Early Childhood Curriculum

College of Education
ECED 4133 x201
Spring 2026

Contact Information

Instructor: Dr. Suhua Huang

Office: BH214

Office hours: Tuesdays (11:00am-12:00pm), Wednesdays (10:00am-1:00pm),
Thursdays (11:00am-12:00pm), Or By appointment

Class: T & R(9:30am-10:50am)

Office phone: (940)397-4763

E-mail: suhua.huang@msutexas.edu

Course Description

4133- Early Childhood Curriculum-Planning the learning environment, developing learning activities, organizing the school day, and interpreting children's growth to parents. Emphasis on developmentally appropriate practice.

Textbook & Instructional Materials

Beaver, N., Wyatt, S., & Jackman, H. L. (2023). Early Education Curriculum: A Child's Connection to the World (8th ed). New York: Cengage learning. ISBN-13: 978-0357625446

Course Objectives

During the scope of this course, students will have the opportunity to

1. Identify and create a developmentally appropriate learning environment that meets the needs of all young children.
2. Identify and develop a curriculum for the total growth and development of young children, including: language arts, creative art, music and movement, science and technology, mathematics, social studies, anti-bias curriculum and field trips, nutrition and health.
3. Design developmentally appropriate learning activities across different disciplines including language arts, creative art, music and movement, science and technology, mathematics, social studies, and health.

4. Plan and set up different types of learning centers (e.g., language arts, creative art, music and movement, science and technology, mathematics, social studies, etc.) for young children.
5. Develop guidance principles for children and teachers to act and interact in positive, productive, and acceptable ways.
6. Identify the value and benefits of play for young children.
7. Identify and create experiences for promoting young children's positive self-concept and social relationships, learning experiences, etc.

Focus of the Course

- Good Environments for Young Children, Teachers, and Families
- Guidance Techniques and School/Home Interaction
- The Value of Play
- Curriculum Development
- Language Arts
- Creative, Artistic, and Sensory Expression
- Music and Movement Education
- Science and Technology
- Mathematics
- Social Studies, Anti-Bias Curriculum, and Field Trip 11.
- Nutrition and Health
- Transition Activities

National/State Standards

This course is aligned with National Association for the Education of Young Children (NAEYC) Standards, Classroom Teacher Pedagogy Standards, Early Childhood-Grade 12 (Updated May18, 2025), Texas Teacher Standards (TAC Chapter 149-Updated August 2025), Core Subjects EC-6 English Language Arts and Reading (ELRA), English Language Arts and Reading (901), Test 293: Science of Teaching Reading Domain 1- Reading Pedagogy, Chapter 19, §235.101: Science of Teaching Reading Standards. The details for each standard are uploaded to D2L.

Campus Carry Policy

Active Shooter:

The safety and security of our campus is the responsibility of everyone in our community. Each of us has an obligation to be prepared to appropriately respond to threats to our campus, such as an active aggressor. Please review the information provided by the MSU Police Department regarding the options and strategies we can all use to stay safe during difficult situations. For more information, visit [Safety / Emergency Procedures](#). Students are encouraged to watch the video entitled "Run. Hide. Fight." which may be electronically accessed via the University Police Department's webpage: ["Run. Hide. Fight."](#)

Campus Carry:

Senate Bill 11, passed by the 84th Texas Legislature, allows licensed handgun holders to carry concealed handguns on campus, effective August 1, 2016. Areas excluded from concealed carry are appropriately marked, in accordance with state law. For more information regarding campus carry, please refer to the University's webpage at [Campus Carry Policy](#)

Student Handbook

Refer to: [Student Handbook](#)

Academic Misconduct Policy & Procedures

Academic Dishonesty: Cheating, collusion, and plagiarism (the act of using source material of other persons, either published or unpublished, without following the accepted techniques of crediting, or the submission for credit of work not the individuals to whom credit is given). Additional guidelines on procedures in these matters may be found in the Office of Student Conduct. [Office of Student Conduct](#)

AI /Chat GPT Policy

The MSU Student Handbook covers Academic Honesty under University Policies and procedures. Academic dishonesty is defined as cheating, collusion, and plagiarism.

1. Cheating is the use of any unauthorized assistance, dependence upon the aid of sources beyond those authorized by the instructor, or acquisition without permission, of tests of other academic materials.
2. Plagiarism is the use of another person's published or unpublished work without full and clear acknowledgment.
3. Collusion is collaboration with another person in preparing work offered for credit if the faculty member in charge does not authorize that collaboration.

AI/Chat GPT are relevant to the academic domain. All writing assignments for this course should be well-prepared and created by the students. Writing, analytical, and critical thinking skills are part of the learning outcomes of this course. Developing strong competencies in these areas will prepare you for a competitive workplace. Therefore, AI-generated submissions are not permitted and will be treated as plagiarism (Source from Texas Tech University).

