Course Description

This course is an introduction to the epistemological and methodological approaches used in the acclimation of knowledge. It is an interdisciplinary study of research methods, knowledge, and the search for truth in our world. We will examine the generation of knowledge in the natural sciences, social sciences, and the humanities as well as how it is expressed in the visual and performing arts and applied in the business and education professions. The format for the course will include lectures, discussions, and active exercises and requires student participation. Throughout the course you will complete various research exercises as you explore interdisciplinary research. Your final product will be the creation of an electronic learning portfolio that documents the knowledge gained during this semester's journey into research.

Course Objectives

Upon completion of this course, students will be able:

- 1.** Explain the nature of knowledge in the natural sciences, social sciences, and humanities.
- 2.** Identify how knowledge is expressed in the visual and performing arts and applied in the business and education professions.
- 3.** Utilize 21st century technology as well as traditional methods in each of these areas of human exploration.
- 4.** Understand how new knowledge is generated in these various areas as well as the challenges or dilemmas associated with such research.
- 5.** Identify a research question, develop a plan of investigation, and select an appropriate method for investigation.

6. Present research in the appropriate format for the associated area of human investigation.
7. Construct a learning portfolio to document your introduction to the research process.

Career Readiness Competencies

By engaging in this course, you will work towards Career Readiness Competencies (from the National Association of Colleges and Employers) and being able to articulate how they relate to your learning:

V. Professionalism:

Knowing work environments differ greatly, understand and demonstrate effective work habits, and act in the interest of the larger community and workplace.

VI. Teamwork:

Build and maintain collaborative relationships to work effectively toward common goals, while appreciating diverse viewpoints and shared responsibilities.

VII. Technology:

Understand and leverage technologies ethically to enhance efficiencies, complete tasks, and accomplish goals.

Textbook & Instructional Materials

No textbook purchase required. Online textbook is available free of charge. Link for the online textbook, excerpts, and texts are located on D2L.

Expectations and Grading

Students are expected to attend class. Lectures will not reproduce the texts. During class, students are expected to behave in an adult fashion: i.e. no note passing, punching, kicking or other juvenile behavior. Disrespectful behavior towards other students or the teacher will not be tolerated and will result in your removal from the class. Also, please turn cellular phones off or put them away during class. Since this class is designed to develop your research skills you will primarily be evaluated on your ability to apply these skills in various assignments and exercises. This includes a larger group research project. Your course grade will be determined by the percentage breakdown below. The privilege of additional work will not be granted.

Study Hours and Tutoring Assistance

For each lesson you can expect approximately **one and a half hours of homework/studying**. Sometimes it is more, sometimes less. Tutoring is available at the Office of Tutoring and Academic Support Programs (TASP) located in the Muffet Library.

***NOTE:** As per The Code of Federal Regulations (CFR Title 34, Part 600.2), "a credit hour is an amount of work [...that] reasonably approximates not less than one hour of classroom or direct faculty instruction and a minimum of two hours of out of class student work each week for approximately fifteen weeks for one semester."

Desire-to-Learn (D2L)

Extensive use of the MSU D2L program is a part of this course. Each student is expected to be familiar with this program as it provides a primary source of communication regarding assignments, examination materials, and general course information. You can log into [D2L](#) through the MSU Homepage. If you experience difficulties, please contact the technicians listed for the program or contact your instructor.

Instructor Class Policies

Please be polite to your instructor and fellow students. Pay attention to the instructor and to your fellow students when they are speaking. No food or drinks, except for water, are allowed in our classrooms.

Email Policies

I will check email daily Monday through Friday and will make every effort to answer you within 24 hours. On the weekend, however, I might not be able to answer as quickly. Please make sure that you adhere to common rules of courtesy such as addressing me by name/title (Dr. Gagum), proofing spelling, and signing your name at the end of the email.

Name/ Pronoun Policy

It is important that we strive to make the classroom a respectful and inclusive place. If you feel comfortable doing so, you are encouraged to let me know during the first week of class what name you prefer to be called and if you prefer the use of masculine, feminine, or gender-neutral pronouns. These preferences can be applied just to your interactions with me or to all of your in-class interactions with your peers.

Change of Schedule

A student dropping a course (but not withdrawing from the University) within the first 12 class days of a regular semester or the first four class days of a summer semester is eligible for a 100% refund of applicable tuition and fees. Dates are published in the Schedule of Classes each semester.

Refund and Repayment Policy

A student who withdraws or is administratively withdrawn from Midwestern State University (MSU) may be eligible to receive a refund for all or a portion of the tuition, fees and room/board charges that were paid to MSU for the semester. HOWEVER, if the student received financial aid (federal/state/institutional grants, loans and/or scholarships), all or a portion of the refund may be returned to the financial aid programs. As described below, two formulas (federal and state) exist in determining the amount of the refund. (Examples of each refund calculation will be made available upon request).

Smoking/Tobacco Policy

College policy strictly prohibits the use of tobacco products in any building owned or operated by WATC. Adult students may smoke only in the outside designated-smoking areas at each location.

Active Shooter

The safety and security of our campus is the responsibility of everyone in our community. Each of us has an obligation to be prepared to appropriately respond to threats to our campus, such as an active aggressor. Please review the information provided by MSU Police Department regarding the options and strategies we can all use to stay safe during difficult situations. As a faculty member, I am required to report to the Title IX Coordinator any allegations, personally observed behavior, or other direct or indirect knowledge of conduct that reasonably may constitute sex discrimination or sexual misconduct, which includes sexual assault, sexual harassment, dating violence, or stalking, involving a student or employee. After a report is made, the office of Title IX will reach out to the affected student or employee in an effort to connect such person(s) with resources and options in addressing the allegations made in the report.
