#### **Class Overview**

This course introduces students earning their Master's Degrees in Educational

Page | 2 Leadership to essential public school finance and business management principles. Students both on the principal and non-principal track must have a functional understanding of school business management and financial structures to manage programs and/or to lead buildings.

This course will include academic theory, state, and district-level best practices as the relate to practical site-level business and financial management issues. Critical thinking, problem solving skills, and sound decision-making skills will be evidenced through writing and audiovisual presentations. Technology skills and understanding of the importance of technology to managing public schools is essential.

This is a completely online/virtual class. No zoom or in-person sessions will be required, but the instructor will expect students to view supplemental instructional videos throughout the course. Four can be expected, but there may be more. Furthermore, discussion board participation and viewing of classmate presentations are also critical. The social aspect of learning is a powerful tool; we will balance it as much as possible within the confines of a virtual format.

#### **Class Structure**

Assignments have been designed to be completed within 2-week blocks. Coordinated with each assignment due date, the instructor will post a video to offer feedback on the previous assignment and specific instructions/information to prepare students for the upcoming assignment. (Very minimal assignment descriptions are included below, so it is imperative that students watch the update videos to ensure adequate understanding of the assignment.) The final assessment for this course is a 2-part TEA-connected assignment designed to prepare students for either principal certification and/or leadership at the site or departmental levels.

#### **Homework**

This course is a hybrid or online format. Significant independent work is required of students outside of class to complete assignments and be ready for in-person class times. All assignments will be submitted to D2L on Sundays at 11:59 PM.

#### **Final Exam**

The final course assessment is due May 7, 2023 at 11:59 PM.

#### **Late Work**

Prior to the assignment or class deadline, students must contact the instructor (via D2L email, preferred) with a detailed explanation regarding any late work for full credit to be considered.

In the event of an emergency, students should communicate when practical (focus on your emergency).

#### Make Up Work

Make up work sufficient to compensate for missed in-class sessions may be offered to students who miss a single class. Completely virtual classes should not

expect make-up work to be offered. Students may be required to resubmit/redo work that does not meet instructor's standards.

#### Desire-to-Learn (D2L)

Extensive use of the MSU D2L program is a part of this course. Each student is expected to be familiar with this program as it provides a primary source of communication regarding assignments, examination materials, and general course information. You can log into <u>D2L</u> through the MSU Homepage. If you

experience difficulties, please contact the technicians listed for the program or contact your instructor.

#### **Attendance**

Instructor Policy:

Page | 5 Due to the weekend format and limited in-person opportunities of this course, students are expected to attend all meetings of the classes in which they are enrolled. Students may miss one in-person class, but substitute assignment(s) will be provided to make up for class activities and/or attendance points.

#### MSU Policy:

Although in general students are graded on intellectual effort and performance rather than attendance, absences may lower the student's grade where class attendance and class participation are deemed essential by the faculty member. In those classes where attendance is considered as part of the grade, the instructor should inform students of the specifics in writing at the beginning of the semester in a syllabus or separate attendance policy statement.

An instructor who has an attendance policy must keep records on a daily basis. The instructor must give the student a verbal or written warning prior to being dropped from the class. Instructor's records will stand as evidence of absences. A student with excessive absences may be dropped from a course by the instructor. Any individual faculty member or college has the authority to establish an attendance policy, providing the policy is in accordance with the General University Policies.

#### **Online Computer Requirements**

Students must bring a laptop or equivalent device to in-person classes. Taking an online class requires you to have access to a computer (with Internet access) to complete and upload your assignments. It is your responsibility to have (or have access to) a working computer in this class. Assignments and tests are due by the due date, and personal computer technical difficulties will not be considered reason for the instructor to allow students extra time to submit assignments, tests, or discussion postings. Computers are available on campus in various areas of the buildings as well as the Academic Success Center. Your computer being down is not an excuse for missing a deadline. There are many places to access your class! Our online classes can be accessed from any computer in the world that is connected to the internet. Contact your instructor immediately upon having computer trouble. If you have technical difficulties in the course, there is also a student helpdesk available to you. The college cannot work directly on student computers due to both liability and resource limitations however they are able to help you get connected to our online services. For help, log into D2L.

#### **Instructor Class Policies**

Professional speech, behavior, and ethics are always expected. All assignments will be assessed, when applicable, not only for academic content but also for appropriateness for district-level communications, public scrutiny, and media coverage. Students must meet these high standards to be eligible for 90%-100% Page | 6 credit (A) an any assignment.

#### **Change of Schedule**

A student dropping a course (but not withdrawing from the University) within the first 12 class days of a regular semester or the first four class days of a summer semester is eligible for a100% refund of applicable tuition and fees. Dates are published in the Schedule of Classes each semester. (January 20; see <a href="Academic Calendar">Academic Calendar</a> for confirmation.)

