**A COMPLETE COPY OF THIS SYLLABUS IS AVAILABLE ONLINE UNDER MY PROFILE IN THE UNIVERSITY DIRECTORY, 24 HOURS A DAY, SEVEN DAYS A WEEK. ADA COMPLIANT.**

### COURSE DESCRIPTION

*Prerequisite:* none.

Survey of the mass communication process and mass media, including print media, radio/recording, television, Internet, and emerging media. Students will learn about media issues, societal effects and trends.

Core Code: 090A - Cultural & Global Understanding

### WHY BE EXCITED ABOUT THIS COURSE

Author George Orwell said, "The people will believe what the media tells them they believe." Certainly, to some extent, that's true. So much is happening every day that we rely on newspapers, television, magazines, websites and social media to sift through it, to pick out what's important and then to talk about that. Objectively? Well, that's a topic worthy of discussion. Do they get it right? More discussion. What happens when they get it wrong? Ah, so many things to discuss, so little time.

You live in a world where, in the palm of your hand, you have access to more information than your parents when they were little had in all their books and libraries combined. But how do you choose what media to consume? How do you find the truth? "Whoever controls the media, the images, controls the culture," Allen Ginsberg, a poet, said. And with great power comes great responsibility. You have the power of the press in your hands with social media and the ability to create a website that can reach billions of people in an instant. How will you use that power or hold those with that power accountable?

### COURSE OBJECTIVES

As a result of this course, you will be able to:

- Understand and define mass communication.
- Understand and explain the function of the mass media.
- Analyze critically mass media and mass media messages.
- Demonstrate an understanding of media literacy and consumption of mass media.
- Understand the economic and social imperatives affecting message content, delivery and effects.
- Understand the influences of media content on cultural perceptions.
- Understand the characteristics of contemporary mass media, including the influence and roles of media history, media law and ethics, governmental regulation, and evolving technology.
- Analyze and discuss media message content using critical thinking skills.

- Understand the evolving roles of social media messages on politics, behavior, and culture.
- Understand the effects of globalization and consolidation on the media.

### REQUIRED

- The Associated Press Stylebook and Libel Manual (recent edition), \$20.<sup>95</sup>.  
Or online version <http://apstylebook.com/>, \$26/year
- Kahoot! app.
- A public Twitter account.

### GRADING

- 30% Attendance and daily grades (including current events)

- 10% Movie presentation and reflection (Oct. 25-28) (show trailer)
- 20% Midterm
- 20% Final

### CRITICAL THINKING

includes:

- observation
- analysis
- interpretation
- reflection
- evaluation
- inference
- explanation
- problem solving
- decision making.

Critical thinkers rigorously question ideas and assumptions rather than accepting them at face value. They will always seek to determine whether the ideas, arguments and findings represent the entire picture and are open to finding that they do not.

## STATEMENTS

As the instructor of record for this course, I reserve the right to change any part of this syllabus for any reason. The most current version of the syllabus will be maintained online. I reserve the right to drop — with an F — any students who have excessive absences, who miss assignments, who engage in disruptive behavior, have a poor attitude or who are not taking the class seriously.

## ACADEMIC DISHONESTY

Academic honesty is expected of all students in all examinations, papers, classwork, academic transactions and records. The possible sanctions include, but are not limited to, appropriate grade penalties, course failure, loss of privileges, disqualification and/or dismissal.

Neither plagiarism, the use of someone else's thoughts, words, ideas, or lines of argument in your own work without appropriate documentation, nor copyright violation in any form will be tolerated whether intentional or not. Both plagiarism and copyright violation involve the theft of intellectual property and will be considered not only a violation of the Student Honor Creed as well as University policy and applicable laws. To avoid any instances of plagiarism or copyright violation, credit the sources of all information appropriately and obtain written permission for the use of copyrighted works when necessary.

Fabrication and falsification are unacceptable. Falsification is the changing or omission of research results including misquoting a source. Fabrication is the construction and/or addition of data, observations, or characterizations that never occurred including making up quotations from real or fictional sources.

Cheating and collusion are also unacceptable. Cheating includes, but is not limited to: (1) use of any unauthorized assistance in taking quizzes, tests, or examinations; (2) dependence upon the aid of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments; or (3) the acquisition, without permission, of tests or other academic material belonging to a member of the university faculty or staff. The term "plagiarism" includes, but is not limited to, the use, by paraphrase or direct quotation, of the published or unpublished work of another person without full and clear acknowledgment. It also includes the unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic materials. The term "collusion" means collaboration with another person in preparing work offered for credit of that collaboration is not authorized by the faculty member in charge.

