Textbook & Instructional Materials

Materials will be provided.

Course Description

A study of individual, family, and cultural community diversity.

Core Content in Accordance with TEXES Competencies

Satisfactory completion of the course will document that students have demonstrated the ability to:

1. Explain concepts such as diversity, stereotype, lifestyles, class, racism, sexism, sensitivity, tolerance, etc.
2. Critically examine minority group contributions to American society.
3. Demonstrate an awareness of the cultural experience of ethnic/diverse groups other than his/her own
4. Understand what is involved in developing wholesome self-identities
5. Evidence awareness and justification of the need and value of multiculturalism
6. Distinguish similarities and differences among majority and minority cultures
7. Recognize communication patterns in self and others that enhances or inhibits the communication process
