

Course Syllabus: Pharmacology in Nursing Practice
Wilson School of Nursing
Fall 2023
NURS 3313

Location: Centennial Hall 101 Monday 0900-1150

Contact Information

Instructor: Dr. Catherine Pankonien, DNP, MSN-Ed., RNC-NIC
Office: Centennial Hall #454
Office hours: By Appointment
Office phone: 940-397-4060
E-mail: Catherine.pankonien@msutexas.edu

Course Description

Explore the nurse's role in relationship to the principles of pharmacology and drug prototypes used to treat alterations or promote health in individuals, families, groups, communities, or society (IFGCS) across the lifespan.

Pre-requisites

NURS 3103: Introduction to Nursing; NURS 3202/3312 Pathophysiology; NURS 3212/3211: Family Health Assessment & Clinical

Credit Hours

Three (3) credit hours

Course Objectives

AACN Essentials: For further information regarding the AACN Essentials identified for each course objective, refer to [AACN BSN Essentials 2021](#)

DEC Competencies: In the DEC Competencies below, the following designations apply: I: Provider of Patient-centered Care, II: Coordinator of Care, III: Patient Safety Advocate, and IV: Member of the Health Care Team. For further information regarding the competencies identified for each course objective, refer to [Texas Board of Nursing DEC's 2021](#)

Upon completion of this course the student should be able to:	AACN	DEC
1. Discuss the historic development, terminology, and ethical/legal implications associated with pharmacology.	1a, b 2d, e 3d	I: A, B II: D, E III: D
2. Relate the pharmaceutical, pharmacokinetic, and pharmacodynamics phases of pharmacotherapeutics for IFGCS across the lifespan.	1b, 2a, c, d, f, g 3b, c 4a	I: B II: A, C, D, F, G III: B, C IV: A
3. Describe predictable and unpredictable responses of individuals to drug therapy.	1b, d 2a, b, c, d, e, f, g 3b, c 4a	I: B, D II: A, B, C, D, E, F, G III: B, C IV: A
4. Explore cultural and psychosocial factors influencing the use of drug and complementary therapies.	2a, b, c, d, e, f, g 3b, c 4a	I: B, D II: A, B, C, D, E, F, G III: B, C IV: A

Textbook & Instructional Materials

Required Materials

CoursePoint+ Enhanced: Karch's Focus on Nursing Pharmacology 9th ed.
Lippincott Website: (ISBN-13:978-1-975130-52-7)
(e-book may be used and is included in CoursePoint+; hardcopy book is optional)

The digital assessment platform ExamSoft® will be utilized on for all exams. Exam-takers are required to download the test-taking software, Examplify, prior to the first exam. Please review the Examplify Minimum System Requirements (MSRs), found on the ExamSoft® [website](#).

Optional Hardcopy Textbook

Karch, A.M. (2020). Focus on Nursing Pharmacology (9th ed.). Lippincott Williams & Wilkins. (ISBN-13: 978-1-975-1804-09)

Learning Experiences

Students are expected to be self-directed in the acquisition of basic nursing knowledge. Learning activities available to the students include but are not limited to:

1. Reading assignments
2. Group presentations
3. Self-study modules
4. Online learning assignments

Student Handbook

Refer to: [BSN Student Handbook](#) and [MSU Student Handbook](#)

Academic Misconduct Policy & Procedures

This course adheres to the MSU Code of Conduct. In particular, academic dishonesty, however small, creates a breach in academic integrity. A student's participation in this course comes with the expectation that his or her work will be completed in full observance of the MSU Code of Student Conduct. A student should consult the current Student Handbook for answers to any questions about the code.

Students are encouraged to take full advantage of many resources available including online Desire 2 Learn course resources, Internet sites, other textbooks and journals, faculty, and peers when accomplishing objectives. This interactive collegial learning environment is conducive for life-long learning.

However, all components of the course are designed to represent the efforts of each student individually or each group of students individually when completing a group project and are not to be shared, copied, or plagiarized from other sources. When students submit their efforts for grading, they are attesting they abided by this rule.

