Online Assignments

There will be online assignment(s) for each lecture covered in this course. More details such as the format and coverage of the online assignments will be communicated on D2L. Students are required to have individual access to the Connect website and complete the online assignments independently. Late submission will not be accepted and will automatically result in a grade of zero for the assignment.

Exams

There will be three exams. Please refer to Table 1 for the weight of each exam. All exams will be held in class. There will be no online exam option. More details such as the format and coverage of each exam will be announced in class or on D2L.

All exams are mandatory. Please refer to the tentative course schedule at the end of this syllabus for exam dates. There will be no make-up for the exams. It is the student's responsibility to know when and how the exams will be held.

Students are not allowed to capture/record the exam questions by any means while taking an exam. Collaboration among students while taking an exam is considered cheating and is strictly prohibited. Please refer to the Academic Integrity section of this syllabus regarding the consequences.

Final Exam

The final exam is scheduled for Wednesday, May 13, 2026 from 5:45pm to 7:45pm. It is mandatory and will NOT be excused for personal reasons such as vacation or flight plans. It counts 20 points into the total grade.

Extra Credit

To maintain fairness to the entire class, the same grading criteria will be applied to all students. Grades are not negotiable. There will be no bonus or extra-credit assignment or project designed for or given to any individual student.

Late Work

Late assignment submission will not be accepted and will automatically result in a grade of zero for the assignment.

Make Up Work/Tests

If a student must miss one exam for a valid reason, the weight of the missed exam can be transferred into the other exams the student can take. This option can only be exercised once, meaning that if one misses more than one exam, one loses at least 20 points.

Situations that can be excused include religious holy days, active military, police or firefighter assignment, jury duty, university functions (for example, athlete events or student conferences), and medical emergency for yourself or your immediate family members. For more information about authorized absences, excused absences defined by state regulations, and the required documentations, please refer to the Registrar section in the university catalog.

For exam absences due to religious holy day, military/policy/firefighter/jury duty, or personal emergencies, please contact the Dean of Students office. The Dean of Students will process student request and notify the instructor.

Absences due to required participation in university-sponsored activities must be approved by the college dean, Athletic Director, or the Provost. Absences due to academically related activities such as class field trips or student conferences require a written notification from the faculty member who sponsors or organizes the activities.

Missing any exam without a valid excuse and supporting documents or notification from the Dean of Students office will result in a grade of zero for that exam.
