1 Final exam	150 Points
14 Article Reviews	10 Points
1 Research Paper	150 Points

Course Policies:

Students should refer to the current MSU Student Handbook and Activities Calendar for university policies related to class attendance, academic dishonesty, student responsibilities, rights and activities.

Academic integrity is expected of all students. Cheating in any form (including plagiarism) will not be tolerated and may result in disciplinary action.

Attendance is *mandatory*. 3 unexcused absences will decrease earned grade by one letter. Each additional unexcused absence will decrease earned grade by one additional letter grade. 2 tardies counts as 1 unexcused absence. Make up examinations will be provided within one (1) week of return to class, provided the absence is excused.

Must attend all Athletic Training Education Program in service programs.

AMERICANS WITH DISABILITIES ACT

Midwestern State University does not discriminate on the basis of an individual's disability and complies with Section 504 of the Americans with Disabilities Act (ADA) in its admission, accessibility, and employment of individuals in programs and activities. It is the policy of Midwestern State University that no otherwise qualified person with a disability be excluded from the participation in, be denied the benefits of, or be subject to discrimination in any educational program or activity at the University. MSU provides academic accommodations and auxiliary aids to individuals with disabilities as defined by law, who are otherwise qualified to meet academic employment and requirements.

Any student who feels she/he may need an accommodation based on the impact of a disability should contact the Disability Support Services office to discuss your specific needs. Please contact Disability Support Services at 940-397-4140 in room 168 Clark Student Center to coordinate reasonable accommodations for students with documented disabilities

"Each student must take and pass (75%) or better a written/practical Game Day exam. This test gives each student the opportunity to recall knowledge from previous academic semesters. The first opportunity to take the exam will be available during the first 2 weeks of the given semester. If the student does not pass the exam associated with this course, the student may re-take it once a week until the end of the semester. It is the student's responsibility to make arrangements to schedule further testing. Failure to pass either exam will result in a failing grade for this course. Any questions about this process should be referred to the Student Handbook 2022-2023."