Academic dishonesty includes cheating, collusion, plagiarism or the acquisition of tests or test questions and other academic materials such as test banks without the permission of the faculty. Cheating, collusion, or plagiarism is defined as: (1) cheating - intentionally using or attempting to use unauthorized materials, information, equipment, or study aids in any academic exercise; (2) collusion - the unauthorized collaboration with another person in preparing work offered for credit; (3) plagiarism - intentionally representing the words or ideas of another as one's own in any academic exercise.

Academic dishonesty (cheating, collusion, plagiarism, etc.) will not be tolerated in this class. Whenever a student is unsure of whether a particular situation will be interpreted as academic dishonesty, he or she should ask the instructor for clarification.

Unless otherwise specified, the use of Automated Writing Tools, including chatGPT and similar artificial intelligence (AI) tools, is strictly prohibited in this course, even when properly attributed. The use of automated writing tools is considered plagiarism (as defined by SRRR 9.3) and will be handled in accordance with existing policy.

Any student found to be academically dishonest as defined above on any assignment will automatically receive a grade of "0" on the assignment.

Grading

Table 2: Course Grade

*Assignments	Percentage
**Exams (5 total)	80%
***Class participation/ assignments	10%
***ATI (practice, remediation, and proctored test)	10%
Total	100

Table 3: Course Grade Calculation

*The final course grade will be calculated in the following manner:
*There will be no rounding of grades. If a student earns a 73.9%, then the grade recorded is a D. The grade will not be rounded.
**Students must score at least a 74% average on exams to pass the course. This is called the exam average.
**Students that do not achieve a 74% exam average will receive a final grade that reflects the exam average earned.
***Students who earn at least a 74% exam average will have the remaining assignment grades calculated as weighted in the table above as the course.

Table 4: Grading Scale

Grade	Points
A	90-100
B	80-89
C	74-79
D	65-73
F	Less than 64

Midterm Progress

In order to help students keep track of their progress toward course objectives, the instructor for this course will provide a Midterm Progress Report through each student's WebWorld account. Midterm grades will not be reported on the student's transcript; nor will they be calculated in the cumulative GPA. They simply give students an idea of where they stand at midpoint of the semester. Students earning below a C at the midway point should schedule a meeting with the professor and seek out tutoring through the Tutoring & Academic Support Programs (link to the website <https://msutexas.edu/academics/tasp/>).

Assignments

1. **Lippincott CoursePoint+**: Preclass assignments including PrepU quizzes, Animations, and Interactive Case Studies will be completed as assigned by the due dates listed in the course calendar or on thePoint website.

Redeem your **ACCESS CODE** and complete registration at <http://thePoint.lww.com/activate>

Once you have redeemed your Access Code and are logged in to thePoint, from the **"My Content"** page, click **Launch CoursePoint** for Lippincott CoursePoint+ Focus on Nursing Pharmacology 9th ed.

On the content homepage, select **"Join a Class"** and enter your **CLASS CODE: 2DDEA6F8** and click **"Join this Class"**

If you experience any problems, check the code again and re-enter it. If it does not work, contact Lippincott Online Product Support at 1.800.468.1128 or techsupp@lww.com for assistance.

All assignments completed via thePoint/CoursePoint+ must be completed to at least a 75% to receive credit.

Incomplete or late assignments will receive a zero.

Exams

1. There are four unit exams and a final exam covering the content in the textbook, assigned readings, and assigned activities. Each unit exam will take 75 minutes. The final exam will take 120 minutes.
2. Unit objectives are found at the beginning of each assigned chapter. These objectives will help you focus on what to study for each exam. Required readings are found on the course calendar.
3. All exams (including the final exam) are required.

