Course Description

Continuation of SPAN 1134. The language teaching community agrees that learning language and culture are inextricably connected. Thus, this course focuses on developing students' Spanish-language proficiency through modes of communication that reflect real life communication in the varied cultures of the Spanish-speaking world. By employing interpersonal, interpretive, and presentational communicative modes in Spanish, students will explore the ideas, values, beliefs, and other cultural aspects of Spanish-speaking peoples across the world and how these aspects work together to affect human experience.

Course Objectives/Learning Outcomes/Course Competencies

By the end of the course, students will have developed solid competencies in each of the five goal areas (the five C's): Communication, Cultures, Connections, Comparisons, and Communities.

Main objectives include:

1. Ability to comprehend and respond to basic conversational patterns
2. Proficiency and knowledge of basic grammatical structures and terminologies
3. Basic proficiency in reading and writing the language
4. Knowledge of significant cultural practices and historical events from the Spanish-speaking world
5. Ability to use technology for e-mail and research of selected topics in Spanish
6. Ability to use the [VHL Central Supersite](#) for oral and written practice of Spanish

Specific outcomes of the course are the following:

- Use the past tense to narrate events that took place, talk about clothing items and shopping for clothing including methods of payment
- Talk about daily routines and personal hygiene, reassure someone, tell where you went.
- Talk about food, order at a restaurant, discuss familiar people and places
- Talk about celebrations and personal relationships, express congratulations, ask for the bill in a restaurant, express gratitude
- Discuss medical conditions, talk about parts of the body, talk about health and medical visits
- Describe and illustrate aspects of the cultures of Spanish-speaking countries and make comparisons between these cultures and their own culture(s) using basic linguistic structures and vocabulary in the target language
- Evaluate their own values, behaviors and worldviews on the socio-cultural topics presented and compare these to those of Spanish-speakers

Study Hours and Tutoring Assistance

In addition to time spent on homework, approximately one hour of daily study is suggested for success in this course. You are welcome to come to my office or meet with me via Zoom when you have questions about topics presented in class. Before you visit me for tutoring, please make sure you have watched the tutorials/presentations at the [VHL Central Supersite](#). Tutoring is also available for free with the Tutoring & Academic Support Program's Learning Center located on the 1st floor of Moffett Library. You can find more information about tutoring and the center's hours of operation at [MSU TASP On Campus Tutoring](#).

Academic Misconduct Policy & Procedures

Academic Dishonesty: Cheating, collusion, and plagiarism (the act of using source material of other persons, either published or unpublished, without following the accepted techniques of crediting, or the submission for credit of work not the individuals to whom credit is given). AI-generated submissions (e.g., ChatGPT) are not permitted and will be treated as plagiarism. Additional guidelines on procedures in these matters may be found in the Office of Student Conduct. [Office of Student Rights and Responsibilities](#)

Table 2: Percentages for final grade.

Attendance and Participation

Attendance and participation in class count 15% toward the grade for this course. You are required to be in class for the entire 50-minute period. Arrive on time. You may be counted as absent if you are more than 10 minutes late for class or if you leave class early. The instructor will track your attendance and record it in D2L.

Absences due to official university functions, illness, or other situations will be dealt with on an individual basis, should be discussed with the instructor outside of class time, and must be documented to be considered excused and not negatively impact your Attendance and Participation Grade.

This syllabus serves as notice that you may be dropped from the class without further notification if you are absent more than six times. A Conduct and Attendance Referral may be sent to the Dean of Students upon the fourth absence. If you decide to drop the course, you must follow the university procedure for dropping a course to receive a W. Visit the Registrar's Office or follow these instructions: [How to Drop a Class](#). If the instructor drops you, you will receive a WF or F.

Participation is regular, daily use of Spanish in the classroom in pair and group activities with classmates and when interacting with the instructor. Do not be concerned if your use of Spanish is less than perfect. Accuracy and pronunciation will develop with practice. The goal of participation is practice and progress, not perfection. Participation also includes class discussions, notetaking, and copying materials when requested.

You will record your attendance and assess your participation using the Attendance and Participation Self-Reporting Rubric (example on last page of this syllabus) on a weekly basis. I reserve the right to alter your grade for the week if I feel that you did not accurately complete the self-assessment. You have the right to contest any change I make, but I ask that you come to my office hours or make an appointment with me to do so.

Homework

You will have almost daily homework assignments on the [VHL Central Supersite](#). Some of the assignments are for the presentation of vocabulary and/or tutorials for grammar topics. These assignments include written, audio and video activities. The purpose of these assignments is to help you learn the material, so you should use all the VHL resources (textbook, vocabulary cards, notes, Power Points etc.) to complete these homework activities.

Each assignment is to be completed by the *start of class time on the due date (see the calendar/dashboard on the [VHL Central Supersite](#)). Homework completed after the due date will be accepted but with a 5% penalty assessed for each day, past the original due date for that assignment. For each lesson in the [VHL Central Supersite](#), an average of all the homework assignments for that lesson will be recorded in the D2L course gradebook. Once the lesson grade has been recorded in the D2L gradebook, no late work will be accepted. These lesson grades contribute 10 % to your course grade. You are welcome to work ahead in the online program. I will drop your lowest grade in this category at the end of the semester.

Quizzes

Frequent quizzes, typically once weekly, based on homework and class work will be given either in class or in D2L. If the quiz is given in D2L, it will be available on Friday at 5:00 pm and will be due by the start of class on Monday. The quizzes are not listed in the course calendar but will be announced in class at least the day prior and posted in the “News” section of our D2L page. These quizzes (both in class and D2L) contribute 10% to your course grade. No late work is accepted, and no make-up quizzes are given. I will drop your lowest grade in this category at the end of the semester.

