Course Description

This course applies concepts used by the nurse to assist childbearing families achieve their maximum potential. A focus on patient/family education is integrated throughout the course. Lifestyle and cultural diversity within individual, families, and communities is emphasized. Reliable information drawn from a variety of sources including nursing research assists the student to develop an evidence-based practice. Reproductive processes and women's health issues within the context of a variety of healthcare settings are explored through use of the nursing process, critical thinking and problem solving.

Weather Closure Practices

Student safety is the number one consideration in regards to travel for bad weather. If it is icy or snowing in your area, e-mail your faculty to explain the situation. Use common sense in regards to travel.

The MSU Nursing Program will follow the MSU campus practices for closure. If the campus closes, classes will go on-line using Zoom via D2L or another platform designated by your professor.

Textbook & Instructional Materials

Refer to: Ricci. Essentials of Maternity, Newborn, and Women’s Health Nursing, 5 ed. Shadow Health Virtual Simulations (you can purchase from the bookstore or from the Elsevier website).

Academic Misconduct Policy & Procedures

Academic Dishonesty: Cheating, collusion, and plagiarism (the act of using source material of other persons, either published or unpublished, without following the accepted techniques of crediting, or the submission for credit of work not the individual's to whom credit is given). Additional guidelines on procedures in these matters may be found in the Office of Student Conduct.

Grading

A: 90-100 B: 80-89 C: 74-79 D: 70-73 F: 69 and below.

Students MUST have an average of 74% on exams in order to pass the course.

GRADES WILL NOT BE ROUNDED. Students must meet all course **and** clinical requirements; failure in either the didactic or the clinical component will constitute failure of the course. **In order to pass the course, the exam average must be at least 74%, regardless of the overall grade average.**

Assignments	Points
Exams(5 at 12% each)	60%
Discharge Project	15%
V-Sims	15%
Neonatal Mock Code	10%
Total Points	100%

Covid

If student tests positive for Covid, the hospital must be notified. There is a 10-day quarantine for the hospital and two negative tests must be reported before the student may return to hospital clinical. Self-reporting is acceptable since home testing may be done.

Change of Schedule

A student dropping a course (but not withdrawing from the University) within the first 12 class days of a regular semester or the first four class days of a summer semester is eligible for a 100% refund of applicable tuition and fees. Dates are published in the [Schedule of Classes](#) each semester.

Refund and Repayment Policy

A student who withdraws or is administratively withdrawn from Midwestern State University (MSU) may be eligible to receive a refund for all or a portion of the tuition, fees and room/board charges that were paid to MSU for the semester. HOWEVER, if the student received financial aid (federal/state/institutional grants, loans and/or scholarships), all or a portion of the refund may be returned to the financial aid programs. As described below, two formulas (federal and state) exists in determining the amount of the refund. (Examples of each refund calculation will be made available upon request).

Exams

There will be three exams covering f the 5 units. There will be no midterm or final exam. You will be notified at midterm if you are in danger of failing. I would strongly recommend that you see me ASAP after the first test if you make less than 74%.

Exams Instructions

All exams will be computerized. Notes on technology use can be found on D2L. Please bring your laptop to class on exam day. We will be using a lockdown version issued by the university that will be available to you on exam day at a specified time. In the event a backup plan is needed, we will use the paper version.

1. Exams will be conducted through D2L. These will be given during class time.
2. Laptop computer which meets Wilson SON system requirements (refer to handout entitled "Technology Requirements" on course D2L site, and Course Content section, for computer testing. Must have battery use for at least 1.5 hours when testing (extra charged battery; portable battery charger; etc.). Suggest power cord and extension cords/power strips, but please understand that electrical outlets in the classroom are scarce so you may need to bring an extension cord.
3. Each unit exam will be comprised of 50 questions and will be worth 100 points. Seventy-five (70) minutes will be allowed for each exam. There will be no back track to previous questions.
4. All exams will be administered on students' personal laptop computers. On exam day, please follow the following rules:

Turn all cell phones and pagers **OFF**. **Smartwatches should be removed prior to testing**. There should be nothing on the desk. You must also show your ears to ensure there are no earbuds present. Also, you must show it under your laptop to make sure no paper is there.

- No food or drink allowed during exams.
- You must keep your face toward the computer screen
- You will not be allowed to leave the test area until you have finished the exam unless a severe emergency exists.
- When you are finished, upload your exam. We will **NOT** discuss the answers until the item analysis is completed and all exams have been taken.

Extra Credit

Extra credit will not be given.

Late Work

Late work will be accepted under exceptional circumstances, subject to a penalty. Students must communicate with the instructor in advance or as soon as possible afterwards to discuss the situation. The penalty for late submissions will be a deduction of 5% per day. Late work will not be accepted after four days

Missed Exam

Students are expected to take exams on the day they are scheduled. If you are ill or cannot take the exam on the scheduled day, please notify the course instructor 2 hours before the scheduled exam to arrange an exam make-up on the allotted day. **All make-up exams must be taken prior to the next scheduled exam.** This must be scheduled with the instructor prior to this date.