Exam Policy

1. Exam Soft requires loading Exemplify application for taking course exams. Exam Soft is purchased online each semester.
2. There are no electrical outlet for use by the student during exam administration, make sure your battery is 100% charged.
3. Students are responsible for having a compatible computer or tablet on which to take the exams.
4. Module exams will be comprised of 50 multiple-choice questions. The testing period is the 75 minutes of assigned class time. The unit exams may cover material covered in previous courses, the textbooks readings, classroom activities, and thePoint activities.
5. Presence of a device capable of calling or texting in the classroom during an exam will result in an automatic zero (0) on the exam. It is advised to leave cell phones and smart watches at home. If in the room, smart watches must be removed and placed at the front of the room and phones must be turned OFF. If a phone rings or makes noise more than once during an exam the owner will receive a zero (0) on the exam.
6. If a student is suspected of cheating in any way, a zero (0) will automatically be given for the exam.
7. Students will have 5 business days following the published results of an exam to contact the course faculty via email for any test concerns.
8. Exam Soft will provide students with user identity codes, initial passwords, and instructions on how to load Exemplify. Students must maintain ready access to user identity codes and passwords on exam days. If these access codes are not available for use, the student runs the risk of not taking an exam and earning a grade of zero (0).
9. No food or drinks will be allowed during the exam.
10. Hats and hoodies may not be worn during the exam.
11. All backpacks/bags will be placed at the front of the room and may be retrieved once the exam is complete, uploaded, and the test code page has been turned into the instructor.
12. Students will not be permitted to leave the room during the exam until it is uploaded. No bathroom breaks are allowed during an exam. If students must leave, their exam must be uploaded with the confirmation screen shown to the instructor and exam access code/scratch paper turned in.

Final Exam

The final exam will be scheduled per the University Final Exam Schedule. The final exam will consist of 75 cumulative questions that covers the contents of the entire semester. 120 minutes will be provided to complete the exam.

ATI Activities

1. Each student is required to enroll into ATI.
2. Maximum grade possible is 10 points/10 points = 100%.
3. Grading is calculated as such:
 - a. Practice Assessment A remediation completed: 2 points
 - b. Practice Assessment B remediation completed: 2 points
 - c. Standardized Proctored Assessment:
 - i. Level 3 earned = 4 points
 - ii. Level 2 earned = 3 points
 - iii. Level 1 earned = 1 point
 - iv. Less than level 1 earned = 0 points
 - d. Standardized Proctored Assessment remediation:
 - i. Earned level 3: minimum 1-hour focused review with an active learning template completed on each topic missed = 2 points
 - ii. Earned level 2: minimum 2-hour focused review with an active learning template completed on each topic missed = 2 points
 - iii. Earned level 1: minimum 3-hour focused review with an active learning template completed on each topic missed = 2 points
 - iv. Earned level less than 1: minimum 4-hour focused review with an active learning template completed on each topic missed = 2 points
 - e. Students who do not complete all of the Assessments and Remediation required will receive 0 points/10 points for the ATI course grade.

Extra Credit

It is the policy of the nursing program to not accept extra credit.

Late Work

No credit will be awarded if an assignment is submitted after the due date. There are no opportunities for extra credit given for any assignment. If you have a question or concern about a grade, you must contact the faculty within 24 hours of the due date to dispute the grade. Once 24 hours after the due date has lapsed, no further changes will be made on any grade.

Make Up Work/Tests

Should the student be absent from an exam, it is the student's responsibility to notify the course coordinator at least two hours prior to the exam or as soon as possible if an emergency is the cause of missing the exam. Students may make-up exams on the make-up exam session as documented on the course calendar.

Failure to comply with this policy will result in a zero for the exam(s) missed. Any make-up exam may be different from the original exam and may include multiple choice, essay, short answer, true and false, and/or matching questions.

Nursing Program Failure Policy

1. Students must meet all course requirements or a grade of F will be assigned.
2. Students are expected to pass both clinical and classroom components of the course. Failure in either clinical or classroom will result in failure in both. Clinical failure results in a course and clinical grade of F. Classroom failure results in the grade earned in the classroom for both course and clinical.
3. A student who withdraws/drops or receives a D or an F in two nursing courses must seek reentry to the nursing program to be eligible to continue in the program.
4. The faculty reserves the right to recommend to the School of Nursing Chair and College of Human Services and Health Sciences withdrawal of a student from the nursing program for health, legal, or academic reasons, particularly if client care is jeopardized. In addition, the student must perform within the ANA Standards of Practice and Code of Ethics.

