Midterm Grades:

In order to help students keep track of their progress toward course objectives, a Midterm Progress Report through each student's Navigate account will be provided by the instructor. Midterm Grades will not be reported on the student's transcripts; nor will they be calculated in the cumulative GPA. Students earning below a "C" at the midway point should make an appointment with the instructor and consider visiting the Tutoring & Academic Support Programs Center (TASP).

Submission Format & Policy:

All written assignments are to be typed and formatted according to MLA style. All papers will be uploaded into the D2L Dropbox Folder.

Late Assignment Policy:

Academic Dishonesty:

Academic dishonesty- committing or contributing to dishonest acts by those engaged in teaching, learning, research

Plagiarism- the practice of taking someone else's work or ideas and passing them off as one's own

Since writing and analytical skills are part of the learning outcomes from this course, all assignments should be prepared by the students. Developing a foundation in these skills will be pivotal for success in other courses and future endeavors. ***AI-generated submissions are not permitted and will be treated as plagiarism.**

Those who are found to have committed academic dishonesty or plagiarism will receive a zero on the assignment. Offenses may also result in the student being reported to the Chair of the Department of English, Humanities, and Philosophy and/or the Director of Student Conduct.

Students with Disabilities:

In accordance with Section 504 of the Federal Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Midwestern State University endeavors to make reasonable accommodations to ensure equal opportunity for qualified persons with disabilities to participate in all educational, social, and recreational programs and activities. After notification of acceptance, students requiring accommodations should make an application for such assistance through Disability Support Services, located in the Clark Student Center, Room 168, (940) 397-4140. Current documentation of a disability will be required in order to provide appropriate services, and each request will be individually reviewed. For more details, please go to [Disability Support Services](#).

Contacting Your Instructor:

The best way to contact me is through email. I check my email regularly, so you should get a response within 24 hours (during the week). If you don't hear back after 48 hours, email again (your email may have been lost in the busy inbox). If it is later than 6pm, assume I will not see it until the next day. I don't usually check my email over the weekend and therefore probably won't respond.

Tutoring:

Tutoring and Academic Support Programs (TASP) provides free drop-in tutoring for MSU students. Located on the first floor of Moffett Library, TASP Learning Center provides tutoring support in several core courses and subject areas. Follow guidelines from [TASP Learning Center](#) to find the in-person and online help you need.

Moffett Library:

Moffett Library provides resources and services to support student's studies and assignments, including books, peer-reviewed journals, databases, and multimedia materials accessible both on campus and remotely. The library offers media equipment checkout, reservable study rooms, and research assistance from librarians to help students effectively find, evaluate, and use information. Get started on this [Moffett Library webpage](#) to explore these resources and learn how to best utilize the library.

College Policies

Smoking/Tobacco Policy

College policy strictly prohibits the use of tobacco products in any building owned or operated by WATC. Adult students may smoke only in the outside designated smoking areas at each location.

Alcohol and Drug Policy

To comply with the Drug-Free Schools and Communities Act of 1989 and subsequent amendments, students and employees of Midwestern State are informed that strictly enforced policies are in place which prohibit the unlawful possession, use, or distribution of any illicit drugs, including alcohol, on university property or as part of any university-sponsored activity. Students and employees are also subject to all applicable legal sanctions under local, state, and federal law for any offenses involving illicit drugs on University property or at University-sponsored activities.

Campus Carry

Effective August 1, 2016, the Campus Carry law (Senate Bill 11) allows those licensed individuals to carry a concealed handgun in buildings on public university campuses, except in locations the University establishes as prohibited. The new Constitutional Carry law does not change this process. Concealed carry still requires a License-to-carry permit, and openly carrying handguns is not allowed on college campuses. For more information, visit [Campus Carry](#).

Active Shooter

The safety and security of our campus is the responsibility of everyone in our community. Each of us has an obligation to be prepared to appropriately respond to threats to our campus, such as an active aggressor. Please review the information provided by the MSU Police Department regarding the options and strategies we can all use to stay safe during difficult situations. For more information, visit [MSUReady – Active Shooter](#) . Students are encouraged to watch the video entitled “Run. Hide. Fight.” which may be electronically accessed via the University police department’s webpage: [“Run. Hide. Fight.”](#)
