Homework

Homework assignments will be given with each weekly lecture or advised accordingly. All questions are solvable based on the lectures and supplemental

materials. Students are required to submit the assignments before the due date. No late submission is accepted.

Through the 'Assessments - Tests' tab, students can access the homework assignment and submit it before the due date. There is no time limit for solving the homework questions before the deadline. However, only one attempt is allowed to submit the completed homework. The homework will be graded, and the results will be shown after the due date. The grade will then be automatically synchronized with Gradebook. Plagiarism detection will be also conducted for writing-related assessments.

Exams

The exams will be either open-book exams or essay/report submission. There are no make-up exams in this course and students missing an exam without a valid excuse will receive an exam grade of zero for the specific exam. No make-up exams are given for the unexcused missed exams.

Mid-Term Exam

There are two open-book mid-term exams. The exams can be either essay writing or test based on multiple-choice, true/false, fill-in-the-blank, draw a graph, or solving problems. Precise guidance will be instructed during the semester. The exam dates are noted in the Tentative Course Schedule in this syllabus. However, the instructor can change the exam dates if necessary. Any changes to those dates will be announced in advance and posted prominently on D2L.

Final Exam

Final exam is a comprehensive open-book exam, which can be either essay writing or test based on multiple-choice, true/false, fill-in-the-blank, draw a graph, or solving problems.

Late Work

Late submission of work is not allowed.

Make-up Work/Tests

If students miss an exam or assignment without prior approval from the instructor, a make-up exam or assignment is not allowed.

Important Dates

Check the date on the [Academic Calendar](#).

Desire-to-Learn (D2L)

Extensive use of the MSU D2L program is a part of this course. Each student is expected to be familiar with this program as it provides a primary source of communication regarding assignments, examination materials, and general course information. You can log into [D2L](#) through the MSU Homepage. If you

experience difficulties, please contact the technicians listed for the program or contact your instructor.

Attendance

Attendance will be checked each week based on assignment submissions and students' access to the course in D2L. Students are expected to submit all assignments by utilizing the lecture videos and slides. If students do not have any login records of watching videos and using lecture resources, the instructor will raise a flag to encourage active class performance and involvement.

Online Computer Requirements

Taking an online class requires you to have access to a computer (with Internet access) to complete and upload your assignments. It is your responsibility to have (or have access to) a working computer in this class. ****Assignments and tests are due by the due date, and personal computer technical difficulties will not be considered as a reason for the instructor to allow students extra time to submit assignments, tests, or discussion postings.*** Computers are available on campus in various areas of the buildings as well as the Academic Success Center. For help, log into [D2L](#).

Change of Schedule

A student dropping a course (but not withdrawing from the University) within the first 12 class days of a regular semester or the first four class days of a summer semester is eligible for a 100% refund of applicable tuition and fees. Dates are published in the Schedule of Classes each semester.

Refund and Repayment Policy

A student who withdraws or is administratively withdrawn from Midwestern State University (MSU) may be eligible to receive a refund for all or a portion of the tuition, fees, and room/board charges that were paid to MSU for the semester. However, if the student received financial aid (federal/state/institutional grants, loans, and/or scholarships), all or a portion of the refund may be returned to the financial aid programs. As described below, two formulas (federal and state) exist in determining the amount of the refund. (Examples of each refund calculation will be made available upon request).

Services for Students with Disabilities

In accordance with Section 504 of the Federal Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Midwestern State University endeavors to make reasonable accommodations to ensure equal opportunity for qualified persons with disabilities to participate in all educational, social, and recreational programs and activities. After notification of acceptance, students requiring accommodations should make an application for such assistance through Disability Support Services, located in the Clark Student Center, Room 168, (940) 397-4140. Current documentation of a disability will be required in order to provide appropriate services, and each request will be individually reviewed. For more details, please go to [Disability Support Services](#).

College Policies

Campus Carry Rules/Policies

Refer to: [Campus Carry Rules and Policies](#)

Smoking/Tobacco Policy

College policy strictly prohibits the use of tobacco products in any building owned or operated by WATC. Adult students may smoke only in the outside designated smoking areas at each location.

Alcohol and Drug Policy

To comply with the Drug-Free Schools and Communities Act of 1989 and subsequent amendments, students and employees of Midwestern State are informed that strictly enforced policies are in place which prohibit the unlawful possession, use, or distribution of any illicit drugs, including alcohol, on university property or as part of any university-sponsored activity. Students and employees are also subject to all applicable legal sanctions under local, state, and federal law for any offenses involving illicit drugs on University property or at University-sponsored activities.

Campus Carry

Effective August 1, 2016, the Campus Carry law (Senate Bill 11) allows those licensed individuals to carry a concealed handgun in buildings on public university campuses, except in locations the University establishes as prohibited. The new Constitutional Carry law does not change this process. Concealed carry still requires a License-to-carry permit, and openly carrying handguns is not allowed on college campuses. For more information, visit [Campus Carry](#).

Active Shooter

The safety and security of our campus is the responsibility of everyone in our community. Each of us has an obligation to be prepared to appropriately respond to threats to our campus, such as an active aggressor. Please review the information provided by the MSU Police Department regarding the options and strategies we can all use to stay safe during difficult situations. For more information, visit [MSUReady – Active Shooter](#). Students are encouraged to watch the video entitled "Run. Hide. Fight." which may be electronically accessed via the University police department's webpage: ["Run. Hide. Fight."](#)

Grade Appeal Process
