PROFESSIONAL EXPERIENCE

08/2023 to present	Midwestern State University Wichita Falls, Texas <i>Adjunct Faculty, Former Assistant Professor</i> Facilitates learning for undergraduate nursing, respiratory, and radiology program students in the online Research course (2024 to present). Responsible for grading and maintaining communications with students regarding research-related assignments and papers. Lead faculty for RN to BSN program's online Pathophysiology course (2025 to present). Responsible for providing resources, grading assignments and communicating with students. Assists with lab and clinical rotations for first semester nursing
--------------------	---

students in Family Health Assessment (2024-2025) and second semester nursing students in Nursing Basics (2024-2025). Teaches final semester undergraduate nursing students in the Clinical Decision Making in-person didactic course, simulation, and clinicals (2023-2025). Responsible for lesson planning, lecture and presentation, and discussion of critical care-based concepts.

- 02/2024 to present **Instructional Connections, LLC**
Dallas, TX
Accelerated Online Academic Coach
Facilitates graduate-level learning for the five-week sessions of Evidence Based Practice and Principles of Nursing Research at The University of Texas at Arlington College of Nursing and Health Innovation for students in the Master of Science in Nursing (MSN) program. Responsible for grading of research assignments including papers and discussion boards, and for maintaining e-mail communication and identifying at-risk students. Also acts as a liaison between the lead instructor and a group of approximately 20 to 30 students at a time.
- 09/2023 to 04/2024 **University of Mary Hardin Baylor**
Belton, Texas
Adjunct Faculty, Clinical Instructor
Responsible for facilitating teaching of clinical, medical-surgical concepts for rotating clinical student groups throughout their weekly clinicals at Baylor Scott & White Hospital-Hillcrest (Waco, TX). Assisted students in learning and performing skills at the clinical bedside while providing guidance during pre-, midday-, and post-conferences. Also responsible for grading clinical paperwork assignments weekly.
- 09/2023 to 12/2023 **Chamberlain University**
Irving, Texas
Visiting Professor
Facilitated learning of critical care-based concepts for third semester undergraduate nursing students in the critical care clinical setting and via high-fidelity simulation.
- 07/2015 to 06/2018 **University of Texas Southwestern Medical Center**
Dallas, Texas
Registered Nurse II
Provided compassionate care for 1-3 patients on a primarily adult Neurosurgical Intensive Care Unit, along with other ICUs upon floating experience. Care included assessing patients and reporting changes to midlevel and upper-level providers, maintaining hemodynamic stability for patients with the use of critical medications and drainage systems and lines, and appropriately advocating for and educating patients and their families.
- 06/2014 to 11/2014 **Parkland Hospital**
Dallas, Texas
Student Nurse/Patient Care Assistant/Tech
Held responsibility for 6-12 patients on a Neurology Med-Surg Unit. Took vital signs, checked blood-glucose levels, helped patients perform activities of

daily living including bathing, toileting and ambulating. Practiced nursing skills with RN supervision.

2011 to 2015	Honors College, <i>Graduate and Member</i> (University of Texas at Arlington)

PROFESSIONAL SERVICE

Journal Reviewer

2022 to 2023 Reviewer for the Journal of Neuroscience Nursing

Publications

2023 Vinar, Adrianna; Cipher, Daisha; Ormand, Molly; Carlisle, Byron; Behan, Deborah. Multidisciplinary Teamwork Perceptions When Mobilizing Ventilated Neurosurgery Patients. Journal of Neuroscience Nursing. August 2023. | DOI: 10.1097/JNN.0000000000000726

2022 Lall, Adrianna; Behan, Deborah. Mobilizing Ventilated Neurosurgery Patients: An Integrative Literature Review. Journal of Neuroscience Nursing 54(1):p 13-18, February 2022. | DOI: 10.1097/JNN.0000000000000624

Podium Presentations

2024 **Midwestern State University Faculty Forum**
“Using Quantitative Methods to Explore Multidisciplinary Teamwork Perceptions”

2023 **Sigma Theta Tau, Delta Theta Chapter Research Symposium**
“Multidisciplinary Teamwork Perceptions When Mobilizing Ventilated Neurosurgery Patients”

Poster Presentations

2022 Acceptance of Perceptions of Weight and Body Image Among Indian Preschool Children: A Replication Study (Sigma Theta Tau Delta Theta Chapter Symposium)

2022 Acceptance of Early Ambulation in Ventilated Intensive Care Unit Patients: A Systematic Integrative Literature Review (Sigma Theta Tau Delta Theta Chapter Symposium)

MENTORSHIP

2024 to present Mentoring current DNP student in writing conducting research study at Midwestern State University.

2022 Guided novice research RN (co-investigator) through research study process from start to finish including how to write IRB protocol, conduct study, collect data, and publication process.

2020 Reviewed and provided feedback for undergraduate nursing Honors College student thesis.
