Required Assignments

Assignments	Points
Instructional Strategy Toolkit	100
Lesson Plan	100
Classroom Management Plan	100
Classroom Video Observations	100
Discussions	100
Community Engagement Opportunity	50
Total	550

Instructional Strategy Toolkit

The purpose of the Instructional Strategy Toolkit is for students to identify and research instructional strategies that are appropriate for their classroom. Students will explore different teaching strategies and provide research-based support for their use.

Lesson Plan

The purpose of the Lesson Plan is for students to demonstrate their ability to plan standards-based instructional lessons. Students will create lesson objectives and plan developmentally appropriate instructional strategies that are aligned with the appropriate Texas Essential Knowledge and Skills standards.

Video Observations and Best Practices Reflections

The purpose of the Video Observations and Best Practices Reflections is for students to

observe teachers' classroom management strategies and reflect on how the observed strategies align with educational research. The student will conduct video observations of classrooms and complete a reflection.

Classroom Management Plan

The purpose of the Classroom Management Plan is for students to demonstrate their ability to create a safe and effective classroom learning environment. Students will use research-based strategies to design classroom rules, expectations, and routines. Students will design a physical classroom that is appropriate for learners and plan for communicating classroom management procedures to students and families.

Community Engagement Opportunity – Miracle League, Spring Learning Day or other approved event/activity

Students may choose to participate in a community-based inclusive experience through the Miracle League, Spring Learning Day at MSU or another approved event/activity. This opportunity allows pre-service teachers to observe and practice positive behavior supports, relationship-building, and inclusive strategies with children of diverse abilities.

Students must submit verification and a written reflection connecting their experience to course frameworks such as PBIS, Conscious Discipline, CHAMPS, Capturing Kids' Hearts, or restorative practices.

Submitted Work

Correct spelling and use of appropriate grammatical skills are expected on each written assignment or project. Most of the assignments/projects will be typed and utilize an appropriate style (*Times New Roman, 12 point font, double spaced*). Assignments that are handwritten need to be eligible, neat and clean. **Unacceptable work will be returned, un-graded, or lead to reduction in grade.** In addition, plagiarized or copied work will receive a grade of ZERO with no make-up allowed.

Late Work

Assignments are expected to be turned in by the due date. Ten percent of the total points will be deducted per day late, and any assignment submitted more than two weeks late will not be accepted. **Arrangements must be made at least two days in advance for any exceptions to be given.** (*If you cannot complete assignments on time or attend class because of COVID exposure or COVID type symptoms, you must inform the instructor before the assignment is due to receive any extension. If you miss class or fail to submit an assignment on time because of COVID, you must submit a doctor's note to the instructor within one week of the assignment due date to receive an extension.*)

Written Work

All written work should be completed in a professional style. Using correct spelling and grammar are important writing skills you must know well because your students will learn from you. Therefore, all written assignments will have 10% -20% of the grade based on spelling and grammar. Expectations are for quality work.

Instructor Use of Generative AI

I integrate generative AI into my teaching to enhance—not replace—human learning, creativity, and critical thinking. I use AI applications as collaborative partners for ideation, drafting, feedback, and the refinement of teaching materials, while maintaining full responsibility for content and accuracy. I do not use this technology to assess student work. I do not input other people's work or personally identifiable information into AI tools. My approach emphasizes ethical, transparent use aligned with academic integrity, equity, and the development of transferable skills. I also aim to model responsible engagement with emerging technologies, emphasizing thoughtful boundaries rather than rigid prohibitions. I strive for transparency around AI use by adding AI disclosure statements and/or citations to all work generated for this course in collaboration with AI tools.

Student Use of Generative AI

The use of artificial intelligence applications, including but not limited to ChatGPT, Claude, Gemini, DALL·E, Grammarly, or similar applications, may be used for planning activities such as brainstorming, outlining, and idea development. However, all final submissions should show evidence that students have developed and refined these ideas on their own without additional generative AI use. Students are expected to apply what they are learning in this course to produce work for this class, drawing on their developing knowledge, understanding, and skills. When using generative AI in permitted contexts as outlined in the syllabus or explicitly permitted by the instructor, you are responsible for ensuring that AI-generated content is properly cited, accurate, ethical, and free of misinformation or intellectual property violations. AI-generated content must never be submitted as your own work. Doing so may constitute a violation of academic integrity and may be referred to the Office of Student Conduct. Please contact me if you have questions regarding this course policy.

Any generative AI use should be cited *AND* clearly disclosed according to the instructions in this syllabus. An example of an APA citation (7th ed. format) is seen here: OpenAI. (2025). ChatGPT (May 2024 version) [Large language model]. <https://chat.openai.com>

Important Dates

Last day for term schedule changes: February 2nd
Deadline to file for graduation: February 16th

Last Day to drop with a grade of "W:" April 29th at 4:00 PM

Refer to: [Drops, Withdrawals & Void](#)

Attendance

Students are expected to attend all meetings of the classes in which they are enrolled. Although in general students are graded on intellectual effort and performance rather than attendance, absences may lower the student's grade where class attendance and class participation are deemed essential by the faculty member. In those classes where attendance is considered as part of the grade, the instructor should inform students of the specifics in writing at the beginning of the semester in a syllabus or separate attendance policy statement. An instructor who has an attendance policy must keep records on a daily basis. The instructor must give the student a verbal or written warning prior to being dropped from the class. Instructor's records will stand as evidence of absences. A student with excessive absences may be dropped from a course by the instructor. Any individual faculty member or college has the authority to establish an attendance policy, providing the policy is in accordance with the General University Policies.