Withdrawal Deadlines

Last Day to drop with a grade of "W:" October 30, 2023

Refer to: [Drops, Withdrawals & Void](#)

Desire-to-Learn (D2L)

Extensive use of the MSU D2L program is a part of this course. Each student is expected to be familiar with this program as it provides a primary source of communication regarding assignments, examination materials, and general course information. You can log into [D2L](#) through the MSU Homepage. If you experience difficulties, please contact the technicians listed for the program or contact your instructor.

Attendance

Students are encouraged to attend all lectures. Students may be dropped from the course for excessive absences (more than 4) per University policy.

Instructor Drop

An instructor may drop a student at any time during the semester for excessive absences (more than 4), for consistently failing to meet class assignments, for an indifferent attitude, or for disruptive conduct. The instructor must give the students a verbal or written warning prior to being dropped from the class. An instructor's drop of a student takes precedence over the student-initiated course drop of a later date. The instructor will assign a grade of either WF or F through the 8th week of a long 45 hours semester, the 6th week of a 10 week summer term, or the 11th class day of a 4 or 5 week summer term consisting of 20 days. After these

periods, the grade will be an F. The date the instructor drop form is received in the Office of the Registrar is the official drop date. Refer to page 27 at <https://msutexas.edu/student-life/assets/files/handbook.pdf>.

Computer Requirements

Assignments and exams in this course are administered electronically. It is the student's responsibility to have access to a suitable device to complete the assignments and exams. Computer failure is not a suitable excuse for missing assignment dates. If the student's computer is not functioning at exam time, the student may elect to take the make-up examination at the date scheduled in the course calendar.

Instructor Class Policies

1. **Timeliness** is expected in all aspects including being on-time for class, exams, and submission of assignments. Showing up late to an exam results in having to make up the exam. Students will not be permitted to enter late to exams.
2. **Respect** for faculty and peers is expected at all times. Distracting behaviors such as talking, texting, working on other assignments during class, or inattentiveness will not be tolerated and you may be asked to leave the classroom.
3. Students must take an **active role** in their learning and demonstrate **accountability** including evidence of commitment, responsibility, and communication.

Change of Schedule

A student dropping a course (but not withdrawing from the University) within the first 12 class days of a regular semester or the first four class days of a summer semester is eligible for a 100% refund of applicable tuition and fees. Dates are published in the ***Schedule of Classes*** each semester.

Refund and Repayment Policy

A student who withdraws or is administratively withdrawn from Midwestern State University (MSU) may be eligible to receive a refund for all or a portion of the tuition, fees and room/board charges that were paid to MSU for the semester. HOWEVER, if the student received financial aid (federal/state/institutional grants, loans and/or scholarships), all or a portion of the refund may be returned to the financial aid programs. As described below, two formulas (federal and state) exist in determining the amount of the refund. (Examples of each refund calculation will be made available upon request).

Disability Support Services

Midwestern State University is committed to providing equal access for qualified students with disabilities to all university courses and programs, and by law all students with disabilities are guaranteed a learning environment that provides reasonable accommodation of their disability. This guarantee is provided through Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act. The ADA reads: "No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs, or activities of a public entity, or be subject to discrimination by any such entity." The Director of Disability Support Services serves as the ADA Coordinator and may be contacted at (940) 397.4140, TDD (940) 397.4515, or 3410 Taft Blvd., Clark Student Center 168.

College Policies

Smoking/Tobacco Policy

College policy strictly prohibits the use of tobacco products in any building owned or operated by WATC. Adult students may smoke only in the outside designated-smoking areas at each location.

Campus Carry Rules/Policies

Refer to: [Campus Carry Rules and Policies](#)

Alcohol and Drug Policy

To comply with the Drug Free Schools and Communities Act of 1989 and subsequent amendments, students and employees of Midwestern State are informed that strictly enforced policies are in place which prohibits the unlawful possession, use or distribution of any illicit drugs, including alcohol, on university property or as part of any university-sponsored activity. Students and employees are also subject to all applicable legal sanctions under local, state and federal law for any offenses involving illicit drugs on University property or at University-sponsored activities.

