1989-1992

University of North Texas.

**Graduate Teaching Fellow**

- Taught pre-algebra as self-paced course
- Taught college algebra, structure of the number system, and probability and statistics as lecture courses
- Worked as math lab tutor
- Served as placement advisor for incoming freshmen
- Served on textbook selection committee for pre-algebra
- Designed departmental course syllabus and tests for pre-algebra

1989

Midwestern State University.

**Math Instructor**

- Taught beginning algebra lecture
- Supervised developmental mathematics computer lab

**Scholarly Activity:**

1994 – present

Textbook Reviewer.

- Reviewed developmental mathematics and college algebra textbooks for Prentice Hall, McGraw Hill, Addison Wesley, Brooks/Cole and Pearson
- Created transition guide for Brooks/Cole intermediate algebra textbook

**Service:**

2024

Member of hiring committee for Assistant to the Dean position

2018-2022

Member of hiring committee for the mathematics lecturer positions

2016

Texas Higher Education Coordinating Board – Austin, TX

- Selected member of the Learning Outcomes Work Group for Developmental Mathematics – charged with writing the course descriptions and learning outcomes for the Lower Division Course Guide Manual.

2007-present

I.C. Evans Elementary – Burkburnett, TX

- Present geometry and problem solving lessons to 4<sup>th</sup> and 5<sup>th</sup> grade classes

2004-present

Math Science and U – girl's conference

1998-2007

Burkburnett Middle School – Burkburnett, TX

- Presented geometry, problem solving, and fraction lessons to 7<sup>th</sup> grade classes

1996-2004

Wichita Falls Episcopal School – Wichita Falls, TX

- Presented geometry, problem solving, and instruction lessons to 6<sup>th</sup> grade class
