***Important! This course's weeks start on Monday and end on Sunday, except for the last week, which ends on Friday.**

Instructor Response Policy:

During the week (Monday – Friday) I will respond within 24 hours. Do not expect a response from me on Holidays and weekends. As professionals, it's important that we implement boundaries around home and work. Please try to ask your questions before the weekend.

***The MSU Clinical Mental Health and School Counseling programs require at least a B average. Cs are unacceptable, and more than 2 Cs will put you in danger of being removed from the program. Please consult the Student Handbook for more information.**

COVID-19: Scientific data shows that being fully vaccinated is the most effective way to prevent and slow the spread of COVID-19 and has the greatest probability of avoiding serious illness if infected in all age groups. Although MSU Texas is not mandating vaccinations in compliance with Governor Abbott's executive orders, we highly encourage eligible members of our community to get a vaccination. If you have questions or concerns about the vaccine, please contact your primary care physician or health care professional. Given the recent rise in cases, individuals are also strongly encouraged to wear facial coverings when indoors among groups of people, regardless of vaccination status. Although MSU Texas is not currently requiring facial coverings, they have been an effective strategy in slowing the spread.

COURSE DESCRIPTION

Prerequisite(s): COUN 6043 with a grade of B or better.

The second semester of Graduate Internship features 300 supervised clock-hours which breaks down into 120 direct and 180 indirect hours. This “capstone” clinical experience assists students in building on the skills cultivated during COUN 6043 – Graduate Internship I and prepares them for independent practice. During this semester, students are preparing to take the Comprehensive Examination and the National Counselor Examination (NCE). Students must make a B or better in order to graduate.

COURSE RATIONALE

The focus of this course is to help students apply learning from their counseling courses with real clients at the counseling site of their choice. Students will learn about the role of the counselor through work with actual clients, collaboration with other co-workers and interns, and supervision with their site supervisor and university supervisor. The aim of this course is to help students grow into the role of an ethical, culturally competent counselor in order to best help the clients they serve meet their counseling and mental health goals.

REQUIRED TEXTBOOK

***Liability Insurance:** Students must retain their own liability insurance before the start of the semester. Students may use organizations like HPSO or CPH who offer student discounts. Students will **NOT** be allowed to begin gaining hours without active liability insurance. Students must send their liability insurance documents to their university supervisor (teaching professor) and their site-supervisor before gaining hours.

COURSE EXPECTATIONS

The Clinical Mental Health Counseling Program, its faculty, and its students adhere to the University Code of Conduct, State of Texas licensure laws and regulations, and the American Counseling Association's (2014) *Code of Ethics*. The program has a professional responsibility to ensure that all students display ethical, professional, and personal behaviors that comply with these guidelines. Students are strongly encouraged to review, understand, and consult the [American Counseling Association website](#) for details related to these guidelines.

Department of Counseling students are expected to demonstrate appropriate classroom behavior, consistent with their counselor-in-training roles. Counselors-in-training are expected to convey attentiveness and respect in all professional and classroom settings.

Online Etiquette: It is expected that students use formal, professional language when corresponding online. It is expected that you use complete sentences, address one another with respect, follow the American Counseling Association's (2014) *Code of Ethics*, and treat all members of the class with respect.

Diversity: It is my intent to present material and activities that are respectful of diversity. It is also my intent that students from all perspectives and diverse backgrounds be well-served by this course, that students' learning needs be addressed both in and out of class, and that the diversity that students bring to this class be viewed as a resource, strength, and benefit. Your suggestions about how to improve the value of diversity in this course are encouraged and appreciated.

Confidentiality: Upholding confidentiality is a major responsibility of the student. Anything discussed during supervision, online in this class, or shared by individual students about themselves is considered confidential. Please do not share any information shared to you by other students.

