DIGITAL HUMANITIES PROJECTS

Postdoctoral Research Associate, “Texas in Turmoil: Mapping Interethnic Violence, 1821-1879,” 2025. <https://libraries.uta.edu/texasinturmoil/>. This project mapped interethnic violence in Texas from 1821-1879. I created data entries, data visualizations, and data files for ArcGIS components. I also completed analysis of trends in violence with analytics visualization software for the project (i.e. Comanche raiding patterns, violence against freedmen post-emancipation, and Hispano-White violence to control cattle ranges the Trans-Nueces Strip). This website launched in October 2025.
