You can log into [D2L](#) through the MSU Homepage. If you experience difficulties, please contact the technicians listed for the program or contact your instructor.

Attendance

Piano Class 3 is a performance class. Students participate daily in individual and group activities. Activities are cumulative in organization, building on previously learned concepts. Therefore, attendance is crucial to personal development. Students may miss class twice without a final grade reduction. Each absence above the allotted two absences will reduce the final grade by one letter grade. Tardies count toward absences. Students who arrive ten minutes late will be marked absent from class. Nonparticipation in class equals one absence for each occurrence. Class participation includes all classroom activities - singing, rhythmic reading, practicing assigned material, and performing individually and as an ensemble.

The instructor may drop a student from the course for excessive absences (5 or more). A verbal or written warning will be given to a student prior to being dropped from the class.

Instructor Class Policies

Students are required to participate in all class activities and practice assigned material in preparation for each class. Practicing daily outside of class is recommended.

Students are to conduct themselves in a professional manner so that all students may learn without distraction and disruption.

College students are adults and are expected to behave accordingly. Classroom behavior that interferes with either the instructor's ability to conduct class or the ability of the other students to benefit from instruction will result in the instructor's removing the disruptive student(s) from class, either temporarily or permanently (instructor drop). Any disruptive student asked to leave class will receive an absence.

Weather Statement

This course follows MSU Guidelines for inclement weather. Classes will not meet if campus is closed during the time of class. The class will NOT meet online if campus is closed. If assessment deadlines coincide with university closure, an extension will be stated the next class meeting.

Classroom Cleaning Protocols

Students using the Piano Lab are encouraged to clean their piano and space before and after class. Time is allotted in the 50 minutes to clean your area. Instructions will be given how to clean pianos appropriately.

Change of Schedule

A student dropping a course (but not withdrawing from the University) within the first 12 class days of a regular semester or the first four class days of a summer semester is eligible for a 100% refund of applicable tuition and fees. Dates are published in the Schedule of Classes each semester.

Privacy Statement

Federal privacy law prohibits the instructor from releasing information about students to certain parties outside of the university without the signed consent of the student. Thus, in almost all cases the professor will not discuss students' academic progress or other matters with their parents. Please do not have them call. Regardless of these important legal considerations, the professors' general policy is to communicate with the students, not their parents, even when a student has signed a consent form.

Refund and Repayment Policy

A student who withdraws or is administratively withdrawn from Midwestern State University (MSU) may be eligible to receive a refund for all or a portion of the tuition, fees, and room/board charges that were paid to MSU for the semester. However, if the student received financial aid (federal/state/institutional grants, loans, and/or scholarships), all or a portion of the refund may be returned to the financial aid programs. As described below, two formulas (federal and state) exist in determining the amount of the refund. (Examples of each refund calculation will be made available upon request).

Services for Students with Disabilities

In accordance with Section 504 of the Federal Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Midwestern State University endeavors to make reasonable accommodations to ensure equal opportunity for qualified persons with disabilities to participate in all educational, social, and recreational programs and activities. After notification of acceptance, students requiring accommodations should make an application for such assistance through Disability Support Services, located in the Clark Student Center, Room 168, (940) 397-4140. Current documentation of a disability will be required in order to provide appropriate services, and each request will be individually reviewed. For more details, please go to [Disability Support Services](#).
