### **Course Description**

Drawing 1 focuses on a variety of subjects in both wet and dry media with emphasis on black and white visual organization and expression. This is a foundations level studio course, introducing basic approaches to drawing and a variety of media, methods, and subject matter. This course will include lectures, demonstrations, slide presentations, and group critiques, although the primary activity will be drawing from observation.

### **Assignments**

Drawing 1 covers four major sections: Composition, Form Building, Visualization, and Value. Each section consists of a mixture of one-day studies and longer projects. While each assignment has individual criteria, skills earned early in the semester will be joined with additional techniques found in more advanced projects later in the semester. Expectations are addressed through the assignment sheet, demos in class, online videos, and past student examples available on D2L. Students are highly encouraged to view online materials to resolve their own drawings.

### **Work Ethic and Studio Environment**

Personal motivation and discipline are keys to a student's success in this course. These qualities are demonstrated by actions - such as preparation for each class, involvement in projects, discussions, and critiques, and reaching a strong level of finish according to project criteria. All work should be stored and transported in a manner that preserves it for critiques and portfolio reviews. Students should expect to spend at least six hours per week on homework in addition to studio/class time.

In an ideal studio, a student should be able to work at various distances, heights, and angles from the subject; move away from the drawing to view it at a distance; control

lighting; work at various sizes, and create a desired environment – loud or quiet, bright or dark, etc. It is also advisable to work at an easel or pin drawings onto the wall, and working on a surface that has no texture.

Students are encouraged to use studio space for class, open from 7:00 a.m. - 1:00 a.m. when the night monitor is present and 7:00 a.m. - 10 p.m. otherwise. See posted schedule when available.

### **Grading**

Student work will be reviewed by means of formal critique evaluations and portfolio reviews. Students will be evaluated according to predetermined requirements for all drawings. Individual projects will have a grade weight attached when given to the class. Generally speaking, one-day exercises given in the beginning of the semester will be worth less than longer, major projects given later.

*Points allocated to each section and approximate number of assignments.  
May be subject to change*

Assignments	Points
Composition	55
Form Building	65
Visualization	75
Value	80
Total Points	275

### *Final Grade Summary*

Grade	Points
A	90 - 100%
B	80 - 89%
C	70 - 79%
D	60 - 69%
F	59% or less

### **Late Work**

Late work will be counted against, one letter grade for each class period after it is due. Example: An A grade is lowered to B after one period late, after two periods late the A is lowered to C.

Students should never miss a class critique. Apart from late grades on projects, this counts against overall participation.

### **Attendance**

Students enrolled in the Juanita and Ralph Harvey School of Visual Arts must comply with the following department-wide Attendance, Absence, and Lateness Policy:

- Students arriving 10 minutes after class begins will be considered late, and will be counted absent.

- Three late arrivals count as a single absence.
- Students may be absent from class 3 times without penalty and without providing any documentation regarding the absence.
- If a student incurs a 4th absence, his or her final course evaluation will be reduced by a full letter grade.
- If a student is absent 5 times, whatever the reason, he or she will receive a failing grade (F) for the course, dropped from class roll, and be asked to stop attending class
- Students are required to remain in class for the entire class session. Students will earn an absence if they leave before the professor has dismissed class.
- Excused absences must be brought before me prior to the absence, or if later, the student must have supporting documentation (academic, medical, or family emergency) in the case of excessive absences.

### **Gallery Attendance Policy**

- If the student cannot attend the gallery opening, they must meet following requirements:
- The student must write a paper on the artist exhibited in the Juanita Harvey gallery.
- The paper should emphasize the student's reaction to the work.
- The paper must be formatted in Times New Roman, 12-pt. font, and be double-spaced. The paper must consist of 500 words.
- The paper must be submitted to the art office one week after the exhibition opening.
- If the exhibition extends past the final class day of the semester, the paper will be due one week before the final class day of the semester.
- If a student does not attend the show nor submit a paper, their final grade will be dropped 3.3% per gallery opening.
- If a student misses all of the gallery openings and does not write a paper for each required exhibition, the student's final grade will be dropped by 10%.