Core Curriculum Assessment

One of quizzes will also serve as an assessment of the students’ performance of the core curriculum objectives in the specific context of this course. This assessment will be conducted in English. The question and short answer quiz will be based upon a film, article(s), or project that I will assign around the middle of the semester. The film, article(s), or project will present students with an ethical dilemma or issue for resolution. In their responses, students should demonstrate that they have adequately researched and considered the topic in the framework of the core curriculum objectives. AI-generated submissions (e.g., ChatGPT, Gemini, Claude) are not permitted and will be treated as plagiarism.

The core objectives for the Language, Philosophy and Culture Foundational Component Area are addressed in this course according to the following descriptions:

- Critical Thinking Skills: Students will demonstrate creative thinking, innovation, inquiry and analysis, evaluation, and synthesis of information.
- Communication Skills: Students will demonstrate effective development, interpretation, and expression of ideas through written, oral, and visual communication.
- Personal Responsibility: Students will demonstrate the ability to connect choices, actions, and consequences to ethical decision making.
- Social Responsibility: Students will demonstrate intercultural competence, knowledge of civic responsibility and the ability to engage effectively in regional, national, and global communities.

In responding to the topic, students must identify their core beliefs and the origins of those core beliefs, recognize the ethical issue(s) presented and the relationships between issues, state a position on the issue(s) and connect their position to implied actions and consequences¹.

In-Class Writing Assignments

Students will complete an in-class, pen/pencil, and paper writing assignment toward the end of each lesson. You will be given information and a prompt to help you organize your writing. These assignments contribute 10% to your course grade. No late work is accepted, and no make-up assignments will be given. You must be in class to complete these assignments. I will drop your lowest grade in this category at the end of the semester.

¹ Modified from AAC&U Ethical Responsibility VALUE Rubric.

Language Lab Quizzes

You will take five listening comprehension quizzes in the World Languages Laboratory in Bea Wood 127/128. The quizzes are based on videos related to the vocabulary, grammar and cultural concepts presented in each lesson. You may preview these videos at the [VHL Central Supersite](#) and you will need to access the site in the Language Laboratory to complete your quizzes.

Please show your MSU Student ID to the lab attendant to receive your quiz. You will receive a quiz and a Scantron. Please do not write on the quiz. After you complete the quiz, please sign out at the lab attendant's desk. These quizzes contribute 5% to your course grade. Make-up and/or late quizzes are not permitted. I will drop your lowest grade in this category at the end of the semester. Please note the schedule of Language Lab hours and the due dates below. Note that the lab may close 30 minutes prior to the posted closing time if no student has arrived by that time.

Speaking Assignments/Oral Interviews

Per the instructor's preference, students will complete either two oral interviews with the instructor or two speaking assignments or a combination of an oral interview and a speaking assignment to evaluate students' progress toward proficiency in speaking Spanish. The first interview/assignment will be completed at approximately half-way through the semester and the second at the end of the semester. These interviews/speaking assignments contribute 10% to your course grade. No late work is accepted, and no make-up assignments will be given. You must be in class or meet with the instructor at the agreed upon time to complete these assignments/interviews. I do not drop any grades from this category. Also, it is important to practice speaking every day in class with your classmates and the instructor to be comfortable speaking Spanish and to increase your proficiency. Perfection is not the expectation, but consistent and regular participation are expected and required to do well in this course and particularly on this assignment.

Midterm Exam

The midterm exam covers all material covered in Lecciones 6-8 through Gramática 8.2 and consists of a multiple choice, matching, and/or true false portion and a written/short answer portion. Each portion is worth approximately 50% of the exam grade. The midterm exam contributes 20% to the final course grade. *The Midterm Exam is scheduled for Thursday, Oct. 8, and Friday, Oct. 9, 2026, during our regular class time.

Comprehensive Final Exam

The comprehensive final exam covers all materials studied during the course. The exam consists of a multiple choice, matching, and/or true false portion and a written/short answer portion. Alcohol and Drug Policy

To comply with the Drug Free Schools and Communities Act of 1989 and subsequent amendments, students and employees of Midwestern State are informed that strictly enforced policies are in place which prohibits the unlawful possession, use or distribution of any illicit drugs, including alcohol, on university property or as part of any university-sponsored activity. Students and employees are also subject to all applicable legal sanctions under local, state, and federal law for any offenses involving illicit drugs on university property or at university-sponsored activities.

Campus Carry

Effective August 1, 2016, the Campus Carry law (Senate Bill 11) allows those licensed individuals to carry a concealed handgun in buildings on public university campuses, except in locations the University establishes has prohibited. The new Constitutional Carry law does not change this process. Concealed carry still requires a License to Carry permit, and openly carrying handguns is not allowed on college campuses. Active Shooter

The safety and security of our campus is the responsibility of everyone in our community. Each of us has an obligation to be prepared to appropriately respond to threats to our campus, such as an active aggressor. State and federal law require University employees to report sex discrimination and sexual misconduct to the University's Office of Title IX. As a faculty member, I am required to report to the Title IX Coordinator any allegations, personally observed behavior, or other direct or indirect knowledge of conduct that reasonably may constitute sex discrimination or sexual misconduct, which includes sexual assault, sexual harassment, dating violence, or stalking, involving a student or employee. After a report is made, the office of Title IX will reach out to the affected student or employee in an effort to connect such person(s) with resources and options in addressing the allegations made in the report.
