ATTENDANCE IS MANDATORY! Students are required to attend all class meetings, and attendance is documented at the beginning of each class period. Attendance and class participation are deemed essential. Students are advised to plan carefully regarding appointments and/or work schedules to avoid missing class. Each student is allowed up to 3 absences to deal with any emergency which might occur throughout the semester. Any student who misses more than 3 classes will have their letter grade dropped by 1 letter at the end of the semester no matter how many points the student has earned. An additional letter grade will then be dropped for each absence following 4. i.e. 4 absences= 1 letter grade, 5= 2 letter grades, 6= 3 letter grades, 7= 4 letter grades. Students are required to keep track of their own attendance and are responsible for knowing how many absences they have incurred.

*** A student who arrives to class 10 or more minutes late will be counted as absent. ***

Some assignments are experiential in nature and are only completed in class. If a student is absent from class on the day when one of these assignments are completed in class, they will automatically forfeit any points which might have been earned for the assignment. Personal emergencies that arise will be dealt with on an individual basis. Emergencies that result in a student missing multiple classes should be reported to the instructor and the Dean of Students Office.

Due Dates:

All assigned work will be due at the beginning of class on the dates specified. No late work will be accepted unless specific arrangements have been made with the instructor in advance. A missed assignment will be eligible for makeup only due to an officially excused absence with *proper* documentation provided, and must be scheduled the day the student returns to class. It is the student's responsibility to stay current with class activities and assignments. If documentation is provided as to the reason for the absence and the absence is excused in accordance with university policy, the student must request the missed work/materials the first class after they return.

Classroom Behavior:

As adults, students are expected to behave in a respectful manner. Disrespect, an indifferent attitude, and/or disruptive behavior will not be tolerated and could result in the student being dropped from the course with a grade of "F" AND referral to the Dean of Students Office. We will have interactive classroom discussions and activities and the utmost respect must be paid to each other at all times.

Academic Misconduct Policy & Procedures

Academic Dishonesty: Cheating, collusion, and plagiarism (the act of using source material of other persons, either published or unpublished, without following the accepted techniques of crediting, or the submission for credit of work not the individual's to whom credit is given). Additional guidelines on procedures in these matters may be found in the [Office of Student Conduct](#)

Cell Phones:

Put them away unless asked by the instructor to use them for a class exercise. Students may be asked to leave class if cell phone use continues after being asked to put them away.

Headphone/earbuds:

Please do not wear headphones or earbuds during class. This is disrespectful, and you may be asked to leave or be dropped from the class with an “F” if the practice continues.

Hoodies:

I understand that it gets fairly cool in some classrooms; however, you will not be allowed to have a hoodie on your head during this class. Please remove all hoodies from your head or you may be asked to leave the class and you could be dropped with an “F.”

Course Requirements and Points: (850 Total Points Possible)

Grades:

The basis for the final grade will be the average of assignments, projects, tests, and participation. In other words, everything a student does in and for class counts. Students must demonstrate competency in writing through entries in the Adventure Guide and other written work, in oral communication through class presentations and participation, and computer competency through specified assignments. Grades will be as follows: (A) 765-850, (B) 680-764, (C) 595-679, (D) 510-594, and (F) 509 and below.

Grading Scale:

A = 768-850 points

B = 680-764 points

C = 595-679 points

D = 510-594 points

F = 0-509 points

Due Dates:

A missed assignment will be eligible for makeup only due to an officially excused absence with *proper* documentation provided, and must be scheduled the day the student returns to class. It is the student's responsibility to stay current with class activities and assignments.
