Academic Misconduct Policy & Procedures

Academic Dishonesty: Cheating, collusion, and plagiarism (the act of using source material of other persons, either published or unpublished, without following the accepted techniques of crediting, or the submission for credit of work not the individual's to whom credit is given). Additional guidelines on procedures in these matters may be found in the Office of Student Conduct.

Moffett Library

Moffett Library provides resources and services to support student's studies and assignments, including books, peer-reviewed journals, databases, and multimedia materials accessible both on campus and remotely. The library offers media equipment checkout, reservable study rooms, and research assistance from librarians to help students effectively find, evaluate, and use information. Get started on this [Moffett Library webpage](#) to explore these resources and learn how to best utilize the library.

Grading

This course will use an alternative competency-based grading model. This section will lay out the details of this system so that you know what you must achieve to earn a particular grade.

Table 1: Assignments Required for Final Grade

Assignments	A	B	C	D
8 Fluency Quizzes (SBEC 004.B)	Proficient or higher on all 8	Developing or higher on all 8	All 8 attempted	At least 6 attempted
5 Analysis Unit Assessments (SBEC 004.D, SBEC 004.E)	Proficient or higher on all 5	Developing or higher on all 5	Developing or higher on 3	
5 Composition Unit Assessments (SBEC 005.A)	Proficient or higher on all 5	Developing or higher on all 5	Developing or higher on 3	
2 Composition Projects (SBEC 005.A)	Developing or higher on 2	Developing or higher on 1

Proficient (PRO)	70-85%
Developing (DEV)	50-69%
Needs Improvement (NI)	1-49%
Did Not Attempt (DNA)	0%

Fluency Quizzes

Fluency quizzes are designed to measure your comfort and speed with the identification (e.g. labeling a chord) and construction (e.g. building a chord on the treble clef staff) of music fundamentals, as described in Student Learning Outcome SBEC 004.B. As you progress through your study of music theory, you should become more fluent with these fundamentals. To help you achieve this goal, fluency quizzes are offered in every music theory course.

These fluency quizzes will be taken on D2L and involve clicking on a notation or a label. You may request an oral fluency exam via Zoom or in person in lieu of any electronic timed quiz. You may take these quizzes as many times as you like throughout the semester to raise your grade. All quizzes are due **by the last day of classes at 11:59 p.m. CST**, but I will provide you with recommended due dates throughout the semester to help you manage your workload. **To pass the course with a C or higher, you must demonstrate that you have attempted all fluency quizzes.**

Unit Assessments

There will be four units in this course that cover Student Learning Objectives SBEC 004.D, 004.E, and 005.A. Each unit will cover two skills: analysis and composition (realization/part-writing).

- Unit 1: Tonic and Dominant Chords in Root Position
- Unit 2: Tonic and Dominant Chords in Inversion
- Unit 3: Cadential and Pedal Six-Four Chords
- Unit 4: Predominant Chords
- Unit 5: Leading Tone and Submediant Chords

A pretest will be given at the beginning of each unit of study. If you pass a competency measured on the pretest, you will be exempt from any homework or examinations relating to the material from that competency. (e.g. If you pass the analysis portion of the Unit 1 pretest, you will only need to complete any assignments/exams for the composition portion of the unit.

Exams

There will be 5 exams for each of the 5 units. Retakes of unit exams will be allowed for scores of Needs Improvement (NI) or Developing (DEV). No retakes will be allowed for Did Not Attempt (DNA). The student should book an appointment through Calendly to schedule a unit exam retake.

Composition Project

Students will have the opportunity to complete two composition projects this semester—the creation of a simple piano accompaniment based on 4-part writing and a composition using diatonic chords. These projects will be due at the end of the semester.

Important Dates

- Last day for term schedule changes: Check date on [Academic Calendar](#).
- Deadline to file for graduation: Check date on [Academic Calendar](#).
- Last Day to drop with a grade of "W:" Refer to: [Drops, Withdrawals & Void](#)

Desire-to-Learn (D2L)

Extensive use of the MSU D2L program is a part of this course. Each student is expected to be familiar with this program as it provides a primary source of communication regarding assignments, examination materials, and general course information. You can log into [D2L](#) through the MSU Homepage. If you experience difficulties, please contact the technicians listed for the program or contact your instructor.