Academic Dishonesty: Students at Midwestern State University are an essential part of the academic community and enjoy substantial freedom within the framework of the educational objectives of the institution. The freedom necessary for learning in a community so rich in diversity and achieving success toward our educational objectives requires high standards of academic integrity. Academic dishonesty has no place in an institution of advanced learning. It is each student's responsibility to know what constitutes academic dishonesty and to seek clarification directly from the instructor if necessary. Examples of academic dishonesty include, but are not limited to:

- Submission of an assignment as the student's original work that is entirely or partly the work of another person.
- Failure to appropriately cite references from published or unpublished works or print/non-print materials, including work found on the World Wide Web.
- Observing or assisting another student's work.
- Multiple Submission - Submitting a substantial portion or the entire same work (including oral presentations) for credit in different classes without permission or knowledge of the instructor.

Statement of Disability: Disability Support Services (DSS) provides services to students with disabilities to insure accessibility to university programs. DSS offers information about accommodations and disability, evaluation referral, adaptive technology training and equipment, and interpreter services for academically related purposes.

If you suspect you have a disability that is impacting your academic performance or have been previously documented as a person with a disability, you will need to apply and provide documentation of that disability to the Disability Support Services. This documentation must be

supplied by a qualified professional who is licensed or certified to diagnose the disability in question.

The Disability Support Services office is located in Room 168 of the Clark Student Center. If you need assistance, you can also contact them at (940) 397-4140.

Attendance: Class attendance is crucial to successful completion of this course since much of the training cannot be learned in textbooks. Therefore, GRADUATE STUDENTS are expected to be on time and to attend *every* session online and all required face to face classes. Tardiness, leaving early, and absences are considered evidence of lack of dependability, and are taken seriously.

Late Work: All papers and assignments must be turned in the day they are due. *No exceptions.* If you have an emergency, please let me know in advance, and/or email me your assignment the same day it is due. Any late papers will be lowered *10%*. Late papers can only be turned in before the deadline for the following assignments. Please observe that your assignments are worth a considerable number of points and skipping even one assignment will most likely significantly lower your grade. Please begin planning your semester schedule accordingly.

Graduate Internship II: Students must register for a 3-credit hour graduate internship II. ***Placements must begin and end in one academic semester (Fall, Spring, Summer) for the duration of at least 10 weeks for summer, and 16 weeks for fall and spring.** Graduate Internship II is the third experience during which students apply their counseling theory and demonstrate their counseling skills in a professional supervised setting. A minimum of 300 hours is required for graduate internship II. ***In order to meet the 300 hours of field experience requirement, summer students must gain a minimum of 12 direct hours a week, and 18 indirect hours a week on site for a 10-week semester. For fall/spring semesters, students must gain a minimum of eight direct hours per week, and 12 indirect hours per week for a 16-week semester. Students must get all placements approved by their professor of record.** Additionally, private practice, and home or field settings are only approved for P/I by the instructor of record.

***The students' Graduate Internship II includes the following:**

1. A **minimum** of 300 hours is required for internship II. Of the minimum 300 hours, at least 120 hours must be direct hours and 180 hours must be indirect hours.
2. A minimum of **one hour per week** of on-site supervision from the site supervisor on record each week that the students are present at the site.
3. An average of **one and one-half hours per week of group supervision** with other students in internship II with university supervisor. Students must attend **EVERY** group supervision meeting as it is mandatory. **These meetings will take place every week.** This is an interactive, "hands on" class that will require your energy, focus, and respectful participation. It is imperative that students receive supervision throughout the semester, and it is a CACREP requirement. Students will present on cases weekly. Please consider that it

is a learning experience for all class members to learn from one another, therefore students are required to give feedback to others. Students are expected to act in the role of a professional consultant at this stage of development in the program. Students will bring a case or even two to each class meeting and be prepared to discuss this case, maintaining client confidentiality. Students will be prepared to participate in group sessions during class meetings. These sessions will be of a personal growth nature. Participation in the group process will be noted on the final grade.

