Homework

You will have almost daily homework assignments on the [VHL Central Supersite](#). Some of the assignments are for the presentation of vocabulary and/or tutorials for grammar topics. These assignments include written, audio and video activities. The purpose of these assignments is to help you learn the material, so you should use all the VHL resources (vText, vocabulary cards, etc.) to complete these “homework” type activities.

Each assignment is to be completed by **the start of class time on the due date** (see calendar/dashboard in [VHL Central Supersite](#)). Homework completed after the due date will be accepted but with a 5% penalty assessed for each day past the original due date for that assignment. For each lesson in the [VHL Central Supersite](#), an average of all the homework assignments for that lesson will be recorded in the D2L course gradebook. Once the lesson grade has been recorded in the D2L gradebook, no late work will be accepted. These lesson grades contribute 10 % to your course grade. You are welcome to work ahead in the online program. Your lowest grade in this category will be dropped at the end of the semester.

Quizzes

Frequent quizzes based on homework and class work will be given either in class or in D2L (Desire to Learn). If the quiz is given in D2L, it will be available on Friday by 5:00 pm and will be due by the start of class on Monday. The quizzes are not listed in the course calendar but will be announced in class at least the day prior and posted in the “News” section of our D2L page. These quizzes (both in class and D2L) contribute 10% to your course grade. No late work is accepted, and no make-up quizzes are given. Your lowest grade in this category will be dropped at the end of the semester.

Core Curriculum Assessment

One of the D2L Quizzes will also serve as an assessment of the student’s performance of the core curriculum objectives in the specific context of this course. The short answer quiz will be based upon a film or article(s) that I will assign around the middle of the semester. The film or article(s) will present students with an ethical dilemma or issue for resolution. In their responses, students should demonstrate that they have adequately researched and considered the topic in the framework of the core curriculum objectives. AI-generated submissions (e.g., ChatGPT) are not permitted and will be treated as plagiarism.

The core objectives for the Language, Philosophy and Culture Foundational Component Area are addressed in this course according to the following descriptions:

- **Critical Thinking Skills:** Students will demonstrate creative thinking, innovation, inquiry and analysis, evaluation, and synthesis of information.
- **Communication Skills:** Students will demonstrate effective development, interpretation, and expression of ideas through written, oral, and visual communication.
- **Personal Responsibility:** Students will demonstrate the ability to connect choices, actions, and consequences to ethical decision making.
- **Social Responsibility:** Students will demonstrate intercultural competence, knowledge of civic responsibility and the ability to engage effectively in regional, national, and global communities.

In responding to the topic, students must identify their core beliefs and the origins of those core beliefs, recognize the ethical issue(s) presented and the relationships between issues, state a position on the issue(s) and connect their position to implied actions and consequences¹.

In-Class Writing Assignments

Students will complete an in-class, pen/pencil, and paper writing assignment at the end of each lesson. You will be given information and a prompt to help you organize your writing. These assignments contribute 10% to your course grade. No late work is accepted, and no make-up assignments will be given. You must be in class to complete these assignments. Your lowest grade in this category will be dropped at the end of the semester.

Speaking Assignments/Oral Interviews

Per the instructor’s preference, students will complete either two oral interviews with the instructor or two speaking assignments or a combination of an oral interview and a speaking assignment to evaluate students’ progress toward proficiency in speaking Spanish. The first interview/assignment will be completed approximately half-way through the semester and the second at the end of the semester. These interviews/speaking assignments contribute 10% to your course grade. No late work is accepted, and no make-up assignments will be given. You must be in class or meet with the instructor at the agreed upon time to complete these assignments/interviews. No grades are dropped from this category. Also, it is important to practice speaking every day in class with your classmates and the instructor to be comfortable speaking Spanish and to increase your proficiency. Perfection is not the expectation, but consistent and regular participation are expected and required to do well in this course.

Language Lab Quizzes

You will take five listening comprehension quizzes in the World Languages Laboratory in Bea Wood 127/128. The quizzes are based on videos related to the vocabulary, grammar and cultural concepts presented in each lesson. You may preview these videos at the [VHL Central Supersite](#) and you will need to access the site in the Language Laboratory to complete your quizzes.

Please show your MSU Student ID to the lab attendant to receive your quiz. You will receive a quiz and a Scantron. Please do not write on the quiz. After you complete the quiz, please sign out at the lab attendant’s desk. These quizzes contribute 5% to your course grade. Make-up and/or late quizzes are not permitted. Your lowest lab grade will be dropped at the end of the semester. Please note the due dates below as well as the following lab schedule. Note that the lab may close 30 minutes prior to the posted closing time if no student has arrived by that time.

