Course Objectives

1. Improve playing technique as individuals and within small ensembles.
2. Learn new music for public performances throughout the semester.
3. Rehearse compositions written and/or transcribed for small ensembles and percussion instruments.
4. Gain experience through activities relating to professional development in music education.

Student Learning Outcomes

SLOs are also aligned with the Texas Examinations of Educator Standards (TExES) State Board of Educator Certification (SBEC) EC-12 music standards. Please see Appendix A for a complete listing of the SBEC music standards.

Service Learning Project

This course is designated with a “Service Learning” distinction. The service learning project for this course consists of assisting with two local marching band events: WFISD Pre-UIL Band Night (Monday, October 5th) and Region 7 North-Zone Marching Contest (Saturday, October 17th). The purpose of this project is to deepen student understanding of each of the three student learning outcomes listed above.

All students enrolled in this course will assist with one of the many tasks involved in organizing and running each of these events. Specific jobs and tasks will be assigned at least one week before the first event. After the conclusion of the second event, each student will submit a 300-word reflective essay detailing what they learned from the service project. This essay will be due at our final meeting on Monday, November 9th. Assessment will be given using the rubric below.

Growth Area	Excellent	Meets Expectations	Needs Improvement
Growth in pedagogical understanding	Demonstrated heightened understanding of marching band performance, repertoire and rehearsal techniques directly due to assistance with these events.	Showed deepened understanding of marching band performance, repertoire or rehearsal techniques at least tangentially related to serving at these events.	Did not show deepened understanding of marching band performance, repertoire or rehearsal techniques or did not relate the learning to the service project.
Growth in administrative understanding	Demonstrated heightened understanding of marching band administration directly due to assistance with these events.	Showed deepened understanding of marching band administration at least tangentially related to serving at these events. Academic Misconduct Policy to Procedures

Academic Dishonesty: Cheating, collusion, and plagiarism (the act of using source material of other persons, either published or unpublished, without following the accepted techniques of crediting, or the submission for credit of work, not the individual to whom credit is given). Additional guidelines on procedures in these matters may be found in the Office of Student Conduct.

Moffett Library

Moffett Library provides resources and services to support student's studies and assignments, including books, peer-reviewed journals, databases, and multimedia materials accessible both on campus and remotely. The library offers media equipment checkout, reservable study rooms, and research assistance from librarians to help students effectively find, evaluate, and use information. Get started on this [Moffett Library webpage](#) to explore these resources and learn how to best utilize the library.

Student Assessment

Students will be assessed on their ability to arrive before rehearsal and be prepared to play at the assigned rehearsal time, arrive with music prepared for upcoming performances, and participate throughout the class

period. Students will also be given feedback on their service learning project essay, although this will not be weighted in the student's final grade.

Grading

The student's final grade will consist of the following evaluations:

- Daily Attendance, Preparation, and Participation: 50%
- Knowledge and Memorization of Music and Drill: 50%

Grading Scale: Refer to University Code regarding + and – grading scale.

A = 90 – 100

Desire-to-Learn (D2L)

Use of the MSU D2L program is a part of this course. Each student is expected to be familiar with this program as it provides a primary source of communication regarding assignments, examination materials, and general course information. You can log into D2L through the MSU Homepage. If you experience difficulties, please contact the technicians listed for the program or contact your instructor.

Please note: This class requires you to have access to a computer (with Internet access) to complete certain activities, check for class news updates, have access to materials, instructions, resources and to upload your assignments in D2L. It is your responsibility to have (or have access to) a working computer in this class. Each time you log into D2L is documented. You should open D2L often to reference content, materials, and updates.

Attendance/Active Discussion/Participation

Attendance at every assigned rehearsal is expected. Students should arrive early to assemble equipment and then be prepared to play once the clock strikes the assigned rehearsal time. Two (2) unexcused absences will result in the maximum grade of a B, three (3) unexcused-maximum grade of C, four (4) unexcused-maximum grade of D. Any more unexcused absences result in a failing grade. Dr. Luttrell must approve any excused absence at least 48 hours IN ADVANCE of the rehearsal, or the student must provide official documentation of illness or family emergency for an absence to be classified as "excused." Any student who is absent from a performance will be removed from the ensemble and receive an "F" for their final semester grade.

