Gordon T. & Ellen West College of Education
KNES 4533 Summer II July 8 - August 10

Instructor: Dr. Carrie Taylor

Office: Bridwell Hall 320

Office Phone: (940) 397-4874

Email: Carrie.taylor@msutexas.edu

Course/Catalog Description

This course will strongly emphasize understanding a holistic approach to wellness in the workplace. It will prepare students to design, implement, and evaluate workplace wellness programs with solutions. You will have a blueprint for a results-oriented wellness program that will create health within organizations by establishing wellness teams, designing activities, using appropriate interventions, staff engagement, and building a lasting workplace wellness culture. Knowledge of nutrition, exercise, sleep hygiene, and stress management will be critical.

Instructor Response Policy

During the week, I check my email throughout the day (MTWR). I will typically respond to your emails within 12-24 hours. Any emails received over the weekend will receive a response the following Monday. Do not expect a response during the evening hours or over the weekend. Emails received during an academic break will be answered once we return to campus.

Before emailing, make sure to follow the “Three then Me” rule. The “Three then Me” rule says that you search for your answer regarding the course in at least three other places before emailing me. For example, if you have a question about an assignment, consult your syllabus, your grading scale or rubric, or the assignment description on Desire 2 Learn. Please check three sources before emailing me your question. You’ll likely find the answer and not need to email me. If you don’t find the answer or need clarification, email me.

Textbook & Instructional Materials

No textbook is required, so researching the library and the internet will be required.

APA Publication Manual, 7th Edition

Required Technology Skills

All students must have internet access and be able to send and receive email; create, send, and receive Microsoft Word, Excel, Publisher, or PowerPoint documents; use Google documents, sites & slides; use the Desire 2 Learn portal through MSUTexas portal, download/use Flip and ZOOM Meeting platform for class assignments/meetings & presentations, post to discussion boards, appropriately use internet links and websites such as Google Docs, Sites, Slides, YouTube, etc.

Taking an online class requires access to a computer (with Internet access) to complete and upload your assignments. You are responsible for having (or having access to) a working computer in this class.

****Assignments are due by the due date, and personal computer technical difficulties will not be considered a reason for the instructor to allow students extra time to submit assignments, tests, or discussion postings.*** Computers are available on campus in various areas of the buildings and the Academic Success Center. Your computer being down is not an excuse for missing a deadline!! There are many places to access your class! Our online courses can be accessed from any computer in the world connected to the internet. Contact your instructor immediately if you are having computer trouble. If you have technical difficulties in the course, a student help desk is available. The college cannot work directly on student computers due to liability and resource limitations; however, they can help you connect to our online services. For help, log into [D2L](#).

Student Email Usage

Students are required to use their D2L email address for all correspondence during this course. Check that your D2L email address is listed in your D2L Personal Information. Using your D2L address ensures your privacy. If you have a different email account, you can forward your D2L email to that account, but I will only send and respond to emails within the D2L portal or from an MSUTexas address. Please make sure to include your name and course number in any email that you send. You must check your D2L email at least two (4) days per week.

When emailing, please include the class number and a detailed explanation of the purpose of the email. Also, do not email any assignments.

Course Continuity During Severe Weather:

Since this is an online course, typical weather events should not affect our class activities. However, in the unlikely case of a major winter storm that causes regional power outages, assignment deadlines would be postponed until electricity and internet access are restored. If forecasts predict a high possibility of such a severe weather occurrence, I encourage completing work early as a precaution against potential technology disruptions. However, barring a significant outage event, we will maintain normal course operations even during winter storm weather. Please reach out with any questions or concerns related to weather issues that could affect participation.

Covid

Scientific data shows that being fully vaccinated is the most effective way to prevent and slow the spread of COVID-19 and has the most significant probability of avoiding serious illness if infected in all age groups. Although MSU Texas is not mandating vaccinations in compliance with Governor Abbot's executive orders, we highly encourage eligible community members to get vaccinated. If you have questions or concerns about the vaccine, please contact your primary care physician or health care professional.

Professional Expectations

Students are expected to behave academically, interpersonally, professionally, and collaboratively in a manner consistent with standards set by the West College of Education. "By enrolling in this course, the student expressly grants MSU a 'limited right' in all intellectual property created by the student for this course. The 'limited right' shall include but shall not be limited to the right to reproduce the student's work product to verify originality, authenticity, and educational purposes." Refer to: [Student Handbook](#)

Student Honor Creed: "As an MSU Student, I pledge not to lie, cheat, steal, or help anyone else do so". You are expected to practice the highest possible standards of academic integrity. Any deviation from this expectation will result in a minimum of your failing the assignment a possible failing grade in the course, and may result in additional, more severe disciplinary measures. This includes improper citation of sources, using another student's work, and any other form of academic misrepresentation. When in doubt about collaboration, citations, or any issue, please contact me before embarking on a dangerous path.

Academic Misconduct Policy & Procedures

Students are expected to behave academically, interpersonally, professionally, and collaboratively in a manner consistent with standards set by the West College of Education.

AI

As a participant in the Kinesiology and Sport and Leisure program, your engagement in research and study related to the course topics is specifically crafted to equip you with the essential knowledge needed for success in your professional role. Relying solely on artificial intelligence to generate papers, followed

by its application in examples, raises a fundamental question about the depth of your own learning. True learning occurs when we actively engage with the material, conduct independent research, compose our own papers, and then apply the acquired knowledge to relevant examples. This active involvement in the learning process enhances understanding and prepares you to make well-informed decisions effectively. Therefore, I encourage you to take charge of your research, write your own papers, and apply your learning to real-world scenarios, fostering a comprehensive and personal grasp of the subject matter.

