Course Description

A beginning course in the development of fundamental speaking, listening, reading, and writing skills in the Spanish language and an introduction to Hispanic cultures. The language teaching community agrees that learning language and culture are inextricably connected. Thus, this course focuses on developing students' Spanish-language proficiency through modes of communication that reflect real life communication in the varied cultures of the Spanish-speaking world. By employing interpersonal, interpretive, and presentational communicative modes in Spanish, students will explore the ideas, values, beliefs, and other cultural aspects of Spanish-speaking peoples across the world and how these aspects work together to affect human experience.

Course Objectives/Learning Outcomes/Course Competencies

By the end of the course, students will have developed solid competencies in each of the five goal areas (the five C's): Communication, Cultures, Connections, Comparisons, and Communities. Main objectives include:

1. Ability to comprehend and respond to basic conversational patterns
2. Proficiency and knowledge of basic grammatical structures and terminologies
3. Basic proficiency in reading and writing the language
4. Knowledge of significant cultural practices and historical events from the Spanish-speaking world
5. Ability to use technology for e-mail and research of selected topics in Spanish
6. Ability to use the [VHL Central Supersite](#) for oral and written practice of Spanish.

Specific outcomes of the course are the following:

Introducing yourself, greeting and saying goodbye to friends, learning courtesy expressions, talking about yourself and others, spelling your name, performing simple math problems, asking, and telling time

Describing your university and classroom, exchanging information about courses of study, talking about the calendar and dates, asking, and responding to simple questions

- Talking about your family and friends, describing yourself, other people, and things, saying how old you and others are, talking about things that belong to you and others.
- Talking about pastimes, weekend activities, and sports, talking about what you are going to do, planning activities, extending invitations, apologizing.
- Talking about your vacation plans, describing a hotel, talking about how you and others feel, describing some aspects of your daily routine.
- Describing and illustrating aspects of the cultures of Spanish-speaking countries and making comparisons between cultures using basic linguistic structures and vocabulary in the target language.
- Evaluating personal values, behaviors, and worldviews on the socio-cultural topics presented and comparing these to those of Spanish-speakers.

Study Hours and Tutoring Assistance

In addition to time spent on homework, approximately one hour of daily study is suggested for success in this course. You are welcome to come to my office when you have questions about topics presented in class. Tutoring is also available for free with the Tutoring & Academic Support Program's Learning Center located on the 1st floor of Moffett Library. Academic Misconduct Policy & Procedures

Academic Dishonesty: Cheating, collusion, and plagiarism (the act of using source material of other persons, either published or unpublished, without following the accepted techniques of crediting, or the submission for credit of work not the individuals to whom credit is given). AI-generated submissions (e.g., ChatGPT) are not permitted and will be treated as plagiarism. Additional guidelines on procedures in these matters may be found in the Office of Student Conduct. [Office of Student Conduct](#)

Grading/Assessment

Course Grade: The following components make up the course grade. The number of quizzes and graded homework assignments will vary according to the discretion of the instructor. You can monitor your grades throughout the semester in the D2L gradebook.

Table 1: Percentage allocated to each element of the course.

Elements of the Course Grade	% of Course Grade
Attendance	5%
Class Participation	5%
Homework Assignments (VHL Central Supersite)	5%
Quizzes (In-class)	10%
Midterm Exam (Lecciones 1-3)	20%
Language Lab Quizzes (Bea Wood 128)	5%
Exam II (Lecciones 4-5)	20%
Comprehensive Final Exam (Lecciones 1-5)	30%

Table 2: Percentages for final grade.

Grade	Percentage
A	90-100%
B	80-89%
C	70-79%
D	60-69%
F	Less than 60%

Homework

You will have almost daily homework assignments on the [VHL Central Supersite](#). Some of the assignments are for the presentation of vocabulary and/or tutorials for grammar topics. These assignments include written, audio and video activities. The purpose of these assignments is to help you learn the material, so you should use all the VHL resources (vText, vocabulary cards, etc.) to complete these "homework" type activities.

