EDUCATION

Ph.D. English, Texas A&M University-Commerce**May 2015**

Dissertation Title: *Domestic Literacy: Situating Composition within the Discipline of Home Economics*

Dissertation Committee: Bill Bolin, Chair; Shannon Carter; Donna Dunbar-Odom; Jessica Brannon-Wranosky

My dissertation explores the Home Economics Department archival collection from the Gee Library at TAMU-C. I primarily look at a sample of final exams left from home economics students who lived in the Home Management House between the years of 1936 and 1952. I argue that the home management house was a rhetorical space that increased rural women's agency while affording them the opportunity to build a specific type of literacy that I call, *domestic literacy*.

M.A. English, Texas A&M University-Commerce**May 2009**

Final Project Title: *How Society's Attitudes Influence Student Writing: Plagiarism Today*

Final Project Advisor: Bill Bolin