Moffett Library

Moffett Library provides resources and services to support student's studies and assignments, including books, peer-reviewed journals, databases, and multimedia materials accessible both on campus and remotely. The library offers media equipment checkout, reservable study rooms, and research assistance

from librarians to help students effectively find, evaluate, and use information. Get started on this [Moffett Library webpage](#) to explore these resources and learn how to best utilize the library.

Obligation to Report Sex Discrimination under State and Federal Law
Midwestern State University is committed to providing and strengthening an educational, working, and living environment where students, faculty, staff, and visitors are free from sex discrimination of any kind. State and federal law require University employees to report sex discrimination and sexual misconduct to the University's Office of Title IX. As a faculty member, I am required to report to the Title IX Coordinator any allegations, personally observed behavior, or other direct or indirect knowledge of conduct that reasonably may constitute sex discrimination or sexual misconduct, which includes sexual assault, sexual harassment, dating violence, or stalking, involving a student or employee. After a report is made, the office of Title IX will reach out to the affected student or employee in an effort to connect such person(s) with resources and options in addressing the allegations made in the report. You are also encouraged to report any incidents to the office of Title IX. You may do so by contacting:

Laura Hetrick
Title IX Coordinator
Sunwatcher Village Clubhouse
940-397-4213
laura.hetrick@msutexas.edu

Services for Students with Disabilities

In accordance with Section 504 of the Federal Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Midwestern State University endeavors to make reasonable accommodations to ensure equal opportunity for qualified persons with disabilities to participate in all educational, social, and recreational programs and activities. After notification of acceptance, students requiring accommodations should make application for such assistance through Disability Support Services, located in the Student Wellness Center, (940) 397-4140. Current documentation of a disability will be required in order to provide appropriate services, and each request will be individually reviewed. For more details, please go to [Disability Support Services](#).

Change of Schedule

A student dropping a course (but not withdrawing from the University) within the first 12 class days of a regular semester or the first four class days of a summer semester is eligible for a 100% refund of applicable tuition and fees. Dates are published in the Schedule of Classes each semester.

Refund and Repayment Policy

A student who withdraws or is administratively withdrawn from Midwestern State University (MSU) may be eligible to receive a refund for all or a portion of the

tuition, fees and room/board charges that were paid to MSU for the semester. HOWEVER, if the student received financial aid (federal/state/institutional grants, loans and/or scholarships), all or a portion of the refund may be returned to the financial aid programs. As described below, two formulas (federal and state) exists in determining the amount of the refund. (Examples of each refund calculation will be made available upon request).

Smoking/Tobacco Policy

College policy strictly prohibits the use of tobacco products in any building owned or operated by MSU. Adult students may smoke only in the outside designated-smoking areas at each location.

Alcohol and Drug Policy

To comply with the Drug Free Schools and Communities Act of 1989 and subsequent amendments, students and employees of Midwestern State are informed that strictly enforced policies are in place which prohibits the unlawful possession, use or distribution of any illicit drugs, including alcohol, on university property or as part of any university-sponsored activity. Students and employees are also subject to all applicable legal sanctions under local, state and federal law for any offenses involving illicit drugs on University property or at University-sponsored activities.

Grade Appeal Process

Students who wish to appeal a grade should consult the [Midwestern State University Catalog](#).

***Notice:** Changes in the course syllabus, procedure, assignments, and schedule may be made at the discretion of the instructor

Instructor Class Policies

Attendance Policy

This course has a strict attendance policy. Professional teachers are dependable, reliable, and responsible. Therefore, you are expected to be on time and in attendance at every class. Tardiness, leaving early, and absences are considered evidence of lack of dependability and are taken seriously.

If you are absent, your grade will be reduced.

1st Absence – No penalty. (Please use the first absence wisely such as family events, conferences, and social activities, etc.).

2nd Absence – 30 points deducted from your final grade average

3rd Absence – 60 points deducted from your final grade average

More than 3 absences – additional 100 points deducted from your final grade average for each absence beyond the first 3.

If you have an unexpected medical treatment, you must turn in a doctor's note at the time you return to class. It is your responsibility to provide the written documentation to the instructor to avoid the loss of points

2. Punctuality is also expected for all classes. Arriving 10 minutes late for the class is considered a tardy. Three tardies will result in a loss of 50 points from

your final point total. Five tardies will lose 100 points in your final point total. When you arrive 20 minutes after class has started or leave before it ends you will be counted absent for that class period.

3. Do not use your laptop to do any assignments in the class. You are supposed to do your assignments after the class.

4. Make your cell phone vibrate during class time. No texting is allowed. Texting is very distracting in the class. Do not do it!!

Late Assignment Policy

No late work is acceptable. 50 points per day will be deducted for late assignments. Arrangements for exceptional cases must be made AT LEAST two days prior to the due date, but only one time per semester. Turn in your assignments with an electronic copy to D2L on the due day which is listed on the course calendar.