4. Formal evaluations of students' performance will be submitted at mid-term and at the end of the semester by all supervisors (Site, University).
5. Students will conduct one **minimum** of 45-minute counseling session with a client for each semester of Practicum and Internship. The instructor will provide feedback to the student using the MSU Skills Rating form. Any skills strengths and deficits will be addressed in the post-observation session following the observed session, in addition to the rating form. Students will receive a copy of the rating form. A video of a counseling session is required. For students who are unable to video tape at their site, the university supervisor (teaching profession) may video into the session to observe. Students will be required to meet with their university supervisor for a pre-conference meeting to review expectations, as well as a post-conference meeting for feedback on strengths and growth areas.
6. **Please note that meeting the minimal requirements does not guarantee that you will move on to graduation. Professionalism, dedication, crisis management, ethical behavior, receiving feedback appropriately, and adequate growth as a counselor are extremely important in this class. If you are not ready to move on to graduation based on skills, site dissatisfaction, or lack of professionalism and interpersonal characteristics, a PICS will be completed. If the skills are addressed by the end of the semester, then the student may move on to graduation. If the student does not pass the class due to the aforementioned reasons, the student will repeat the course to address deficiencies in performance or interpersonal characteristics.**

EVALUATION AND ASSIGNMENTS

**** ALL WRITTEN ASSIGNMENTS MUST BE SUBMITTED VIA D2L AND ALL WORK MUST BE COMPLETED USING THE LATEST APA EDITION STYLE.**

Discussion Board, and Class Participation: (10 pts.) Students are required to answer questions or complete assignments regularly related to the weekly topic. Almost every week students will be required to answer questions about the reading, topic or be asked to reflect on a particular internship experience for that week. Students may also be required to engage in short creative projects instead of questions about the readings. If there is a discussion, students are required to participate and comment on at least one other person’s thread. ***The assignments and weekly comments are due by Sunday at 11:59 pm at the end of the week, aside from the last week, where it’s due on Friday.** Follow directions to get full points each week. Late work will not be accepted (See Appendix A for Rubric). **3.I.J, 3.I.K, 3.I.L, 3.M, 3.B, 1b, 1c, 1g, 1i, 1j, 1k, 1l, 1m, 2a, 2b, 2c, 3f, 3i, 4a, 5a, 5c, 5d, 5e, 5f, 5g, 5j, 5k, 5m, 5n, 6b, 6d, 7e, 5C.1b, 5C. 2b, 5C.2k, and 5C.2l.**

Chapter Presentation (10 pts.): DO NOT EXCEED 30 MINUTES. Students are required to present a chapter to the class from the *Encyclopedia of Counseling* textbook. The presentation must be at least 20 minutes and must cover the important information from the chapter. The student must also include an activity to help the class review the information, such as a creative game or quiz (See Appendix B for Rubric).

Comprehensive Exam (COMPS): (40 pts.) *Before you begin, please take 10-30 minutes utilizing mindfulness techniques to create a positive and safe space to take your exam. See examples on Appendix C. Students will have **three** attempts to pass this exam. Please treat this as a real life testing scenario. Students are required to pass a comprehensive examination as a program completion requirement. Students must make at least a 70 on the exam to graduate. The exam will help students prepare for the National Counselor Exam (NCE). The 100 questions will come from the textbook, the *Encyclopedia of Counseling*. Each question is worth .40 points (See Appendix C for Examples).

Session Video and Skills Evaluation Form: (20 pts.) Students will turn in their packet with their portion filled out and with signatures to D2L and Tk20. Students will conduct one 45-minute minimum counseling session with a client for each semester of Practicum and Internship. Students must fill out and sign the clinical video or observation consent form for themselves and

