Course Description

A study that defines the history and the various fields of engineering, the career paths for engineers, the engineer as a professional, the engineering path for learning and creative thoughts, the engineering approach to problem solving, the engineering information and communication tools, the engineering calculations, and the study of two engineering hallmark cases.

- 1. Students will demonstrate the ability to apply skills needed to conduct research and/or engage in creative activities
- 2. Students will learn how to apply knowledge in order to address real-world problems/answer real-world questions
- 3. Students will be able to communicate analyses, interpretations and significance of research through variable media (oral presentation, report, creative activities).
- 4. **Required attendance** at a February speech/lecture event In order to model for students the ways in which researchers use a variety of research methods and skills to guide their inquiry, students enrolled in an AS will be **required** to attend a faculty symposium or lecture (or an equivalent) scheduled early in February.
- 5. **Required attendance** at the spring Celebration of Scholarship and completion of a graded Reflection Essay

Academic Misconduct Policy & Procedures

Academic Dishonesty: Cheating, collusion, and plagiarism (the act of using source material of other persons, either published or unpublished, without following the accepted techniques of crediting, or the submission for credit of

work not the individual's to whom credit is given). Additional guidelines on procedures in these matters may be found in the Office of Student Conduct.

Grading

The final grade for the course will be based on the scores earned in the two mandatory exams, the mandatory comprehensive exam, the average score earned in the quizzes and in the homework, and the average score earned in the semester project. The first exam contributes 20%, the second exam contributes 20%, the comprehensive exam contributes 20%, quizzes and homework average contributes 20%, and semester project contributes 20%, for a total of 100%.

Table 1: Points allocated to each assignment.

Assignments	%
Project Presentation	10
Homeworks	20
First Exam	20
Second Exam	20
Project Paper	10
Final Exam	20
Total Percent	100

Table 2: Total points for final grade.

Grade	%
Α	90 - 100
В	80 to 89
С	70 to 79
D	60 to 69
F	Less than 60

Homework

All homework assignments will be due at the beginning of the class period listed as the due date. Once class starts, no homework will be accepted. Printing issues are not a valid excuse for late homework. Print at home or the student center, library, or in the lab. Bring a digital device (flash drive, smart phone, etc.) with storage capability to each class and save all classwork at least until final grades are posted. Save files often; issues with saving materials are not a valid excuse for late homework.

Exams

You are expected to take all exams on the scheduled date and time. However, if for some acceptable reason you are not able to do so, then you must inform the instructor in advance. The instructor will then decide whether you will be allowed to take a make-up exam, depending on the validity of your excuse.

Projects Required

A semester project with PPT presentation will be assigned at the beginning of the semester. Details regarding the project will be given in class.

Important Dates

Last day for term schedule changes: Check date on Academic Calendar.

Deadline to file for graduation: Check date on Academic Calendar.

Last Day to drop with a grade of "W:" Check date on Academic Calendar.

Desire-to-Learn (D2L)

Extensive use of the MSU D2L program is a part of this course. Each student is expected to be familiar with this program as it provides a primary source of communication regarding assignments, examination materials, and general course information. You can log into D2L through the MSU Homepage. If you experience difficulties, please contact the technicians listed for the program or contact your instructor.

Attendance

Students are expected to attend all meetings of the classes in which they are enrolled.

Change of Schedule

A student dropping a course (but not withdrawing from the University) within the first 12 class days of a regular semester or the first four class days of a summer semester is eligible for a 100% refund of applicable tuition and fees. Dates are published in the Schedule of Classes each semester.

Refund and Repayment Policy

A student who withdraws or is administratively withdrawn from Midwestern State University (MSU) may be eligible to receive a refund for all or a portion of the tuition, fees and room/board charges that were paid to MSU for the semester. HOWEVER, if the student received financial aid (federal/state/institutional grants, loans and/or scholarships), all or a portion of the refund may be returned to the financial aid programs. As described below, two formulas (federal and state) exists in determining the amount of the refund. (Examples of each refund calculation will be made available upon request).

Services for Students with Disabilities

In accordance with Section 504 of the Federal Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Midwestern State University endeavors to make reasonable accommodations to ensure equal opportunity for qualified persons with disabilities to participate in all educational, social, and recreational programs and activities. After notification of acceptance, students requiring accommodations should make application for such assistance through Disability Support Services, located in the Clark Student Center, Room 168, (940) 397-

4140. Current documentation of a disability will be required in order to provide appropriate services, and each request will be individually reviewed. For more details, please go to http://www.mwsu.edu/student-life/disability.

College Policies

Campus Carry Rules/Policies

Refer to: Campus Carry Rules and Policies

Smoking/Tobacco Policy

College policy strictly prohibits the use of tobacco products in any building owned or operated by WATC. Adult students may smoke only in the outside designated-smoking areas at each location.

Alcohol and Drug Policy

To comply with the Drug Free Schools and Communities Act of 1989 and subsequent amendments, students and employees of Midwestern State are informed that strictly enforced policies are in place which prohibits the unlawful possession, use or distribution of any illicit drugs, including alcohol, on university property or as part of any university-sponsored activity. Students and employees are also subject to all applicable legal sanctions under local, state and federal law for any offenses involving illicit drugs on University property or at University-sponsored activities.

Grade Appeal Process

Students who wish to appeal a grade should consult the Midwestern State University <u>Undergraduate Catalog</u>