## STUDENT HONOR CREED

"As an MSU Student, I pledge not to lie, cheat, steal, or help anyone else do so."

As students at MSU, we recognize that any great society must be composed of empowered, responsible citizens. We also recognize universities play an important role in helping mold these responsible citizens. We believe students themselves play an important part in

developing responsible citizenship by maintaining a community where integrity and honorable character are the norm, not the exception. Thus, We, the Students of Midwestern State University, resolve to uphold the honor of the University by affirming our commitment to complete academic honesty. We resolve not only to be honest but also to hold our peers accountable for complete honesty in all university matters. We consider it dishonest to ask for, give, or receive help in examinations or quizzes, to use any unauthorized material in examinations, or to present, as one's own, work or ideas which are not entirely one's own. We recognize that any instructor has the right to expect that all student work is honest, original work. We accept and acknowledge that responsibility for lying, cheating, stealing, plagiarism, and other forms of academic dishonesty fundamentally rests within each individual student. We expect of ourselves academic integrity, personal professionalism, and ethical character. We appreciate steps taken by University officials to protect the honor of the University against any who would disgrace the MSU student body by violating the spirit of this creed. | *Written and adopted by the 2002-2003 MSU Student Senate.*

## STUDENT CONDUCT

Classroom behavior that interferes with either the instructor's ability to conduct the class or the ability of other students to profit from the instruction will result in the removal of that student from class. Such students may be referred to the appropriate university departments including, but not limited to, the University Police, Office of the Dean of Students, Vinson Health Center or the Counseling Center.

## TITLE IX

Social justice is one of Midwestern State University's stated core values. The professor considers this classroom to be a place where everyone will be treated with respect as a human being — regardless of gender, race, ethnicity, national origin, religious affiliation, sexual orientation, political beliefs, age, or ability. Additionally, diversity of thought is appreciated and encouraged, provided you can agree to disagree. **It is the professor's expectation that ALL students consider the classroom a safe environment.**

MSU officials strive to create and actively promote a welcoming and supportive environment in order to recruit, hire, retain, and support a culturally diverse faculty, staff, and student body. Midwestern State University officials are committed to providing an environment of nondiscrimination and equal opportunity. In accordance with federal and state law, the University prohibits unlawful discrimination, including harassment, on the basis of race, age, color, religion, sex, sexual orientation, gender identity, national or ethnic origin, veteran's status, disability, or citizenship. Retaliation against individuals who in good faith file a claim of discrimination or otherwise oppose discriminatory actions will not be tolerated.

At Midwestern State University, the Title IX Department conducts investigations into possible

violations of MSU's Sexual Misconduct Policy, as well as oversees the university's primary prevention and education programming related to sexual assault, interpersonal violence, and sexual harassment.

Effective Jan. 1, 2020 SB212 creates a Class B misdemeanor offense for a person who is required to make a report of an incident of sexual harassment, sexual assault, dating violence or stalking, to report it but knowingly fails to do so.

The crime must allegedly have been committed by or against a student or employee of the institution and it must be reported, promptly, to the institution's Title IX coordinator or deputy Title IX coordinator.

#### **STUDENTS WITH DISABILITIES / SPECIAL NEEDS**

The Americans with Disabilities Act is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you believe you have a disability requiring an accommodation, please contact the Disability Support Services in Room 168 of the Clark Student Center, 397-4140.

Students that need course adaptations or accommodations because of a disability, that need to share emergency medical information, or students that require special accommodations in the event of an emergency should contact Dr. Wilson as soon as practical.

#### **STUDENT PRIVACY STATEMENT**

The *Family Educational Rights and Privacy Act* prohibits me from releasing information about students to certain parties outside of the university without the signed consent of the student. Thus, in almost all cases I will not discuss your academic progress or other matters with your parents or any other party. Do not have them call me. Regardless of these important legal considerations, it is my general policy to communicate with the students, not their parents, even when a student has signed a consent form.

<http://www.ed.gov/policy/gen/guid/fpco/ferpa/>

#### **PERSONAL TECHNOLOGY**

Cell phones and tablet devices must be silenced and put away. The first time the instructor sees a device, the student will be warned about the use of the device. The instructor will ask the student to leave the class and to visit with the instructor.

In an emergency requiring the use of a cell phone — on vibrate, notify the instructor and leave the class to handle the emergency.

Personal computers are permitted in class only for the purpose of taking notes and only if approved in advance by the instructor.

Students should never use only technology to record an interview but should instead supplement it with written notes.