Presentation of Discharge Instructions

The presentation will be written in a PowerPoint format and will be due by 1159 on April 25, 2025. This is group work. The groups will be determined by a draw or you may choose your group. This is a study of creativity, critical thinking, and the application of knowledge learned in class in order to create a discharge instruction sheet that can be used by those cognitively challenged or do not speak English. More information will be given at the first of the semester. A copy of the project will be sent to Dropbox.

Shadow Health Virtual SIMs

There are 10 V-Sims that you will complete. Three of these are not scored but documented as complete. These are used as data for Shadow Health. I do not know the results until the next semester. You must score 74% or higher on the others. You may repeat them until you reach this score. **You must take the pre-test. The core and post-test will be averaged together for your grade.** You may take these as many times as you wish. The scheduled due date will be May 2nd at 1159. These are easier if you finish them when they are due.

Neonatal Mock Code

The neonatal mock code will be done as one of the simulation scenarios. If the multidisciplinary code is held, you will not have the simulation scenario. The code consists of the delivery of the infant, warming and drying the infant, and resuscitation. In the event a multidisciplinary code is held, there will be practice time before the event to let you use a bag and mask and CPR on the newborn. You will be graded on participation. The code will be TBA

Classroom Courtesy

Be on time. Lectures will be started on time and are important you are ready to start when the instructor is ready to begin. If you have questions after the lecture, we can arrange to have small group face-to-face meetings. Lectures will not be recorded. If you must leave the room please do not return until the break as to avoid classroom disruption.

Refer to: Academic Misconduct Policy & Procedures

Academic Dishonesty: Cheating, collusion, and plagiarism (the act of using source material of other persons, either published or unpublished, without following the accepted techniques of crediting, or the submission for credit of work, not the individual to whom credit is given). Dress Code

Please adhere to the dress code in both the clinical setting, simulation lab, and any event when you are expected to wear your clinical clothes. A mask will not hide a nose ring nor will your hair cover a row of earrings. You may only wear a lab jacket with your uniform when you are in the clinical unit or simulation lab.

Professional Image **Clinical Infractions**

Clinical Failure

Clinical failures are earned by students who fail to meet the objectives of the clinical experience, students who fail to uphold the ANA Practice Standards and the ANA Code of Ethics, students who fail to maintain patient safety, and students who fail to complete all of their clinical hours and in the simulation lab.

Immunizations and Insurance

All students must present documentation that they are in compliance with state and program-mandated immunization requirements. Failure to do so will prevent the student from attending clinical laboratory experience until they are in compliance.

All students must show documentation of current liability insurance prior to attending clinical laboratory experience. Please speak with the Clinical Coordinator with any questions you may have in this regard.

College Policies

Services for Students with Disabilities

In accordance with Section 504 of the Federal Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Midwestern State University endeavors to make reasonable accommodations to ensure equal opportunity for qualified persons with disabilities to participate in all educational, social, and recreational programs and activities. After notification of acceptance, students requiring accommodations should make application for such assistance through Disability Support Services, located in the Clark Student Center, Room 168, (940) 397-4140. Current documentation of a disability will be required in order to provide appropriate services, and each request will be individually reviewed. For more details, please go to the [MSU webpage](#).

Academic Support and Advising

The student is advised to review the resources found on the Academic Support home page <http://academics.mwsu.edu/supportcenter/>. Further information may be located by contacting the offices of each department found listed on this page. The student is expected to effectively utilize the resources found at Moffitt library on campus. Distance policies for library usage are located by asking at the resource desk. Review the library home page <http://library.mwsu.edu/> for further information.

Campus Carry Rules/Policies

Refer to: [Campus Carry Rules and Policies](#)

Smoking/Tobacco Policy

College policy strictly prohibits the use of tobacco products in any building owned or operated by MSU TEXAS. Adult students may smoke only in the outside designated-smoking areas at each location.

Alcohol and Drug Policy

To comply with the Drug Free Schools and Communities Act of 1989 and subsequent amendments, students and employees of Midwestern State are informed that strictly enforced policies are in place which prohibit the unlawful possession, use or distribution of any illicit drugs, including alcohol, on university property or as part of any university-sponsored activity. Students and employees are also subject to all applicable legal sanctions under local, state and federal law for any offenses involving illicit drugs on University property or at University-sponsored activities.

Campus Carry

Effective August 1, 2016, the Campus Carry law (Senate Bill 11) no longer allows those licensed individuals to carry a concealed handgun in buildings on public

university campuses. The new Constitutional Carry law does not change this process. Concealed carry still requires a License to Carry permit, and openly carrying handguns is not allowed on college campuses. For more information, visit [Campus Carry](#).

Active Shooter

The safety and security of our campus is the responsibility of everyone in our community. Each of us has an obligation to be prepared to appropriately respond to threats to our campus, such as an active aggressor. Please review the information provided by MSU Police Department regarding the options and strategies we can all use to stay safe during difficult situations. For more information, visit [MSUReady – Active Shooter](#). Students are encouraged to watch the video entitled “*Run. Hide. Fight.*” which may be electronically accessed via the University police department’s webpage: [“Run. Hide. Fight.”](#)

Grade Appeal Process

Update as needed. Students who wish to appeal a grade should consult the Midwestern State University [Undergraduate Catalog](#)