Each assignment is to be completed by the start of class time on the due date (see calendar/dashboard in [VHL Central Supersite](#)). Homework completed after the due date will be accepted but with a 5% penalty assessed for each day, past the original due date for that assignment. For each lesson in the [VHL Central Supersite](#), an average of all the homework

assignments for that lesson will be recorded in the D2L course gradebook. Once the lesson grade has been recorded in the D2L gradebook, no late work will be accepted. These lesson grades contribute 5 % to your course grade. You are welcome to work ahead in the online program. I drop your lowest grade in this category at the end of the semester.

Quizzes

Five quizzes based on homework and class work will be given in class. These quizzes contribute 10% to your course grade. No late work is accepted, and no make up quizzes are given

Core Curriculum Assessment

One of the D2L Quizzes will also serve as an assessment of the student's performance of the core curriculum objectives in the specific context of this course. The answer quiz will be based upon a film or article(s) or topics will present students with an ethical dilemma or issue for resolution. In their responses, students should demonstrate that they have adequately researched and considered the topic in the framework of the core curriculum objectives

The core objectives for the Language, Philosophy and Culture Foundational Component Area are addressed in this course according to the following descriptions:

- Critical Thinking Skills: Students will demonstrate creative thinking, innovation, inquiry and analysis, evaluation, and synthesis of information.
- Communication Skills: Students will demonstrate effective development, interpretation, and expression of ideas through written, oral, and visual communication.
- Personal Responsibility: Students will demonstrate the ability to connect choices, actions, and consequences to ethical decision making.
- Social Responsibility: Students will demonstrate intercultural competence, knowledge of civic responsibility and the ability to engage effectively in regional, national, and global communities.

In responding to the topic, students must identify their core beliefs and the origins of those core beliefs, recognize the ethical issue(s) presented and the relationships between issues, state a position on the issue(s) and connect their position to implied actions and consequences¹.

Language Lab Quizzes

You will take five listening comprehension quizzes in the World Languages Laboratory in Bea Wood 127/128. The quizzes are based on videos related to the vocabulary, grammar and cultural concepts presented in each lesson. You may preview these videos at the [VHL Central Supersite](#) and you will need to access the site in the Language Laboratory to complete your quizzes.

Please show your MSU Student ID to the lab attendant to receive your quiz. You will receive a quiz and a Scantron. Please do not write on the quiz. After you complete the quiz, please sign out at the lab attendant's desk. These quizzes contribute 5% to your course grade.

¹ Modified from AAC&U Ethical Responsibility VALUE Rubric.

Make-up and/or late quizzes are not permitted. I will drop the lowest grade in this category at the end of the semester. Note that the lab may close 30 minutes prior to the posted closing time if no student has arrived by that time.

Midterm Exam

The midterm exam covers all material covered in Lessons 1-3 through Gramática 3.2 and consists of a multiple choice, matching, and/or true false portion and a written/short answer portion. Each portion is worth approximately 50% of the exam grade. The midterm exam contributes 20% to the final course grade.

Exam II

The exam II covers all material covered in lessons 4-5 and consists of a a multiple choice, matching, and/or true false portion and a written/short answer portion. Each portion is worth approximately 50% of the exam grade. The Exam II contributes 20% to the final course grade.

Final Exam

The comprehensive final exam covers all materials studied during the course. The exam consists of a multiple choice, matching, and/or true false portion and a written/short answer portion. Each portion is worth approximately 50% of the exam grade. The Final Exam contributes 30% to the final course grade. The location will be announced during the final week of classes.

Extra Credit

No extra credit assignments are given to individuals that are not offered to the entire class. Any extra credit assignment will be offered at the discretion of the instructor.

Late Work

No late work is accepted apart from homework assignments completed in the [VHL Central Supersite](#). Individual assignments are accepted with a 5% late penalty per day until the due date for the last assignment for each lesson. Please see the calendar at the [VHL Central Supersite](#)

Make Up Work/Quizzes

No make-up work is accepted, and no make-up quizzes tests will be offered. Please see Attendance.

