Brightspace Pulse sends you push notifications for announcements, assignments, and grades. It also allows you to review course content off-line when you have no cell service or wi-fi available.

## Technology

Daily attendance will require the use of a smart phone, tablet, or laptop. Access to a device that can take legible photos and videos and upload them to D2L is required. **No physical copies of assignments will be accepted. All work for this course will be submitted digitally.** Please let the instructor know during the first week of classes if you do not have access to an appropriate device.

## Manuscript Paper (Physical or Digital)

## Student Learning Outcomes

---

The curriculum for all four music theory courses are developed from the same five themes. Student Learning Outcomes (SLO) for Music Theory I are listed under each theme. SLOs are also aligned with the Texas Examinations of Educator Standards (TExES) State Board of Educator Certification (SBEC) EC-12 music standards. Please see Appendix A for a complete listing of the SBEC music standards.

## Theme 1

*Technical terminology allows musicians to communicate efficiently and accurately in order to enhance the creation and performance of music.*

**SLO 1:** (SBEC 001:A-B, D; SBEC 004:A-C, E; SBEC 009:D) Students who successfully complete Music Theory I will strengthen their written and oral communication skills by demonstrating fluency with technical terminology through the **identification** and/or **construction** of the following music fundamentals:

- Pitches on Treble, Bass, Alto and Tenor Clefs
- Pitches on Keyboard
- Major/Minor 2nds
- Simple Meter Rhythmic Patterns
- Compound Meter Rhythmic Patterns
- Major Scales
- Major Key Signatures
- Minor Scales
- Minor Key Signatures
- Major/Minor 3rds
- Major/Minor/Diminished Triads
- Dominant Seventh Chords

## Theme 2

*Music is an aural art form that can be visually captured through music notation in order to improve its longevity and performance accuracy.*

**SLO2:** (SBEC 004:A; SBEC 005:A) Students who successfully complete Music Theory I will strengthen their written communication skills by demonstrating proficiency in the **construction** of the following musical notation fundamentals:

- standard placement of notepads, stems, and accidentals
- standard placement of staff elements such as time signatures and key signatures
- standard placement of expressive elements such as articulation and dynamic markings
- style-specific spacing and placement used in species counterpoint and Common Practice Period chorale-style and keyboard-style 4-part writing

## Theme 3

*Musical genres and eras are defined by shared expectations of composers, performers, and listeners across a variety of musical elements (melody, harmony, rhythm, texture, orchestration, form, etc.). The interaction of these elements create a distinctive sound for a piece of music or music of a particular composer, era, region, or genre.*

**SLO3:** (SBEC 001:A, SBEC 002:A,C; SBEC 003:A,C; SBEC 004:A-E; SBEC 005:B,D) Students who successfully complete Music Theory I will strengthen their cultural awareness and analytical and critical thinking skills by **summarizing** basic stylistic characteristics of various styles of Western music through the analysis of musical scores and performances.

#### **Theme 4**

*The theory of music is based upon a set of expectations that composers and performers can meet, exceed, and thwart to elicit emotional response from their listeners.*

**SLO4:** (SBEC 001:A-E, SBEC 003:A,C; SBEC 004:A-E; SBEC 005:B,D; 007:B-C, 009:D-E) Students who successfully complete Music Theory I will strengthen their analytical and critical thinking skills by **analyzing** how the following musical elements elicit emotional response by comparing these characteristics to oral communication and motion principles in the physical world:

- rhythmic & metric devices
- melodic contour
- dynamic contrast
- tendency tones
- treatment of dissonance
- cadences

#### **Theme 5**

*Musicians must develop a “hearing eye” and a “seeing ear” through essential aural and performance skills in order to convey and understand meaning in musical contexts.*

**SLO5:** (SBEC 005:A-D) Students who successfully complete Music Theory I will strengthen their written, technological, and analytical and thinking skills by **composing** the following musical structures:

- melodic phrases
- melodic periods
- short chord progressions

All assignments will be assigned and submitted electronically on D2L.

