To whom it may concern,

I highly recommend Tony Mathison to you as an instructor and I am sure he will be a great addition to your team.

I have known Tony for a year and observed him in class and in his interactions with students and colleagues. I know him to be dedicated to his craft, highly organized and very student centered. Tony is a good listener and connects with students and is well liked by his peers.

Tony likes to get here early and stay late. He goes above and beyond and makes himself available to students before and after class. He has a great heart for students and a passion for teaching that shines when he walks into the classroom.

I believe Tony has the right values. He is a family man and a man of integrity. Ranger College has enjoyed a very positive and productive relationship with Tony and we hope he stays with us as long as possible.

Please contact me at dbostic@rangercollege.edu and 325-641-5726 if I can be of service.

Sincerely,

Don Bostic PhD

To Whom It May Concern:

It is with without reservation that I write this letter of highest recommendation for Mr. Tony Mathison. He has been employed with Ranger College in the capacity of adjunct instructor for the past two years. Mr. Mathison teaches U.S. History 1301 and U.S. History 1302 and has been very flexible in adapting his delivery of these courses in the manner that best fit the students and the college. He has taught classes in a face to face traditional classroom setting as well as interactive television courses at our Brown County and Stephenville Centers, he also teaches dual credit courses through Ranger College at Mullin High School.

Mr. Mathison displays a high degree of integrity, adaptability, responsibility, and dedication both to his students and the institution. He not only gets high marks from me as his evaluator, but his students respect and value him as well. He always displays a positive attitude and a willingness to do anything we ask of him, without complaint. Therefore, I wish to recommend Mr. Tony Mathison for your consideration in the capacity of History Instructor, and know that he will do an excellent job for you.