Inclement Weather Policy

If campus closes due to inclement weather, please check your e-mail and the course's D2L page for updates and procedures. If campus were to be closed more than two consecutive class days, it is possible that I might hold class via Zoom (in D2L) so that we would not fall too far behind the class schedule outlined in this syllabus.

Attendance

You are required to be in class for the entire 50-minute period. Arrive on time. I may count you absent if you are more than 10 minutes late for class or if you leave class early.

Absences due to official university functions or illness will be dealt with on an individual basis and should be discussed with the instructor outside of class time. There are no “excused” absences from regular class periods, and the instructor will take attendance every day. Each absence lowers your attendance grade. The attendance grade is calculated by dividing the

number of days that you are in class by the number of days that the course meets. (Example for 2 absences out of a total of 57 class days: $55/57 = .9649... = 96.49\%$). The attendance grade contributes 5% to the final course grade.

This syllabus serves as notice that you may be dropped you from the class without further notification if you are absent more than six times. In other words , you will fail the course . A Conduct and Attendance Referral may be sent to the Dean of Students upon the fourth absence. If you decide to drop the course, you must follow university procedure for dropping a course to receive a W. If the instructor drops you, you will receive a WF or F.

Participation

The participation grade contributes 5% to your course grade and is based upon your use of Spanish in the classroom. Don't worry about speaking perfect Spanish. Accuracy will come with practice and repetition.

Instructor Class Policies

Please be polite to your instructor and fellow students. Pay attention to the instructor and to your fellow students when they are speaking. Do not engage your classmates in conversation in English during class.

Please silence your devices during class. Text messaging or the use of non-authorized electronic devices is prohibited. Please speak with your instructor if you have questions.

No food or drinks, except for water, are allowed in our classrooms.

Change of Schedule

A student dropping a course (but not withdrawing from the University) within the first 12 class days of a regular semester or the first four class days of a summer semester is eligible for a 100% refund of applicable tuition and fees. Dates are published in the [Schedule of Classes](#) each semester.

Refund and Repayment Policy

A student who withdraws or is administratively withdrawn from Midwestern State University (MSU) may be eligible to receive a refund for all or a portion of the tuition, fees and room/board charges that were paid to MSU for the semester. **HOWEVER**, if the student received financial aid (federal/state/institutional grants, loans, and/or scholarships), all or a portion of the refund may be returned to the financial aid programs. As described below, two formulas (federal and state) exist in determining the amount of the refund. (Examples of each refund calculation will be made available upon request).

Services for Students with Disabilities

In accordance with Section 504 of the Federal Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Midwestern State University endeavors to make reasonable accommodations to ensure equal opportunity for qualified persons with disabilities to participate in all educational, social, and recreational programs and activities. After notification of acceptance, students requiring accommodations should make application for such assistance through Disability Support Services, located in the Clark Student Center, Room 168, (940) 397-4140. Current documentation of disability will be required in order to

provide appropriate services, and each request will be individually reviewed. For more details, please go to [Disability Support Services](#).

Students and employees are also subject to all applicable legal sanctions under local, state, and federal law for any offenses involving illicit drugs on university property or at university-sponsored activities.

Campus Carry

Effective August 1, 2016, the Campus Carry law (Senate Bill 11) allows those licensed individuals to carry a concealed handgun in buildings on public university campuses, except in locations the University establishes has prohibited. The new Constitutional Carry law does not change this process. Concealed carry still requires a License to Carry permit, and openly carrying handguns is not allowed on college campuses. For more information, visit [Campus Carry](#).

Active Shooter

The safety and security of our campus is the responsibility of everyone in our community. Each of us has an obligation to be prepared to appropriately respond to threats to our campus, such as an active aggressor. Please review the information provided by MSU Police Department regarding the options and strategies we can all use to stay safe during difficult situations. As a faculty member, I am required to report to the Title IX Coordinator any allegations, personally observed behavior, or other direct or indirect knowledge of conduct that reasonably may constitute sex discrimination or sexual misconduct, which includes sexual assault, sexual harassment, dating violence, or stalking, involving a student or employee. After a report is made, the office of Title IX will reach out to the affected student or employee in an effort to connect such person(s) with resources and options in addressing the allegations made in the report.