Assignments	Percentage
Fluency Quizzes	40%
Homework*	40%
Composition Projects	20%
Final Grade Percentage	100%

\*The lowest 2 homework grades will be dropped from the average for this category.

Grade	Percentage

### Fluency Quizzes (40% of Final Grade)

---

Fluency quizzes are designed to measure your comfort and speed with the identification (e.g. labeling a chord) and construction (e.g. building a chord on the treble clef staff) of music fundamentals, as described in Student Learning Outcome (SLO) 1. As you progress through your study of music theory, you should become more fluent with these fundamentals. To help you achieve this goal, fluency quizzes are offered in every music theory course.

These fluency quizzes will be taken on D2L and involve clicking on a notation or a label. You may request an oral fluency exam via Zoom or in person in lieu of any electronic timed quiz. The average of these quizzes will be used to calculate 30% of your final grade, but **you must pass all of these quizzes in order to pass the class**. You may take these quizzes as many times as you like throughout the semester in order to raise your grade. All quizzes are due **December 8 at 11:59 p.m. CST**, but I will provide you with recommended due dates throughout the semester to help you manage your workload.

<b>Fluency Quizzes (FQ)</b>	<b>Suggested Due Dates</b>	<b>Total Possible Points &amp; Points to Pass Quiz</b>
FQ 1: Keyboard Pitch ID	8/28/22	30 (Points to Pass: 21)
FQ 2: Treble/Bass Clef Pitch ID	9/4/22	30 (Points to Pass: 21)
FQ 3: M2/m2 (Whole/Half Step) Identification	9/4/22	20 (Points to Pass: 14)
FQ 4: Major Scale Construction	9/18/22	5 (Points to Pass: 4)

FQ 6: Minor Scale Construction	9/25/22	5 (Points to Pass: 4)
FQ 7: Minor Key Signature Identification	9/25/22	10 (Points to Pass: 7)
FQ 8: Major/minor Triad Construction	10/16/22	10 (Points to Pass: 7)

## Homework Assignments

Homework assignments involve identification, construction, comprehension, and analysis exercises taken mostly from the *Concise Introduction* workbook. These assignments can be submitted as legible photos taken of handwritten work in the workbook or as PDFs from the workbook provided on the *Concise Introduction* online resources website.

Homework assignments will be graded based on the following holistic grading scale:

- **A** work exceeds expectations and demonstrates content/skill mastery.
- **B** work meets expectations (content/skill mastery achieved, minor errors attributed to oversights).
- **C** work displays a need for more practice and resubmission of the assignment. (C is the minimum passing grade for the course.)
- **D** work displays a need for significant remediation of a concept and resubmission of the assignment. Please contact the department tutor or the instructor to set up a tutoring session.
- **F** is reserved for assignments that are not submitted.

## Composition Projects

Three major composition projects will be due at various points during the semester.

<b>Composition Projects</b>	<b>Due Dates</b>
Rhythmic Phrase Composition	9/11/22
Melodic Phrase Composition & Transposition	10/2/22
Conversion of a Pop Progression into Keyboard-Style 4-Part Harmony	11/20/22

Composition projects will be graded based on the following holistic grading scale:

- **A** work exceeds expectations and demonstrates content/skill mastery.
- **B** work meets expectations (content/skill mastery achieved, minor errors attributed to oversights).
- **C** work displays a need for more practice and resubmission of the assignment. (C is the minimum passing grade for the course.)
- **D** work displays a need for significant remediation of a concept and resubmission of the assignment. Please contact the department tutor or the instructor to set up a tutoring session.
- **F** is reserved for assignments that are not submitted.

## Exams

---

There will be no mid-term or final exam for this course.

## Resubmissions and Extra Credit Opportunities

---

All assignments receiving a grade of C or lower should be corrected and resubmitted in order to prevent major issues with content later in the course.