#### **ATTENDANCE**

Students are expected to be in class each and every time the class meets. Students will not be able to make up unannounced quizzes given in classes they miss. E-mail Dr. Wilson prior to the absence as a courtesy. Students are responsible for making up any work missed on their own time, working with classmates.

If you need to miss class due to University-sponsored events such as field trips or athletics, see me as far in advance as possible. You will be required to complete the assigned work on or before the due date, and you will be required to submit an official form from the University before your absence.

Students with excused absences — as determined by the Office of the Dean of Students or other appropriate University departments — may make up major exams on a schedule mutually agreeable with the instructor and the student. Projects and stories with advance deadlines will not be accepted late. Plan ahead.

After a warning, a student with more than four absences may be dropped from a course by the instructor.

#### **GRADING**

Grading is on a scale of:

≥90	A	Excellent
80-89	B	Good
70-79	C	Satisfactory
60-69	D	Passing
<60	F	Failing

Semester grading follows the same scale.

Grading will be determined from specific assignments, projects, written exams, quizzes, a final exam, and class attendance. Take home assignments are due when announced and will not be accepted late. Any assignment turned in after the deadline receives a grade of zero. Written exams will include material covered in the class and may include, but may not be limited to, multiple choice, short answer, and essay questions.

The instructor reserves the right to add, adjust, or cancel assignments as the course progresses. The method of obtaining the final grade will remain essentially the same: the total points achieved will be divided by the total points possible to obtain a percentage, and a grade will be assigned according to a percentage scale.

#### **WRITING PROFICIENCY**

All students seeking a bachelor's degree from Midwestern State University must satisfy a writing proficiency requirement once they've 1) passed English 1113 and English 1123 and 2) earned 60 hours. You may meet this requirement by passing either the Writing Proficiency Exam or English 2113. Please keep in mind that, once you've earned more than 90 hours, you lose the opportunity to take the \$25 exam and have no option but to enroll in the three-credit hour course.

# COVID-19

in the fall of 2021

## FALL 2021

The structure of the source this fall has been modified in accordance with guidelines from university officials and the Centers for Disease Control and Prevention. The health, safety and well-being of the students, faculty and staff is the university's top priority.

## MASKS

Masks or appropriate face coverings will be required of all faculty, staff and students while in class and in classroom buildings — at all times. If you do not have a mask or are not wearing it, you will be asked to leave.

## HAND SANITIZER

Students should use hand sanitizer or should wash their hands before entering class and after leaving class.

## STATION SANITIZATION

Students should clean their work area in the classroom before class begins AND before leaving the classroom. Disinfectant will be placed in classrooms along with paper towels for student use.

## EXPOSURE TO COVID-19

In the event that a student has been in close contact with someone that tests positive for COVID-19, the student should immediately notify the Vinson Health Center, who will direct him or her in quarantine procedures.

## CONFIRMED COVID-19

In the event that a student tests positive for COVID-19, the student should immediately notify his or her physician and Vinson Health Center. Self-isolation procedures will be directed by the appropriate county health department, who will assign a case manager. If a student is required to self-isolate due to a positive test, the student may be asked to temporarily vacate his or her current housing location and return to his or her permanent residence or to move to a different on-campus location to complete self-isolation until the student meets the CDC guidelines for return.

## ATTENDANCE

Do NOT come to class if you are exhibiting any of the signs of the new coronavirus.

Because this class will use a face-to-face model, students will be required to attend class and will be assigned a seat so that contact with students can be tracked if necessary.

If course enrollment exceeds the maximum capacity for the room as allowed by university guidelines during the pandemic, students will be designed to attend class online or in person. That routine will be worked out with students during the first week of class. However, attendance will still be required and recorded.

After a warning, a student with more than four absences may be dropped from a course by the instructor. Absences due to official university functions or documented illness will be dealt with on an individual basis and should be discussed with the instructor outside of class time.

## ONLINE REQUIREMENTS

This class will use some online instruction, students should become familiar with the online learning management system Brightspace by D2L. As it has for eight years, this course, as with all courses, will contain the minimum information in Brightspace:

- Syllabus
- Course communication
- Course schedule
- Gradebook
- Online faculty office hours

Students should have access to Brightspace, email and a webcam to complete the online components of the course.

## TRANSITION TO ONLINE

If and when mandated by university or state officials, this course may move to an online model. Because some components of this course are already online, this transition should be relatively smooth. However, the class will continue to meet at the scheduled day/time as indicated in the course schedule. Attendance will still be required. After a warning, a student with more than four absences may be dropped from a course by the instructor. Absences due to official university functions or documented illness will be dealt with on an individual basis and should be discussed with the instructor outside of class time. There are no "excused" absences from regular class periods online or in person.