Grade Appeal Process

Students who wish to appeal a grade should consult the Midwestern State University [Undergraduate Catalog](#)

Campus Carry

Effective August 1, 2016, the Campus Carry law (Senate Bill 11) allows those licensed individuals to carry a concealed handgun in buildings on public university campuses, except in locations the University establishes as prohibited. The new Constitutional Carry law does not change this process. Concealed carry still requires a License to Carry permit, and openly carrying handguns is not allowed on college campuses. For more information, visit [Campus Carry](#).

Active Shooter

The safety and security of our campus is the responsibility of everyone in our community. Each of us has an obligation to be prepared to appropriately respond to threats to our campus, such as an active aggressor. Please review the information provided by MSU Police Department regarding the options and strategies we can all use to stay safe during difficult situations. For more information, visit [Safety / Emergency Procedures](#). Students are encouraged to watch the video entitled "Run. Hide. Fight." which may be electronically accessed via the University police department's webpage: ["Run. Hide. Fight."](#)

Notice

Changes in the course syllabus, procedure, assignments, and schedule may be made at the discretion of the instructor.

Course Schedule

Modules	Activities/Assignments/Exams	Due Date <i>All Assignments due by 2300 on the following dates</i>
<i>Module 1</i> August 28- September 18	Ch. 1 Introduction to Drugs Ch. 2 Drugs & the Body Ch. 3 Toxic Effects of Drugs Ch. 8 Anti-infective Agents Ch. 9 Antibiotics Ch. 10 Antiviral Agents Ch. 11 Antifungal Agents	<input type="checkbox"/> PrepU due Friday, September 15 by 11 pm <input type="checkbox"/> Exam 1 Monday, September 18
<i>Module 2</i> September 19- October 23	Ch. 20 Anxiolytic and Hypnotic Agents Ch. 21 Antidepressant Agents Ch. 22 Psychotherapeutic Agents Ch. 23 Anti-seizure Agents Ch. 24 Antiparkinsonian Agents Ch. 25 Muscle Relaxants Ch. 26 Opioid Agonists, Antagonists, and Antimigraine Agents Ch. 30 Adrenergic Agents Ch. 31 Adrenergic Antagonists Ch. 32 Cholinergic Agents Ch. 33 Anticholinergic Agents	<input type="checkbox"/> PrepU due Friday, October 20 by 11 pm <input type="checkbox"/> Exam 2 Monday, October 23
<i>Module 3</i> October 24- November 13	Ch. 35 Hypothalamic and Pituitary Agents Ch. 36 Adrenocortical Agents Ch. 37 Thyroid and Parathyroid Agents Ch. 38 Agents to Control Glucose Ch. 43 Drugs Affecting Blood Pressure Ch. 44 Agents for Treating Heart Failure Ch. 45 Antiarrhythmic Agents Ch. 46 Antianginal Agents Ch. 47 Lipid-lowering agents Ch. 48 Drugs Affecting Coagulation	<input type="checkbox"/> PrepU due Friday, November 10 by 11 pm <input type="checkbox"/> Exam 3 Monday, November 13
<i>Module 4</i> November 14- December 3	Ch. 51 Diuretic Agents Ch. 52 Drugs Affecting the Urinary Tract and Bladder Ch. 54 Upper Respiratory System Ch. 55 Lower Respiratory System	<input type="checkbox"/> PrepU due Friday, December 1 by 11 pm <input type="checkbox"/> Exam 4 Monday, December 3

Modules	Activities/Assignments/Exams	Due Date <i>All Assignments due by 2300 on the following dates</i>
	Ch. 57 GI Secretions Ch. 58 GI Motility Ch. 59 Antiemetic Agents	
<i>Finals Week</i> December 11-15		<input type="checkbox"/> Final Exam...Monday, December 11 at 8:00 am

*Please note, the schedule is subject to change and students will be notified through D2L news.