#### **Refund and Repayment Policy**

A student who withdraws or is administratively withdrawn from Midwestern State University (MSU) may be eligible to receive a refund for all or a portion of the tuition, fees and room/board charges that were paid to MSU for the semester. HOWEVER, if the student received financial aid (federal/state/institutional grants, loans and/or scholarships), all or a portion of the refund may be returned to the financial aid programs. As described below, two formulas (federal and state) exists in determining the amount of the refund. (Examples of each refund calculation will be made available upon request).

#### **Services for Students with Disabilities**

In accordance with Section 504 of the Federal Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Midwestern State University endeavors to make reasonable accommodations to ensure equal opportunity for qualified persons with disabilities to participate in all educational, social, and recreational programs and activities. After notification of acceptance, students requiring accommodations should make application for such assistance through Disability Support Services, located in the Clark Student Center, Room 168, (940) 397-4140. Current documentation of a disability will be required in order to provide appropriate services, and each request will be individually reviewed. For more details, please go to <u>Disability Support Services</u>.

#### **College Policies**

Smoking/Tobacco Policy

College policy strictly prohibits the use of tobacco products in any building owned or operated by MSU. Adult students may smoke only in the outside designated-smoking areas at each location.

Alcohol and Drug Policy

To comply with the Drug Free Schools and Communities Act of 1989 and subsequent amendments, students and employees of Midwestern State are

Deighan, EDLE 5643/5733, Spring 2023 Page 6 1/15/2023 Verson

informed that strictly enforced policies are in place which prohibits the unlawful possession, use or distribution of any illicit drugs, including alcohol, on university property or as part of any university-sponsored activity. Students and employees are also subject to all applicable legal sanctions under local, state and federal law for any offenses involving illicit drugs on University property or at University-

Page | 7 sponsored activities.

#### Campus Carry Rules/Policies

Refer to: Campus Carry Rules and Policies

Effective August 1, 2016, the Campus Carry law (Senate Bill 11) allows those licensed individuals to carry a concealed handgun in buildings on public university campuses, except in locations the University establishes has prohibited. The new Constitutional Carry law does not change this process. Concealed carry still requires a License to Carry permit, and openly carrying handguns is not allowed on college campuses. For more information, visit Campus Carry.

#### Active Shooter

The safety and security of our campus is the responsibility of everyone in our community. Each of us has an obligation to be prepared to appropriately respond to threats to our campus, such as an active aggressor. Please review the information provided by MSU Police Department regarding the options and strategies we can all use to stay safe during difficult situations. For more information, visit MSUReady – Active Shooter. Students are encouraged to watch the video entitled "Run. Hide. Fight." which may be electronically accessed via the University police department's webpage: "Run. Hide. Fight."

#### **Grade Appeal Process**

Students who wish to appeal a grade should consult the Midwestern State University  $\underline{\sf MSU\ Catalog}$ 

#### **Notice**

Changes in the course syllabus, procedure, assignments, and schedule/office hours may be made at the discretion of the instructor.

Content Knowledge

Program provides evidence of candidate knowledge of:

- Research-based strategies for personnel supervision and evaluation
- Importance of, and the ability to access, specific personnel evaluation procedures for a given context
- Multiple approaches for providing actionable feedback and support systems for teachers

Educational Leadership Skills Program provides evidence that candidates demonstrate skills required to:

- Observe teaching in a variety of classrooms
- Gather and analyze district policies on instructional expectations
- Provide teaching staff with actionable feedback to support improvement
- Develop a system for monitoring whether supervision and evaluation strategies promote improvement

#### Standard 8: Internship

Candidates successfully complete an internship under the supervision of knowledgeable, expert practitioners that engages candidates in multiple and diverse school settings and provides candidates with coherent, authentic, and sustained opportunities

to synthesize and apply the knowledge and skills identified in NELP standards 1–7 in ways that approximate the full range of responsibilities required of building-level leaders and enable them to promote the current and future success and well-being of each student and adult in their school.

student and adult in their school.	
Competency	
Standard 8; Component 8.1	
Candidates are provided a variety of coherent,	
authentic field and/or clinical internship	
experiences within multiple school	
environments that afford opportunities to	
interact with stakeholders, synthesize and	
apply the content knowledge, and develop and	
refine the professional skills articulated in each	
of the components included in NELP building-	
level program standards 1-7.	
Standard 8; Component 8.2	
Candidates are provided a minimum of six	
months of concentrated (10–15 hours per	
week) internship or clinical experiences that	
include authentic leadership activities within a	
school setting.	
Standard 8; Component 8.3	
Candidates are provided a mentor who has	
demonstrated effectiveness as an educational	
leader within a building setting; is present for a	
significant portion of the internship; is selected	
collaboratively by the intern, a representative	
of the school and/or district, and program	
faculty; and has received training from the	
supervising institution.
