Instructor Class Policies

Students are expected to assist in maintaining a classroom environment which is conducive to learning. **You need to follow weekly modules for the course assignments.** Inappropriate behavior in the D2L online classroom shall result, minimally, in a request to drop the class and a Professional Fitness Form will be filed for review with the college. If the instructor must file a Fitness Alert Form for any reason, including failure to demonstrate appropriate classroom behaviors, the student may receive an instructor drop with an "F" for the course.

An instructor may drop a student any time during the semester for failure to participate, for consistently failing to meet class assignments, for an indifferent attitude, or for disruptive conduct. The instructor must give the student a verbal or written warning prior to dropping the student from the class. An instructor's drop of a student takes precedence over the student-initiated course drop of a later date. The instructor will assign a grade of either WF or F through the first 8 weeks of a long semester, the first 6 weeks of a 10-week summer term, or the 11th class day of a 4- or 5-week summer

term consisting of 20 days. After these periods the grade will be an F. The date the instructor drop form is received in the Office of the Registrar is the official drop date.

Late Assignment Policy

No late work is acceptable. 50 points per day will be deducted for late assignments. Arrangements for exceptional cases must be made AT LEAST two days prior to the due date, but only one time per semester. Turn in your assignments with an electronic copy to D2L on the due day which is listed on the course calendar.