their client. This form must be turned in to D2L. Students must fill out the skills evaluation form on themselves. This is a packet and needs to be turned in as a packet. Please fill out digitally aside from the signature. The instructor will provide feedback to the student using the Session Video and Skills Evaluation Form and the grading rubric. Students must schedule a pre-observation and post-observation meeting with their teaching professor before and after their recorded/observed counseling session. Any skills strengths and deficits will be addressed in individual supervision following the observed session, in addition to the rating form. If local, students can opt to have their teaching professor come in person to observe, however this must align with teaching professor's schedule. A recording of video the counseling session is another option, as well as a live telehealth observation. If a video is recorded, it can be emailed to the teaching professor via google drive. Once you have utilized the video to complete your part of the paperwork, please delete the counseling video. Once the teaching professor is done with, we ask to see a variety of skills during clinical semesters, for example, if students were observed or recorded doing a group in one semester, the teaching professor may ask to see an individual session instead of another group. ***This assignment will be uploaded to Tk20 and D2L (See Appendix D for Rubric). KPI: 2.1k, 2.5g, 2.5j, 5C.1b, and 5C.3b.**

Reflection Paper and Evaluation (10 pts.): Students will turn in their reflection paper and self-evaluation to D2L and Tk20. Students will use the template within D2L to reflect on their semester. Students will introduce the assignment, discuss the counseling relationship, explore personal reactions, discuss rational, highlight ethics, legality, and crisis issues, reflect on their counseling session, explore multicultural and diversity issues, reflect on counseling skills, develop a professional development plan, and provide a summary of their semester. **This assignment will be uploaded to Tk20 and D2L (See Appendix E). KPI 2.1i, and 5C.1b.**

Completion of 300 Hours and Satisfactory Site Supervisor Evaluations (10 pts.): Students are required to complete 300 hours of internship. 120 hours must be direct service hours, and 180 hours must be indirect. Satisfactory performance at the site is required for the entirety of the semester. Failure to perform satisfactorily throughout the semester, as reflected in the Midterm Evaluation, and Site Supervisor Evaluation, will result in a PICS, and a possible failure of the class. Client welfare is extremely important, so any interpersonal, professional, or skill related issues will be addressed. If they cannot be remediated, the student will be asked to retake the class, or may be remediated in an alternative format. Use the logs and cover sheets provided in the practicum manual. Students will receive weekly supervision on-site, and an average of 1.5 hours of group supervision in class. Logs will be turned in at the end of each semester. Please note that students cannot graduate until all hours have been earned, documented, and approved. Failure to complete the required hours will result in having to retake the course. Mid Term and Final evaluations are also required. These evaluations will be completed by your site supervisor at midterm and the end of the semester. Students are responsible for making sure evaluations are turned in on time. The instructor will consult with the site supervisor(s) on a consistent basis, to include the counseling student in the consultation whenever possible. Also taken into consideration is the student's conduct at his/her site(s) (i.e., absences, tardiness, professional demeanor and dress, ability and willingness to receive criticism and feedback). **Make sure your tk20 logs are all approved by both supervisors (site and university), make sure logs are correct. Confirm that your site supervisor has completed their midterm and final evaluations on you. Make sure that you fill out evaluations on your site and university supervisor on tk20. Make sure**

that you turn in your hours document to D2L. Keep that document for your records with signatures. (See Appendix F). **2.3f. 2.5j. 2.7e. 3B, 3J, 3K, 3L, 3M, 5C.1b, and 5C.3b.**

DEPARTMENT OF COUNSELING STATEMENT OF EXPECTATIONS

The counselor education program is charged with the dual task of nurturing the development of counselors-in-training and ensuring quality client care. In order to fulfill these dual responsibilities, faculty must evaluate students based on their academic, professional, and personal qualities. A student's progress in the program may be interrupted for failure to comply with academic standards or if a student's interpersonal or emotional status interferes with training-related requirements. For example, in order to ensure proper training and client care, a counselor-in-training must abide by relevant ethical codes and demonstrate professional knowledge, technical and interpersonal skills, professional attitudes, and professional character. These factors are evaluated based on one's academic performance and one's ability to convey warmth, genuineness, respect, and empathy in interactions with clients, classmates, staff, and faculty. Students should demonstrate the ability to accept and integrate feedback, be aware of their impact on others, accept personal responsibility, and be able to express feelings effectively and appropriately. For further clarification on student review and retention please refer to the handbook.