Instructor Class Policies

I expect all students to be in every class with music and instrument. Be prepared to move, to play, and to work together in a positive environment.

Behavior that interferes with either the instructor's ability to conduct the class or the ability of other students to benefit from the instruction will result in the instructor removing the disruptive student(s) from the class, either temporarily or permanently (instructor drop), and assigning a final lower grade, up to and including an F. In addition (depending on the nature of the behavior or conduct), the student(s) may be subject to further disciplinary actions as per MSU policies.

Online Computer Requirements

Taking an online class requires you to have access to a computer (with Internet access) to complete and upload your assignments. It is your responsibility to have (or have access to) a working computer in this class.

****Assignments and tests are due by the due date, and personal computer technical difficulties will not be considered reason for the instructor to allow students extra time to submit assignments, tests, or discussion postings.*** Computers are available on campus in various areas of the buildings as well as the Academic Success Center. ****Your computer being down is not an excuse for missing a deadline!!*** There are many places to access your class! Our online classes can be accessed from any computer in the world which is connected to the internet. Contact your instructor immediately upon having computer trouble. If you have technical difficulties in the course, there is also a student helpdesk available to you. The college cannot work directly on student computers due to both liability and resource limitations however they are able to help you get connected to our online services. For help, log into D2L.

Recording Classes

****Recording classes is generally prohibited without the professor's explicit permission.*** Such recordings, when permitted, are for personal use only and may not be uploaded to the internet or otherwise shared, transmitted, or published without the professor's prior consent. Some faculty may not permit recordings of their classes. When it is feasible and appropriate, students may record classes to accommodate disabilities under the Americans

With Disabilities Act, with prior approval of Disability Support Services. Such recordings may not be uploaded to the internet or otherwise shared, transmitted, or published.

Change of Schedule

A student dropping a course (but not withdrawing from the University) within the first 12 class days of a regular semester or the first four class days of a summer semester is eligible for a 100% refund of applicable tuition and fees. Dates are published in the Schedule of Classes each semester.

Refund and Repayment Policy

A student who withdraws or is administratively withdrawn from Midwestern State University (MSU) may be eligible to receive a refund for all or a portion of the tuition, fees, and room/board charges that were paid to MSU for the semester. However, if the student received financial aid (federal/state/institutional grants, loans, and/or scholarships), all or a portion of the refund may be returned to the financial aid programs. As described below, two formulas (federal and state) exist in determining the amount of the refund. (Examples of each refund calculation will be made available upon request).

Services for Students with Disabilities

In accordance with Section 504 of the Federal Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Midwestern State University endeavors to make reasonable accommodations to ensure equal opportunity for qualified persons with disabilities to participate in all educational, social, and recreational programs and activities. After notification of acceptance, students requiring accommodations should make an application for such assistance through Disability Support Services, located in the Clark Student Center, Room 168, (940) 397-4140. Current documentation of a disability will be required in order to provide appropriate services, and each request will be individually reviewed. For more details, please go to [Disability Support Services](#).

Emergency Aid Resources for Basic Needs

Unexpected life circumstances can affect anyone. If you are experiencing challenges meeting basic needs—such as housing, utilities, food, transportation, healthcare, technology, textbooks or other life necessities, resources may be available to help. College policy strictly prohibits the use of tobacco products in any building owned or operated by WATC. Adult students may smoke only in the outside designated-smoking areas at each location.

Alcohol and Drug Policy

To comply with the Drug-Free Schools and Communities Act of 1989 and subsequent amendments, students and employees of Midwestern State are informed that strictly enforced policies are in place which prohibit the unlawful possession, use, or distribution of any illicit drugs, including alcohol, on university property or as part of any university-sponsored activity. Students and employees are also subject to all applicable legal sanctions under local, state, and federal law for any offenses involving illicit drugs on University property or at University-sponsored activities.

The new Constitutional Carry law does not change this process. Concealed carry still requires a License-to-carry permit, and openly carrying handguns is not allowed on college campuses. For more information, visit [Campus Carry](#).

Active Shooter

The safety and security of our campus is the responsibility of everyone in our community. Each of us has an obligation to be prepared to appropriately respond to threats to our campus, such as an active aggressor.