The midterm exam is scheduled for **Thursday, Oct. 26, and Friday, Oct. 27, during our regular class time.**

Final Exam

The comprehensive final exam covers all materials studied during the course. The exam consists of a multiple choice, matching, and/or true false portion and a written/short answer portion. Desire-to-Learn (D2L)

Extensive use of the MSU D2L program is a part of this course. Each student is expected to be familiar with this program as it provides a primary source of communication regarding assignments, examination materials, and general course information. You can log into [D2L](#) through the MSU Homepage. If you experience difficulties, please contact the technicians listed for the program or contact your instructor.

Attendance

You are required to be in class for the entire 50-minute period. Arrive on time. You may be counted absent if you are more than 10 minutes late for class or if you leave class early.

Absences due to official university functions or illness will be dealt with on an individual basis and should be discussed with the instructor outside of class time. There are no "excused" absences from regular class periods and the instructor will take attendance every day. Each

absence lowers your attendance grade. The attendance grade is calculated by dividing the number of days that you are in class by the number of days that the course meets. (Example for 2 absences out of a total of 57 class days: $55/57 = .9649\dots = 96.49\%$). The attendance grade contributes 5% to the final course grade.

This syllabus serves as notice that you may be dropped from the class without further notification if you are absent more than six times. A Conduct and Attendance Referral may be sent to the Dean of Students upon the fourth absence. If you decide to drop the course, you must follow university procedure for dropping a course to receive a W. If the instructor drops you, you will receive a WF or F.

Participation

The participation grade contributes 10% to your course grade and is based upon your use of Spanish in the classroom. Don't worry about speaking perfect Spanish. Accuracy will come with practice and repetition. Active participation in class in Spanish will be awarded by the instructor in the form of *papelitos* (*little slips of paper*). At the end of the semester, you should have 100 points for 100% participation. *Papelitos* are awarded for your active participation in classroom activities in Spanish and for your interaction with the instructor in Spanish. You will write your name on each *papelito* that you receive and turn them in at the end of each class period. I will record *papelitos* earned each week and post your total in the D2L gradebook so that you can monitor your progress.

Instructor Class Policies

Please be polite to your instructor and fellow students. Pay attention to the instructor and to your fellow students when they are speaking. Do not engage your classmates in conversation in English during class.

Please silence your devices during class. Text messaging or the use of non-authorized electronic devices is prohibited. Please speak with your instructor if you have questions.

No food or drinks, except for water, are allowed in our classrooms.

Change of Schedule

A student dropping a course (but not withdrawing from the University) within the first 12 class days of a regular semester or the first four class days of a summer semester is eligible for a 100% refund of applicable tuition and fees. Dates are published in the [Schedule of Classes](#) each semester.

Refund and Repayment Policy

A student who withdraws or is administratively withdrawn from Midwestern State University (MSU) may be eligible to receive a refund for all or a portion of the tuition, fees and room/board charges that were paid to MSU for the semester. HOWEVER, if the student received financial aid (federal/state/institutional grants, loans and/or scholarships), all or a portion of the refund may be returned to the financial aid programs. As described below, two formulas (federal and state) exist in determining the amount of the refund. (Examples of each refund calculation will be made available upon request).

Services for Students with Disabilities

In accordance with Section 504 of the Federal Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Midwestern State University endeavors to make reasonable accommodations to ensure equal opportunity for qualified persons with disabilities to participate in all educational, social, and recreational programs and activities. After notification of acceptance, students requiring accommodations should make application for such assistance through Disability Support Services, located in the Clark Student Center, Room 168, (940) 397-4140. Current documentation of a disability will be required in order to provide appropriate services, and each request will be individually reviewed. For more details, please go to [Disability Support Services](#).

University Policies

Smoking/Tobacco Policy

University policy strictly prohibits the use of tobacco products in any building owned or operated by MSU TEXAS. Adult students may smoke only in the outside designated-smoking areas at each location.

Alcohol and Drug Policy

To comply with the Drug Free Schools and Communities Act of 1989 and subsequent amendments, students and employees of Midwestern State are informed that strictly enforced policies are in place which prohibits the unlawful possession, use or distribution of any illicit drugs, including alcohol, on university property or as part of any university-sponsored activity. Students and employees are also subject to all applicable legal sanctions under local, state and federal law for any offenses involving illicit drugs on University property or at University-sponsored activities.

Campus Carry

Effective August 1, 2016, the Campus Carry law (Senate Bill 11) allows those licensed individuals to carry a concealed handgun in buildings on public university campuses, except in locations the University establishes has prohibited. The new Constitutional Carry law does not change this process. Concealed carry still requires a License to Carry permit, and openly carrying handguns is not allowed on college campuses. For more information, visit [Campus Carry](#).

The safety and security of our campus is the responsibility of everyone in our community. Each of us has an obligation to be prepared to appropriately respond to threats to our campus, such as an active aggressor.