Classroom Behaviors: Department of Counseling students are expected to demonstrate appropriate classroom behavior, consistent with their counselor-in-training roles. Counselors-in-training are expected to convey attentiveness and respect in all professional and classroom settings. Specifically, these include:

- Avoiding tardiness and late arrival to class.
- Being attentive and participative in class and online.

Session Video and Skills Evaluation Form: (20 pts.) Students will turn in their packet with their portion filled out and with signatures to D2L and Tk20. Students will conduct one 45-minute minimum counseling session with a client for each semester of Practicum and Internship. Students must fill out and sign the clinical video or observation consent form for themselves and their client. This form must be turned in to D2L. Students must fill out the skills evaluation form on themselves. This is a packet and needs to be turned in as a packet. Please fill out digitally aside from the signature. The instructor will provide feedback to the student using the Session Video and Skills Evaluation Form and the grading rubric. Students must schedule a pre-observation and post-observation meeting with their teaching professor before and after their recorded/observed counseling session. Any skills strengths and deficits will be addressed in individual supervision following the observed session, in addition to the rating form. If local, students can opt to have their teaching professor come in person to observe, however this must align with teaching professor’s schedule. A recorded of video the counseling session is another option, as well as a live telehealth observation. If a video is recorded, it can be emailed to the teaching professor via google drive. Once you have utilized the video to complete your part of the paperwork, please delete the counseling video. Once the teaching professor is done with, we ask to see a variety of skills during clinical semesters, for example, if students were observed or recorded doing a group in one semester, the teaching professor may ask to see an individual session instead of another group. ***This assignment will be uploaded to Tk20 and D2L (See Appendix D for Rubric). KPI: 2.1k, 2.5g, 2.5j, 5C.1b, and 5C.3b.**

Completion of 300 Hours and Satisfactory Site Supervisor Evaluations (10 pts.): Students are required to complete 300 hours of internship. 120 hours must be direct service hours, and 180 hours must be indirect. Satisfactory performance at the site is required for the entirety of the semester. Failure to perform satisfactorily throughout the semester, as reflected in the Midterm Evaluation, and Site Supervisor Evaluation, will result in a PICS, and a possible failure of the class. Client welfare is extremely important, so any interpersonal, professional, or skill related issues will be addressed. If they cannot be remediated, the student will be asked to retake the class, or may be remediated in an alternative format. Use the logs and cover sheets provided in the practicum manual. Students will receive weekly supervision on-site, and an average of 1.5 hours of group supervision in class. Logs will be turned in at the end of each semester. Please note that students cannot graduate until all hours have been earned, documented, and approved. Failure to complete the required hours will result in having to retake the course. Mid Term and Final evaluations are also required. These evaluations will be completed by your site supervisor at midterm and the end of the semester. Students are responsible for making sure evaluations are turned in on time. The instructor will consult with the site supervisor(s) on a consistent basis, to include the counseling student in the consultation whenever possible. Also taken into consideration is the student's conduct at his/her site(s) (i.e., absences, tardiness, professional demeanor and dress, ability and willingness to receive criticism and feedback). **Make sure your tk20 logs are all approved by both supervisors (site and university), make sure logs are correct. Confirm that your site supervisor has completed their midterm and final evaluations on you. Make sure that you fill out evaluations on your site and university supervisor on tk20. Make sure that you turn in your hours document to D2L. Keep that document for your records with signatures. (See Appendix F). 2.3f. 2.5j. 2.7e. 3B, 3J, 3K, 3L, 3M, 5C.1b, and 5C.3b.**

Please turn in your signed paper logs to D2L drop box, and make sure you fill out supervisor evals on Tk20, and your site supervisor completes their midterm and final evaluations on tk20.

Please see the grading rubric on the next page.
