Projects Required

Students will complete four major projects and several additional assignments, including research, sketches, and presentations (critiques) throughout the semester. Class sessions will include lectures, demonstrations, individual and group discussions, as well as work sessions. Students are required to maintain a **sketchbook/notebook** and may be asked to share sketches to discuss their ideas. Additionally, students must provide their own materials for the course. The average cost for materials and tools is estimated to range from \$100 to \$250 for the semester. Please refer to the provided materials list for details.

Grading

1. Project Grades (80% of Final Grade)

The standard expectation for a 3-credit course in higher education is approximately **6–9 hours** of work outside of class per week. The exact amount may vary depending on the nature of the assignments, individual work habits, and skill levels. Homework assignments and project due dates will be provided throughout the semester.

Extra Credit

Students are allowed to resubmit their projects assignment for extra credit. Additional opportunities for extra credit may be offered during the semester.

Late Work

Late projects or failure to attend critiques may result in a reduction of up to **40%** of the project grade.

Make-up Work/Assignment

Students may be permitted to submit make-up work or assignments under specific circumstances with the instructor's approval.

Important Dates

Deadline to file for December graduation: September 21, 2026

Attendance

Students are expected to attend all meetings of the classes in which they are enrolled.

Students enrolled in the Juanita and Ralph Harvey School of Visual Arts must comply with the following department-wide Attendance and Lateness Policy:

- Students arriving after class begins will be considered late, and ten minutes after will be counted absent.

- THREE late arrivals count as a single absence.
- Students may be absent from class THREE times without penalty and without providing any documentation regarding the absence.
- If students incur a FOURTH absence, their final course evaluation will be reduced by a full letter grade.
- If students are absent or late FIVE times, whatever the reason, they will receive a FAILING GRADE, be dropped from the class roll, and be asked to stop attending class.

*Faculty members have the discretion to make exceptions to this policy based on individual circumstances.

Additional Attendance and Related Policy

Students are responsible for obtaining any information or materials missed during absences. To qualify for an excused absence, students must provide official documentation, such as a doctor's note, an obituary, or a letter from the [Dean of Students](#) or another instructor

➤ **If a student misses all 3 of the gallery openings and does not write a paper for each of them to make it up the student's final grade will be dropped by 10%.**

Weather Closure Policy

In the event of a campus closure due to inclement weather, this class will be canceled. If an assignment due date falls on a day when the campus is closed, the due date will be postponed to the next class session after the campus reopens. For updates and further instructions, please check D2L regularly.

Online Computer Requirements

It is your responsibility to have (or have access to) a working computer in this class. ***Assignments and tests are due by the due date, and personal computer technical difficulties will not be considered a reason for the instructor to allow students extra time to submit assignments, tests, or discussion postings.** Computers are available on campus in various areas of the buildings as well as

the Academic Success Center. ***Your computer being down is not an excuse for missing a deadline!** There are many places to access your class! Our online classes can be accessed from any computer in the world that is connected to the internet. Contact your instructor immediately upon having computer trouble. If you have technical difficulties in the course, there is also a student helpdesk available to you. Disruption of Teaching

Disruption or obstruction of teaching, research, administration, disciplinary proceedings, or other university activities authorized to be held or conducted on the premises of Midwestern State University. Such activity includes classroom behavior that interferes with either the instructor's ability to conduct the class or the ability of other students to profit from the instructional program.

An instructor may drop a student any time during the semester for excessive absences, for consistently failing to meet class assignments, for an indifference attitude, or for disruptive conduct.

Student privacy statement

Federal law prohibits the instructor from releasing information about students to parties outside of the university without the signed consent of the student. Thus, in almost all cases the instructor will not discuss a student's academic progress or other matters with his/her parents.

Artificial Intelligence (AI) Policy

You are permitted to use artificial intelligence (AI) tools to assist you in gathering information and brainstorming ideas but you may not copy and paste information directly from the AI tool and present it as your own without citation ([APAStyle.org](https://apastyle.org)). You are responsible for the information you submit based on an AI query and for assuring that it does not contain misinformation or unethical content and that it does not violate intellectual property laws. You are expected to include a disclosure statement for each assignment describing which AI tool you used and how you used it. For example, *"ChatGPT was used to provide revision assistance. AI-produced content was edited for accuracy and style."* Your use of AI tools must be properly documented and cited for academic integrity.

Refund and Repayment Policy

A student who withdraws or is administratively withdrawn from Midwestern State University (MSU) may be eligible to receive a refund for all or a portion of the tuition, fees, and room/board charges that were paid to MSU for the semester. However, if the student received financial aid (federal/state/institutional grants, loans, and/or scholarships), all or a portion of the refund may be returned to the financial aid programs. As described below, two formulas (federal and state) exist in determining the amount of the refund. (Examples of each refund calculation will be made available upon request).

College Policies

Campus Carry Rules/Policies

Effective August 1, 2016, the Campus Carry law (Senate Bill 11) allows those licensed individuals to carry a concealed handgun in buildings on public university campuses, except in locations the University establishes as prohibited. The new Constitutional Carry law does not change this process. Concealed carry still requires a License-to-carry permit, and openly carrying handguns is not allowed on college campuses.

For more information, visit [Campus Carry Rules and Policies](#), and [Campus Carry](#).

Smoking/Tobacco Policy

College policy strictly prohibits the use of tobacco products in any building owned or operated by WATC. Adult students may smoke only in the outside designated smoking areas at each location.

Alcohol and Drug Policy

To comply with the Drug-Free Schools and Communities Act of 1989 and subsequent amendments, students and employees of Midwestern State are informed that strictly enforced policies are in place which prohibit the unlawful possession, use, or distribution of any illicit drugs, including alcohol, on university property or as part of any university-sponsored activity. Students and employees are also subject to all applicable legal sanctions under local, state, and federal law for any offenses involving illicit drugs on University property or at University-sponsored activities.

Active Shooter

The safety and security of our campus is the responsibility of everyone in our community. Each of us has an obligation to be prepared to appropriately respond to threats to our campus, such as an active aggressor. Please review the information provided by the MSU Police Department regarding the options and strategies we can all use to stay safe during difficult situations.
