Overview:

This course will provide an overview of American history from 1865 to the present with a focus on politics, society, military, and culture. The course emphasizes not so much dates and events but broad issues and themes that run throughout the American past. The end of the American Civil War was supposed to bring about major social, racial, and political changes but did not. A major theme of this class will look at how the legacies of the war can be seen today. America still grapples with issues of race, struggles between federal and state power, gender and sexuality, immigration, and class disputes. This course will look at ideas, events, and perspectives that are rarely discussed in high school courses and popular history. The idea of the American “dream” has been reserved for a select few, so we will look at how many have still yet to achieve it.

Goals:

1. Understand how history has shaped the society, culture, and world you currently live in specifically, you will learn about people, events, and perspectives that you most likely did not hear and read about in high school – this class is not taught like a high school athletic coach would.
2. Learn to analyze primary documents to know their meaning and context
3. Learn to write: summarize ideas from primary documents and learning materials in your own words to answer critical-thinking questions

Required Texts

- YOU WILL DO LESS READING THAN IF I ASSIGNED YOU A TEXTBOOK.
- Most of the readings will be primary sources such as newspapers, personal stories, and government documents **from people living during the time period** covered in this class. All readings will be made available online in D2L.

Desire-to-Learn (D2L)

Extensive use of the MSU D2L program is a part of this course. Each student is expected to be familiar with this program as it provides a primary source of communication regarding assignments, examination materials, and general course information. You can log into [D2L](#) through the MSU Homepage. If you experience difficulties, please contact the technicians listed for the program or contact your instructor.

Attendance: Students are expected to attend all lectures. Every student will not be allowed any unexcused absences. For an absence to be excused for serious illness, immediate family or religious obligations, or other reasons, students must present compelling and appropriate documentation. Excused absences in the immediate family are excused; proper documentation must be presented. Students are responsible for presenting this documentation either in advance of the absence or as soon after the absence as possible.

Academic Dishonesty

The following constitutes plagiarism: “the use, deliberate or not, of any outside source without proper acknowledgment. While the work of others often constitutes a necessary resource for academic research, such work must be properly used and credited to the original author. This principle applies to professional scholars as well as to students. All work that students submit or present as part of course assignments or requirements must be their own original work. When students use the specific thoughts, ideas, writings, or expressions of others, they must accompany each instance of use with some form of attribution to the source. Direct quotes from any source (including the Internet) must be placed in quotation marks...and be accompanied by an appropriate citation.” Plagiarism will result in the offender receiving zero in the course.

FIRST TIME WILL BE A WARNING WITH A 0/ZERO on the assignment.
SECOND TIME WILL BE A 0/ZERO on the assignment, FAIL CLASS, AND REPORT TO STUDENT LIFE. **LAST SEMESTER SEVERAL ONLINE STUDENTS WERE CAUGHT FOR PLAGIARISM AND CHEATING ON THE EXAM – zero tolerance.**

In summation, every assignment is uploaded in D2L Dropbox that utilizes Turnitin and an AI mechanism. I ALSO USE AN AI DETECTOR OUTSIDE OF THESE two. If I find an issue, you will receive plenty of screenshots and evidence. You will fail the assignment if there is an issue with plagiarism, cheating, and/or using information that is NOT from D2L and from the lecture (unless otherwise instructed).

Refund and Repayment Policy

A student who withdraws or is administratively withdrawn from Midwestern State University (MSU) may be eligible to receive a refund for all or a portion of the tuition, fees and room/board charges that were paid to MSU for the semester. HOWEVER, if the student received financial aid (federal/state/institutional grants, loans and/or scholarships), all or a portion of the refund may be returned to the financial aid programs. As described below, two formulas (federal and state) exists in determining the amount of the refund. (Examples of each refund calculation will be made available upon request).

Accommodation

In accordance with Section 504 of the Federal Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Midwestern State University endeavors to make reasonable accommodations to ensure equal opportunity for qualified persons with disabilities to participate in all educational, social, and recreational programs and activities. After notification of acceptance, students requiring accommodations should make application for such assistance through Disability Support Services, located in the Clark Student Center, Room 168, (940) 397-4140. Current documentation of a disability will be required in order to provide appropriate services, and each request will be individually reviewed. For more details, please go to <http://www.mwsu.edu/student-life/disability>.

Smoking/Tobacco Policy

College policy strictly prohibits the use of tobacco products in any building owned or operated by MSU TEXAS Adult students may smoke only in the outside designated-smoking areas at each location.

Alcohol and Drug Policy

To comply with the Drug Free Schools and Communities Act of 1989 and subsequent amendments, students and employees of Midwestern State are informed that strictly enforced policies are in place which prohibits the unlawful possession, use or distribution of any illicit drugs, including alcohol, on university property or as part of any university-sponsored activity. Students and employees are also subject to all applicable legal sanctions under local, state and federal law for any offenses involving illicit drugs on university property or at University-sponsored activities.

Campus Carry

Effective August 1, 2016, the Campus Carry law (Senate Bill 11) allows those licensed individuals to carry a concealed handgun in buildings on public university campuses, except in locations the University establishes has prohibited. The new Constitutional Carry law does not change this process. Concealed carry still requires a License to Carry permit, and openly carrying handguns is not allowed on college campuses. For more information, visit [Campus Carry](#).

Active Shooter

The safety and security of our campus is the responsibility of everyone in our community. Each of us has an obligation to be prepared to appropriately respond to threats to our campus, such as an active aggressor. Please review the information provided by MSU Police Department regarding the options and strategies we can all use to stay safe during difficult situations. For more information, visit [MSUReady – Active Shooter](#). Students are encouraged to watch the video entitled “*Run. Hide. Fight.*” which may be electronically accessed via the University police department’s webpage: [“Run. Hide. Fight.”](#)
