

Instructor: Mark Farris **e-mail:** mark.farris@msutexas.edu **Phone:** 940-642-3312 **Office:** BO118J

Textbook: College Algebra, 2nd Ed. (McGraw-Hill) by Miller and Gerken. The textbook along with and a significant amount of required course material are available through D2L. Required materials for this course are part of the Courseware Access and Affordability Program at MSU Texas. Students are charged for required course materials on their student account with the Business Office. Any students who wish to opt-out of the Program and purchase the required course materials on their own must do so prior to 6/4/20. Opt-out instructions are sent to students' official my.msutexas.edu email address after the first day of class. Please contact the MSU Bookstore if you have any questions about the opt-out process.

Objectives: Your primary objective will be to learn correct use of mathematical terminology and notation. You will also be learning problem solving skills from the point of view of a mathematician. A student who completes this course with a grade of C or better may take MATH1433-Plane Trigonometry.

Please note that this course extends through both summer terms. It officially ends on Thursday, August 6. It is possible to finish the course early. This course is self-paced. If you want to finish before August 6, we can work out arrangements. Finishing early will mean, however, that you need to work through the material more quickly.

Prerequisite: No College level coursework is required before beginning this course. However, students must meet the requirements of the [Texas Success Initiative](#).

Grading: Your grade will be based on 4 Chapter grades, 2 Midterm Graded Knowledge Checks, and a Proctored Final Knowledge Check. These items will be weighted like this:

4 Chapter grades @ 10% each	40%
1 st Graded Knowledge Check	10%
2 nd Graded Knowledge Check	10%
Proctored Final Knowledge Check	40%

Grades will be computed on the usual basis, 90% for an A, 80% for a B, etc. However, poor performance on the Final Knowledge Check could lower your course grade. You must score at least 80% on the final to receive a grade of A, 70% for a B, 60% for a C, and 50% for a D.

Proctored Final Knowledge Check: Your final exam in this course will be proctored using ProctorU. There is a \$25 fee for this service payable directly to ProctorU. You don't need to schedule your exam with ProctorU until late in July, but you can go to the [MSUTexas ProctorU Portal](#) soon to make sure you have the proper technology requirements.

Attendance: Since this is an online course, there are no class meetings to attend. However, ALEKS will track the time you spend working on this course. You should expect to spend somewhere between 4 and 8 hours online each week. **Only** the strongest students can get away with spending less than 4 hours per week. Weaker student may need more than 8 hours per week. Success in this course normally requires work done a steady pace and at least some work every day or two. Ignoring the course for an uninterrupted week or more will result in you having to spend time relearning material you have forgotten.

Exam Schedule: The 2 Graded Knowledge Checks and the Proctored Final Knowledge Check will be taken online. Each of these Knowledge Checks should take about one to two hours. Exceeding two hours on one of these Knowledge Checks might invoke a penalty. The dates for these exams are in the following table.

<i>Knowledge Check</i>	<i>Earliest Start Time</i>	<i>Latest End Time</i>
Graded Knowledge Check 1	Wed Jun 24, 2020 12:01AM	Thurs Jun 25, 2020 11:59PM
Graded Knowledge Check 2	Wed July 22, 2020 12:01AM	Thurs July 23, 2020 11:59PM
Proctored Final Knowledge Check	Wed Aug 5, 2020 12:01AM	Thurs Aug 6, 2020 11:59PM

Expectations: I expect you to

- Log onto ALEKS at least 3 days per week and Log onto D2L at least twice each week
- use online time wisely
- ask specific, thoughtful questions (message through ALEKS or email mark.farris@msutexas.edu)
- put forth your best effort every day
- make at least a "C" in this class

Standard Syllabus Information: Students should refer to the current MSU Student Handbook for university policies on academic dishonesty, class attendance, student rights and activities.

Senate Bill 11 passed by the 84th Texas Legislature allows licensed handgun holders to carry concealed handguns on campus, effective August 1, 2016. Areas excluded from concealed carry are appropriately marked, in accordance with state law. For more information regarding campus carry, please refer to the University's webpage [Campus Carry Rules/Policies](#).