Plagiarism Statement

“By enrolling in this course, the student expressly grants MSU a ‘limited right’ in all intellectual property created by the student for this course. The ‘limited right’ shall include but shall not be limited to the right to reproduce the student’s work product to verify originality, authenticity, and educational purposes.”

[Student Handbook/Academic Dishonesty](#)

Academic Dishonesty

Cheating, collusion, and plagiarism (the act of using source material of other persons, either published or unpublished, without following the accepted techniques of crediting, or the submission for credit of work, not the individuals to whom credit is given). Additional guidelines on procedures in these matters may be found in the [Office of Student Conduct](#).

Plagiarism is the use of another’s thoughts, words, ideas, or line (including text written by a generation system or artificial intelligence tool) in your own work without appropriate documentation (a parenthetical citation at the end and a list on the Reference Page)-whether you use that material in a quote, paraphrase, or summary. At the very least, plagiarism will result in an F on the assignment; at worst, the consequence will be an F in the course. Offenders will be reported to the Kinesiology and Sports and Leisure Department Chair and the Dean of Students.

Plagiarism is a serious academic offense and goes against the principles of integrity and originality essential in an educational setting. In this course, we uphold a zero-tolerance policy towards plagiarism and using AI-generated content without proper attribution. It is crucial that all students understand and adhere to this policy to maintain the academic integrity of the course.

AI-generated content is not permitted in this course unless explicitly specified by the instructor. If AI-generated content is allowed for specific assignments, students must disclose this fact and provide appropriate attribution to the AI tool used. Most importantly, you must provide citations and references for all generative AI information used. Since generative AI information is not reproducible, you should save copies of your obtained information and include those documents in appendices attached to your paper or project. Full citation information can be found at the APA How to Cite link. [How to Cite ChatGPT](#)

Self-plagiarism refers to submitting work for credit that is the same or substantially similar to work prepared or submitted for another course without appropriate citation. This includes reusing previous assignments, papers, presentations, or other submissions without instructor approval. Self-plagiarism gives the impression of original work when in fact the content has already been submitted for assessment elsewhere.

Any instance of plagiarism, AI-generated content, and/or self-plagiarism will be subject to disciplinary action in accordance with the Academic Integrity Policy outlined in the [Student Handbook-2022-23](#).

By enrolling in this course, you acknowledge and agree to comply with this plagiarism and AI-generated content policy, understanding the importance of academic integrity in our learning community.

Change of Schedule

A student dropping a course (but not withdrawing from the University) within the first 12 class days of a regular semester or the first four class days of a summer semester is eligible for a 100% refund of applicable tuition and fees. Dates are published in the Schedule of Classes each semester.

Refund and Repayment Policy

A student who withdraws or is administratively withdrawn from Midwestern State University (MSU) may be eligible to receive a refund for all or a portion of the tuition, fees and room/board charges that were paid to MSU for the semester. HOWEVER, if the student received financial aid (federal/state/institutional grants, loans and/or scholarships), all or a portion of the refund may be returned to the financial aid programs. As described below, two formulas (federal and state) exist in determining the amount of the refund. (Examples of each refund calculation will be made available upon request).

Services for Students with Disabilities

In accordance with Section 504 of the Federal Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Midwestern State University endeavors to make reasonable accommodations to ensure equal opportunity for qualified persons with disabilities to participate in all educational, social, and

recreational programs and activities. After notification of acceptance, students requiring accommodations should make application for such assistance through Disability Support Services, located in the Clark Student Center, Room 168, (940) 397-4140. Current documentation of a disability will be required in order to provide appropriate services, and each request will be individually reviewed. For more details, please go to [Disability Support Services](#).

Active Shooter

The safety and security of our campus is the responsibility of everyone in our community. Each of us has an obligation to be prepared to appropriately respond to threats to our campus, such as an active aggressor. Please review the information provided by MSU Police Department regarding the options and strategies we can all use to stay safe during difficult situations. For more information, visit [Safety / Emergency Procedures](#). Students are encouraged to watch the video entitled “*Run. Hide. Fight.*” which may be electronically accessed via the University police department’s webpage: [“Run. Hide. Fight.”](#)

Senate Bill 11

Senate Bill 11 passed by the 84th Texas Legislature allows licensed handgun holders to carry concealed handguns on campus, effective August 1, 2016. Areas excluded from concealed carry are appropriately marked, per state law. For more information regarding campus carry, please refer to the University’s webpage at: [Campus Carry](#)

Smoking/Tobacco Policy

College policy strictly prohibits the use of tobacco products in any building owned or operated by WATC. Adult students may smoke only in the outside designated-smoking areas at each location.

Alcohol and Drug Policy

To comply with the Drug Free Schools and Communities Act of 1989 and subsequent amendments, students and employees of Midwestern State are informed that strictly enforced policies are in place which prohibits the unlawful possession, use or distribution of any illicit drugs, including alcohol, on university property or as part of any university-sponsored activity. Students and employees are also subject to all applicable legal sanctions under local, state and federal law for any offenses involving illicit drugs on university property or at university-sponsored activities.

Grade Appeal Process

Update as needed. Students who wish to appeal a grade should consult the Midwestern State University [MSU Catalog](#)

Notice

Changes in the course syllabus, procedure, assignments, and schedule may be made at the discretion of the instructor.
