Please ignore Mindtap 'Counts Towards Grade' or 'Practice' designation and instead complete any assignment with a due date.

The Mindtap homework for each chapter must be completed prior to the exam covering the material in order to receive credit (see Course Schedule). Dates for planned chapter completions are also posted on Mindtap. Your combined homework and Excel is 20% of your grade. **There will not be extensions to the homework deadlines.**

## **Exams**

Exam grades will be shown on D2L under Gradebook after each exam. All grades are firm and nonnegotiable. There is no rounding in grades, and there are no bonus points at the end of semester. To maintain the fairness to the entire class, the same grading criteria will be applied to every student, and no personal reason will be considered for grading purposes.

For students approved as Distance Learners, the preferred location for exams is the MSU campus. However, for approved distance learners only, the exam instructions may be sent to testing centers via email, or uploaded to the proctor service. Only certified testing centers are permitted to administer exams. Students are responsible for arranging a testing center to oversee the exam process. Students enrolled in a course(s) requiring proctored exams, must have a proctor on file. Proctors must be able to monitor the student throughout the entire exam. The proctor information must be submitted within one week from the start of the course and approved by Dr. Robert Forrester. Libraries are prohibited from proctoring exams. ETC Testing Center in the DFW metroplex is not an approved proctor location. Students are not allowed to handle the exam after completion under any circumstances. Proctored exams are not to be removed from the testing center at any time. No late exams will be accepted.

There will be four exams during this semester in the assigned classroom. The first three exams will be allowed 80 minutes and held at 2:00 pm in DB 323. The final exam will be held by the university schedule of 1:00 pm to 3:00 p.m. in DB 323. The exams will include questions on any covered material, e.g., lecture notes, classroom discussions, and reading assignments. Each student will need a calculator for the exams. The use of cell phones is not allowed during the exams. The exams must be taken as scheduled. There are no make-up exams in this course and students missing an exam without a valid excuse will receive an exam grade of zero for the specific exam. Athletes traveling during an exam time must coordinate the exam prior to departure. A valid excuse is defined as an authorized absence (see Midwestern State University Undergraduate Catalog for the definition) or an *unforeseeable, proved, and documented* event that requires the student's *presence* in a place other than the classroom during the class period, and such event is deemed acceptable by the *instructor*. In the case of an excused absence, the document justifying the absence must be turned to the instructor within one week from the absence, and the weight assigned for the missed exam will be redistributed to the other exams. No student will be allowed to miss the final exam. Final exam is mandatory. Due to grade reporting requests, students graduating with honors may be required to take the final exam early. Please book your travel accordingly. If you miss the final exam, please refer to above paragraph regarding to missing exam policies.