In an effort to encourage all students to improve their music theory skills, all students may correct and resubmit **any assignment for a higher grade throughout the semester**. After the initial submission, feedback will be provided in the comments of the assignment. Please view the comments before resubmitting. Subsequent resubmissions should be made only after scheduling a tutor session or office hour appointment.

Extra credit opportunities will be made throughout the semester through Inquisitive and Kahoot.

## Late Work

---

Initial submissions of homework and composition projects must be made by the due date for each assignment. If the initial submission is late, a 10% penalty will be incurred. There is no penalty for resubmissions.

## Make Up Work

---

In case of severe illness, please contact the instructor. All course work and lecture videos can be found on D2L.

## Important Dates

Please refer to: [Student Handbook-2020-21](#)

## **Academic Misconduct Policy and Procedures**

Cheating, collusion, and plagiarism (the act of using source material of other persons, either published or unpublished, without following the accepted techniques of crediting, or the submission for credit of work not the individual's to whom credit is given).

Academic misconduct includes, but is not limited to:

- Using any part of another person's homework for academic credit (*You are encouraged to use your fellow students when you are confused and need clarification about an assignment or concept; however, you may not copy another person's homework, quiz, or exam. You should be prepared to explain your process if questioned why you submitted identical work as a classmate.*)
- Using a paper or homework assignment in more than one class without the instructor's permission (*This includes the resubmission of a homework assignment when retaking a course. If you failed to pass a course previously, do not rely upon your previous homework to help you succeed.*)
- Accessing or sharing restricted information through electronic means without the instructor's permission (*Sites like Chegg won't help you much in music theory class, but please be advised that their use is a violation of the academic dishonesty policy.*)

Additional guidelines on procedures in these matters may be found in the Office of Student Conduct. [Office of Student Conduct](#)

## **Airborne Illness Policies**

In order to mitigate the potential spread of the COVID-19 virus and other airborne illnesses, please refer to the official MSU coronavirus page: <https://msutexas.edu/coronavirus>. Food should not be brought into the classroom unless you have spoken with the instructor ahead of time. Drinks are allowed but please be respectful of the space and other people.

## **Alcohol and Drug Policy**

To comply with the Drug Free Schools and Communities Act of 1989 and subsequent amendments, students and employees of Midwestern State are informed that strictly enforced policies are in place which prohibits the unlawful possession, use or distribution of any illicit drugs, including alcohol, on university property or as part of any university-sponsored activity. Students and employees are also subject to all applicable legal sanctions under local, state and federal law for any offenses involving illicit drugs on University property or at University-sponsored activities.

## **Attendance Policies**

All students are expected to attend synchronous face-to-face sessions in the classroom. A synchronous Zoom option or an asynchronous option will be available to students who are currently ill/quarantined or who have direct conflicts with the class time (e.g. medical appointment). Students who need one of these options for a particular date should send an email to the instructor **by 8 a.m.** of the day they will miss.

Attendance for both options will be taken through D2L. An attendance assignment will be posted in the course for every class session. If you attend a synchronous face-to-face session, you will submit a photo with a daily posted image during class **or** you will log into the day's Kahoot. If you attend a synchronous Zoom session, you will be required to submit a screenshot of the posted image **or** log into the day's Kahoot. If you view an asynchronous video of a class session, you will be required to submit a screenshot of the day's posted image.

Students who have failed to submit attendance assignments for **3 or more consecutive classes** will be reported to the Early Alert monitoring system. Students who have failed to submit attendance assignments for **6 or more total classes by October 1st** will be dropped from the course for non-attendance.

All course content is posted on the course site on D2L. There is no need to ask what was missed during a particular session, as a video from each class will be posted in the attendance assignment for that day.

If you encounter any emergencies during a particular week that make any of the attendance options impossible, please contact the instructor via email as soon as possible. Please designate a roommate or loved one who will email your professors in case you become incapacitated and cannot attend class. *The instructor is unable to reply to your designee unless you have signed a FERPA release form in the registrar's office allowing them access to your educational records.*