Assignments

Key Assessments

Thematic Unit; Exams; Case Study Analysis

1. Participation-100 Points

You are expected to come to class prepared and ready to actively participate in each class session: ask questions, answer questions, share your knowledge and experiences, and actively participate in whole class and small group discussions and activities. Read any assigned course materials, bring your texts and course materials to every class session, and take responsibility for your share of the discussion. Absence will affect your participation grade. Each absence will lose 10 points for participation.

2. Thematic Unit Project- 300 Points

(1) Thematic Unit Lesson Presentation: 100 points

Each group will be required to prepare a thematic unit appropriate for an early childhood classroom:

Each small group will be required to:

- select a theme, create unit goals/objectives
- create a curriculum planning web
- present lesson plan and accompanying learning center from the curriculum planning web to the class (one per group member)
- prepare **one** portfolio that contains the unit goals, curriculum planning web, lesson plans (one per group member), and learning centers (one per group member); portfolios should contain a table of contents and tab dividers for each section

Each group member will be required to:

- individually create **one** lesson plan and learning center from the curriculum planning web
- equally contribute to the preparation of one lesson and accompanying learning center from the curriculum planning web with their group members for the presentation including standards and TEKS.
- prepare a one-page reflection on how they contributed to the thematic unit
- equally contribute during the lesson presentation

(2) Thematic Unit Prop Box Presentation: 100 points

Each group will be required to prepare **one** prop box including materials related to your thematic unit. **Each group member** will be required to create an activity plan explaining how you will use the prop box in a lesson/activity. **Each group member** will share their prop box activity plan during the thematic unit presentations. Remember that the purpose of a prop box is to encourage **dramatic/imaginative** play. Please keep this in mind when preparing the prop box and activity plan.

(3). Thematic Unit Book Talk Presentation: 100 points

Each student will be required to give a 5-minute book talk on a book related to your thematic unit. The book talk will include a brief summary of the book along with a detailed explanation of how you would use the book in your classroom. This will be an oral presentation; however, a written one-page paper will accompany your presentation. A form of technology must be included.

A rubric for thematic unit lesson and presentation will be listed to D2L.

3. Case Study Analysis Project: 150 Points

You will review two comprehensive case studies across EC-3/EC-6 Curriculum. You need to write comprehensive teaching plans, strategies, and suggestions for the two cases. Plan teaching strategies and resources that will help the students in each of the two cases to make progress and overcome reading challenges. The five case studies will be listed on D2L.

4. Exams: 300 points

There will be three scheduled exams for this course. The format for the exam will be multiple-choice and short answer.

5. Professional Development Activity: 150 Points

Choose one of the following activities to demonstrate your skills as an educator leader in a school. Descriptions of each activity are below. Please choose an activity that you have not already done as part of your present or an earlier job.

(1) Design a staff development/training program for the paraprofessionals or parent/community/community volunteers at your school, or (2) Design an intervention program that you could work with teachers, and parents. (Activity descriptions: (1) Design a staff development/training program for the paraprofessionals or parent/community volunteers at your school that help with

reading and writing learning. Define/describe the population you are targeting with the training program, the goals of the staff development/training, a schedule and activities that you will use, and how you will evaluate each participant's understanding and the effectiveness of the staff development/training, including a budget (2)Design an intervention program for one of the following populations: struggling readers, children on Reading Sufficiency Plans, children who are second language learners. You may focus either on creating a whole school program or target just a few grade levels including the goals of the program, how it will be organized and staffed, what materials you would buy (with a budget), how students will be assessed for placement in and out of the program, what kind of instruction will occur, and how you will evaluate program effectiveness. A rubric for professional development activities will be listed to D2L

Course Grade - Final grade will be determined by the number of points earned through completion of the following assignments and your attendance. You are required to finish all of the assignments in order to receive a complete final grade. If you have any unfinished assignment, you will receive "incomplete" on your final grades till you completely finish all course required assignments. Meanwhile, you will lose 100 points on your final grade.

Table 1

If you have any unfinished assignment, you will receive "incomplete" on your final grades till you completely finish all course required assignments. Meanwhile you will lose 100 points for your final grade. Grades are determined by weighing the course requirements in the following manner.

| Assignment | Points |
|-------------------------------------|--------|
| Thematic Unit Project | 300 |
| Thematic Unit Prop Box Presentation | 100 |
| Case Study Analysis Project | 150 |
| Exams | 300 |
| Professional Development Activity | 150 |
| Participation | 100 |
| Total | 1000 |

Table 2 Total points for final grade

| Grade | Points |
|-------|---------------|
| A | 900 to 1000 |
| B | 800 to 899 |
| C | 700 to 799 |
| D | 600 to 699 |
| F | Less than 600 |
