2002-2003 MWSU Student Senate

## **Academic Dishonesty Policy & Procedures**

Appendix E (Page 119 - 2015-2016 MWSU Student Handbook)

Academic Dishonesty: Cheating, collusion, and plagiarism (the act of using source material of other persons, either published or unpublished, without following the accepted techniques of crediting, or the submission for credit of work not the individual to whom credit is given). Additional guidelines on procedures in these matters may be found in the Office of Student Conduct.

The term "cheating" includes, but is not limited to: (1) use of any unauthorized assistance in taking quizzes, tests, or examinations; (2) dependence upon the aid of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments; or (3) the acquisition without permissions, of tests or other academic material belonging to a member of the university, faculty, or staff.

The term "plagiarism" includes, but is not limited to, the use by paraphrase or direct quotation, of the published or unpublished work of another person without full and clear acknowledgement. It also includes the unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic materials.

The term "collusion" means collaboration with another person in preparing work offered for credit if that collaboration is not authorized by the faculty member in charge.

## **Academic Honesty**

Plagiarism is stealing and cheating. If you use another's thoughts or words, you must footnote them. If you paraphrase, (rewrite another's material in your own words) you must footnote the source. You may not copy a single sentence, etc., from another source and present it as your own. Intentional plagiarism, meaning the use of text(s) from a printed or Internet source, will result in a failing grade for the course. Plagiarism by default, meaning the use of ideas from texts without citation, will result in a failing grade for the specific project.

## **Student Privacy**

Federal law prohibits the professor from releasing student information to outside parties without the student's signed consent.

**Student Drop Date: April 29, 2026**

If the student drops the course by this date, the student will receive a W on their transcript.

If you need to drop the course by this date, you will receive a WF, which will NOT affect your GPA. If you do not complete the course and do not drop by this date, you will receive an F.

**\*MSU Texas Student Emergency Fund**

**[MSU Student Emergency Fund](https://msutexas.edu/student-life/dean/emergency/student-emergency-fund.php.php)**

**<https://msutexas.edu/student-life/dean/emergency/student-emergency-fund.php.php>**

The Student Emergency Fund at MSU Texas provides limited financial assistance to currently enrolled students experiencing a financial hardship due to an emergency.

An emergency is defined as a recent unexpected and/or unforeseen expense, event, or circumstance that could cause a loss of momentum toward student success. Funding is considered for emergencies occurring within the past 30 days.

Funds are awarded directly to a receiving student. Fund amounts range from \$25 to \$500 per student and are typically only awarded once per academic year. Other possible financial resources must have been considered and deemed insufficient or not available in a timely manner to cover the essential expense(s). Funds are not considered income and do not require payment. Funds may be considered income and therefore subject to federal taxes, for which the accepting individual is responsible.
