### Course Description

Professional Writing for Business is designed for business majors and is an introduction to and application of professional workplace genres. We will practice planning, designing, developing, producing, and evaluating business communications. Special focus will be on rhetorical aims that shape the information or document production and design.

### Learning Outcomes

Upon completion of ENGL 2223, you should be able to do the following:

- recognize and employ the conventions and genres of business communication;
- use visual and written rhetoric to accommodate different audiences and purposes;
- craft a report through comprehensive research;
- develop skills in using citation methods (APA);
- edit documents for grammatical and syntactic correctness;
- and produce accessible, persuasive, and usable documents.

### Required Textbook

Readings and PowerPoints will be available on D2L.

### Attendance

This is an online course, so your attendance record will be determined by how often you log-in to the course and how effectively you complete the review of course materials and completion of assignments. \*No late work will be accepted without prior approval.

### Contacting Your Instructor

I am available via email at john.schulze@msutexas.edu until 5:00 PM Monday through Friday. All emails sent after 5:00 PM will be answered the next day. Emails may be answered within 48 hours.

### Email Format

All emails should be written in a professional tone, format, and style. Unprofessional emails will be ignored.

Professional tone, format and style means you need to have a greeting, at least two sentences, and an end salutation. For example,

Dear Dr. Schulze,

I will not be able to make it to your 8:00 AM class today due to car trouble. I apologize in advance and will ask my peers for notes.

Best,

Student Mustang

## Assignment Submissions

All work for this class must be:

- single-spaced in the proper genre format
- submitted to the assigned dropbox on D2L
- properly titled (lastname.project#.section), e.g. schulze.p1.102
- turned in on time unless an extension has been granted

## Missing and Late Work

Late and missing work is unprofessional. \*To pass this course you must complete all major assignments on time. Late work is only accepted if prior approval of an extension has been granted. If an emergency arises, you must contact me ahead of the due date to request an extension. Extensions will be granted based on the merits of each case.

## Academic Dishonesty

Plagiarism, cheating, and other forms of academic dishonesty will be punished with a failing grade. Please consult the Undergraduate Handbook for Midwestern State University's policies concerning academic misconduct.

## Plagiarism Policy

Plagiarism is the use of someone else's thoughts, words, ideas, or lines of argument in your own work without appropriate documentation (a parenthetical citation at the end and a listing in the References section)—whether you use that material in a quote, paraphrase, or summary.

Plagiarism will not be tolerated in my class. Doing so will result in an F for the paper and an **\*automatic F for the course**. Why risk an F when you can get a C?

You will have the opportunity to appeal your grade if you feel this is in error.

## Tutoring Support

Tutoring and Academic Support Programs (TASP) provides free drop-in tutoring for MSU students. Located on the first floor of Moffett Library, TASP's Learning center provides tutoring support in a number of core courses and subject areas. Remember that you don't need an appointment to utilize these services.

Some departments also provide tutoring. Check the "Tutoring at MSU" tab in the portal for more information about all campus tutoring opportunities.

For Distance Education students, TASP has partnered with Thinkingstorm, an online tutoring company that provides you with high-quality, 24/7 tutoring support. Located at the top of your

D2L course page, select the Distance Education Tutoring course to book an appointment with a tutor. If you are a distance education student (i.e. you live more than 50 miles from MSU and are in all online courses), but you do not see this course pop up under your courses, please contact Ashley Hurst.

- 69 - 60% — D

### Quality of Submissions

Your written work is a reflection of your abilities and, thus, a large part of your final grade for each assignment. You are required to produce high-quality, nuanced documents throughout this course. What does this mean? Every document you turn in must be free of simple errors, visually appealing, and mechanically and grammatically correct. Documents should have the appropriate margins, spacing, and formatting. Low quality work shows low effort. Low effort will receive a grade lower than C-.

### Revising and Peer Review

Writing is a process that takes time and effort. You are expected to draft, revise, and proofread your work before submission. Your projects should not be a one-and-done style submission that lacks development. We will do peer review for most assignments, and it is expected that you carefully read and enact the revision advice of peers.

If the instructor does not have proper notification, he will expect the same performance from each student enrolled in the course.

### Submission Format and Policy

All written assignments must follow APA format unless otherwise noted.

**\*Documents must be uploaded as Microsoft Word .doc or .docx files.** Any documents uploaded not in these formats will not be graded (except for the Presentation). Likewise, all assignments will be run through TurnItIn.com's anti-plagiarism software.

Failure to upload all required documents will result in a failing grade for the assignment. You cannot email me your assignments. Instead, they must be uploaded to D2L.

By enrolling in this class, the student expressly grants MSU a "limited right" in all intellectual property created by the student for the purpose of this course. The "limited right" shall include but shall not be limited to the right to reproduce the student's work product in order to verify originality and authenticity, and for educational purposes.