Attendance

Students are expected to attend all meetings of the classes in which they are enrolled unless exempted by the instructor.

Online Computer Requirements

This class requires you to have access to a computer or mobile device (with Internet access) to complete and upload your assignments. It is your responsibility to have (or have access to) a working computer or mobile device in this class. ****Assignments and tests are due by the due date, and personal computer technical difficulties will not be considered reason for the instructor to allow students extra time to submit assignments, tests, or discussion postings.*** Computers are available on campus in various areas of the buildings as well as the Academic Success Center. If you have technical difficulties in the course, there is also a student helpdesk available to you. The college cannot work directly on student computers due to both liability and resource limitations however they are able to help you get connected to our online services. For help, log into [D2L](#).

Hearing Loss and Health

As a musician, your hearing is one of your most valuable assets. Unfortunately, high exposure to sound-producing activities can lead to noise-induced hearing loss. While this can be temporary, it can lead to tinnitus (ringing in the ears), permanent loss of hearing (particularly in the higher frequencies), and deafness. In addition to affecting a student's enjoyment of music, it also may render them incapable of continuing as a professional musician or music educator.

Musicians are also susceptible to musculoskeletal and vocal injury, particularly overuse injury. Failure to take adequate precautions can greatly shorten a student's performing career.

Means to minimize risks associated with hearing loss and performance-related injuries will be discussed during applied lessons and/or masterclasses. Faculty members can only present information to students and offer resources and assistance in seeking professional medical help when needed. The student has the final responsibility to take proper precautions.

Change of Schedule

A student dropping a course (but not withdrawing from the University) within the first 12 class days of a regular semester or the first four class days of a summer semester is eligible for a 100% refund of applicable tuition and fees. Dates are published in the Schedule of Classes each semester.

Refund and Repayment Policy

A student who withdraws or is administratively withdrawn from Midwestern State University (MSU) may be eligible to receive a refund for all or a portion of the tuition, fees and room/board charges that were paid to MSU for the semester. HOWEVER, if the student received financial aid (federal/state/institutional grants, loans and/or scholarships), all or a portion of the refund may be returned to the financial aid programs. As described below, two formulas (federal and state) exists in determining the amount of the refund. (Examples of each refund calculation will be made available upon request).

Services for Students with Disabilities

In accordance with Section 504 of the Federal Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Midwestern State University endeavors to make reasonable accommodations to ensure equal opportunity for qualified persons with disabilities to participate in all educational, social, and recreational programs and activities. After notification of acceptance, students requiring accommodations should make application for such assistance through Disability Support Services, located in the Student Wellness Center, (940) 397-4140. Current documentation of a disability will be required in order to provide appropriate services, and each request will be individually reviewed. For more details, please go to [Disability Support Services](#).

College Policies

Campus Carry Rules/Policies

Refer to: [Campus Carry Rules and Policies](#)

Smoking/Tobacco Policy

College policy strictly prohibits the use of tobacco products in any building owned or operated by WATC. Adult students may smoke only in the outside designated-smoking areas at each location.

Alcohol and Drug Policy

To comply with the Drug Free Schools and Communities Act of 1989 and subsequent amendments, students and employees of Midwestern State are informed that strictly enforced policies are in place which prohibits the unlawful possession, use or distribution of any illicit drugs, including alcohol, on university property or as part of any university-sponsored activity. Students and employees are also subject to all applicable legal sanctions under local, state and federal law for any offenses involving illicit drugs on University property or at University-sponsored activities.

Campus Carry

Effective August 1, 2016, the Campus Carry law (Senate Bill 11) allows those licensed individuals to carry a concealed handgun in buildings on public university campuses, except in locations the University establishes has prohibited. The new Constitutional Carry law does not change this process. Concealed carry still requires a License to Carry permit, and openly carrying handguns is not allowed on college campuses. For more information, visit [Campus Carry](#).

Active Shooter

The safety and security of our campus is the responsibility of everyone in our community. Each of us has an obligation to be prepared to appropriately respond to threats to our campus, such as an active aggressor. Please review the information provided by MSU Police Department regarding the options and strategies we can all use to stay safe during difficult situations. For more information, visit [MSUReady – Active Shooter](#). Students are encouraged to watch the video entitled “Run. Hide. Fight.” which may be electronically accessed via the University police department’s webpage: ["Run. Hide. Fight."](#)