Online Computer Requirements

Taking this class requires you to have access to a computer (with Internet access) to complete and upload your assignments. It is your responsibility to have (or have access to) a working computer in this class. ***Assignments and tests are due by the due date, and personal computer technical difficulties will not be considered reason for the instructor to allow students extra time to submit assignments, tests, or discussion postings.*** Computers are available on campus in various areas of the buildings as well as the Academic Success Center. **Your computer being down is not an excuse for missing a deadline!!** There are many places to access your class! Our online class page can be accessed from any computer in the world which is connected to the internet. Contact your instructor immediately upon having computer trouble. If you have technical difficulties in the course, there is also a student helpdesk available to you. The college cannot work directly on student computers due to both liability and resource limitations however they are able to help you get connected to our online services. For help, log into [D2L](#).

Instructor Class Policies

Students are expected to assist in maintaining a classroom environment which is conducive to learning. In order to assure that all students have the opportunity to gain from time spent in class, unless otherwise approved by the instructor, students are prohibited from engaging in any form of distraction—this includes, but is not limited to, pagers and cell phones. Electronic communications devices will be turned off anytime the class member is in the school building—in our classroom or in a field experience classroom. Inappropriate behavior in the

classroom shall result, minimally, in a request to leave class and a Professional Fitness Form will be filed for review with the college. If the instructor must file a Fitness Alert Form for any reason, including failure to demonstrate appropriate teaching dispositions, the student may receive an instructor drop with an "F" for the course.

An instructor may drop a student any time during the semester for excessive absences, for consistently failing to meet class assignments, for an indifferent attitude, or for disruptive conduct. The instructor must give the student a verbal or written warning prior to dropping the student from the class. An instructor's drop of a student takes precedence over the student-initiated course drop of a later date. The instructor will assign a grade of either WF or F through the first 8 weeks of a long semester, the first 6 weeks of a 10 week summer term, or the 11th class day of a 4 or 5 week summer term consisting of 20 days. After these periods the grade will be an F. The date the instructor drop form is received in the Office of the Registrar is the official drop date.

Inclement Weather

In the case of campus closure due to inclement weather, please log on to D2L to check whether any changes will be made to course assignments and due dates. Changes will be posted in the NewsFeed on D2L and will be emailed to students. Depending on the date, online assignments may be required to complete if meeting face-to-face is not possible.

Change of Schedule

A student dropping a course (but not withdrawing from the University) within the first 12 class days of a regular semester or the first four class days of a summer semester is eligible for a 100% refund of applicable tuition and fees. Dates are published in the [Schedule of Classes](#) each semester.

Refund and Repayment Policy

A student who withdraws or is administratively withdrawn from Midwestern State University (MSU) may be eligible to receive a refund for all or a portion of the tuition, fees and room/board charges that were paid to MSU for the semester. HOWEVER, if the student received financial aid (federal/state/institutional grants, loans and/or scholarships), all or a portion of the refund may be returned to the financial aid programs. As described below, two formulas (federal and state) exists in determining the amount of the refund. (Examples of each refund calculation will be made available upon request).

Services for Students with Disabilities

In accordance with Section 504 of the Federal Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Midwestern State University endeavors to make reasonable accommodations to ensure equal opportunity for qualified persons with disabilities to participate in all educational, social, and recreational programs and activities. After notification of acceptance, students requiring

accommodations should make application for such assistance through Disability Support Services, located in the Clark Student Center, Room 168, (940) 397-4140. Current documentation of a disability will be required in order to provide appropriate services, and each request will be individually reviewed. For more details, please go to [Disability Support Services](#).

Active Shooter

The safety and security of our campus is the responsibility of everyone in our community. Each of us has an obligation to be prepared to appropriately respond to threats to our campus, such as an active aggressor. Please review the information provided by MSU Police Department regarding the options and strategies we can all use to stay safe during difficult situations. For more information, visit [Safety / Emergency Procedures](#). Students are encouraged to watch the video entitled "Run. Hide. Fight." which may be electronically accessed via the University police department's webpage: ["Run. Hide. Fight."](#)

Obligation to Report Sex Discrimination under State and Federal Law

Midwestern State University is committed to providing and strengthening an educational, working, and living environment where students, faculty, staff, and visitors are free from sex discrimination of any kind. State and federal law require University employees to report sex discrimination and sexual misconduct to the University's Office of Title IX. As a faculty member, I am required to report to the Title IX Coordinator any allegations, personally observed behavior, or other direct or indirect knowledge of conduct that reasonably may constitute sex discrimination or sexual misconduct, which includes sexual assault, sexual harassment, dating violence, or stalking, involving a student or employee. After a report is made, the office of Title IX will reach out to the affected student or employee in an effort to connect such person(s) with resources and options in addressing the allegations made in the report. You are also encouraged to report any incidents to the office of Title IX. You may do so by contacting:

Smoking/Tobacco Policy

College policy strictly prohibits the use of tobacco products in any building owned or operated by MSU. Adult students may smoke only in the outside designated-smoking areas at each location.

Alcohol and Drug Policy

To comply with the Drug Free Schools and Communities Act of 1989 and subsequent amendments, students and employees of Midwestern State are informed that strictly enforced policies are in place which prohibits the unlawful possession, use or distribution of any illicit drugs, including alcohol, on university property or as part of any university-sponsored activity. Students and employees are also subject to all applicable legal sanctions under local, state and federal law for any offenses involving illicit drugs on University property or at University-sponsored activities.

Grade Appeal Process

Students who wish to appeal a grade should consult the Midwestern State University [MSU Catalog](#)
