Course Description

This course is the application of the concepts learned throughout the program. Previously learned concepts addressing health promotion, nutrition, elimination and exchange, activity and rest, perception and cognition, self-perception, role relationships, sexuality, coping and stress tolerance, life principles, safety and protection, comfort, and growth and development are integrated throughout the course using the nursing process to plan, implement and evaluate nursing care of individuals, families, groups, and communities.

Prerequisites

Complex concepts in the caring for the acutely ill client; Concepts in leadership in nursing; Concepts in community health; Concepts in caring for the child-bearing family; Concepts in clinical reasoning and judgment

Credit Hours

1 lecture hour and 10 clinical hours (1-10) (15 hours of classroom and 450 hours of clinical)

Course Description

Objectives	AACN Essentials	DEC Competencies
------------	-----------------	------------------

1. Apply concepts learned throughout the program to clinical situations.	I, VII	I: A,B,C,D II: A,B,C,D,E,F III: B,D,E,F IV: C,D,E,F
2. Apply clinical judgment skills in the planning, implementation and evaluation of nursing care.	I, IX	I: A,B II: B,C,D,E III: B
3. Use the nursing process to plan, implement and evaluate nursing care.	II, VI, VII, VIII, IX	I: B II: B,C,D,E III: B,F IV: A,C,D,F
4. Implement effective communication, research and teaching-learning principles in providing nursing care.	II, IV, VI, VII, VIII, IX	I: B II: A,B,C,F III: B,D,E IV: A,C,D,E,F

Grading

Table 1: Course Grade

*Assignments	%
Practice Exam	40
Case Study	60
*Total Points	100

Table 2: Course Grade Calculation

*The final course grade will be calculated in the following manner:
*There will be no rounding of grades except as necessary to accommodate the electronic testing and grade book limitations.
*Students must score at least a 74% course average and pass the clinical component of the course to successfully completing the course.

Table 3: Total points for final grade.

Grade	Points
A	90-100
B	80-89
C	74-79
D	65-73
F	Less than 65

NCLEX-RN Practice Exams

1. Each student will complete a 160 question NCLEX-RN Practice Exam as assigned in D2L. The exam grade will be determined as:

% Correct	Grade
80 or higher	100
75 to 79.99	90
70 to 74.99	80
65 to 69.99	75
60 to 64.00	70
55 to 59.99	60
50 to 54.99	55
<50	50

2. To prepare for this exam, students need to complete questions within each of the eight client needs content areas of the NCLEX-RN using a NCLEX-RN question and answer prep program or source. The eight client needs are:

Management of care	Basic care and comfort
Safety and infection control	Pharmacological and parenteral therapies
Health promotion and maintenance	Physiological adaptation
Psychosocial integrity	Reduction of risk potential

3. The exam will open at **0800 and close at 1200 on August 4, 2022.**

4. The exam must reflect the individual student's effort and from memory without external aids during the exam.

Case Study Assignment

1. Each student will select ONE inpatient acute care client to complete a case study.

2. The client selected may NOT be discharged the day of care; must have a change in condition on the day of care that was serious enough to warrant medical intervention beyond nursing intervention.

3. The student will write up the case study using standard American English, professional writing style, using APA format.
4. The case study is due **August 1, 2022 at 2359** to the Assignment dropbox.
5. The format for the case study is listed on the Case Study Assignment Form.
6. The case study assignment must reflect the individual student's effort. It is not a group project.

Nursing Program Failure Policy

1. Students must meet all course requirements or a grade of F will be assigned.
2. Students are expected to pass both clinical and classroom components of the course. Failure in either clinical or classroom will result in failure in both. Clinical failure results in a course and clinical grade of F. Classroom failure results in the grade earned in the classroom for both course and clinical.
3. A student who withdraws/drops or receives a D or an F in two nursing courses must seek reentry to the nursing program to be eligible to continue in the program.
4. The faculty reserves the right to recommend to the School of Nursing Chair and College of Human Services and Health Sciences withdrawal of a student from the nursing program for health, legal, or academic reasons, particularly if client care is jeopardized. In addition, the student must perform within the ANA Standards of Practice and Code of Ethics.

University Policies

Services for Students with Disabilities

In accordance with Section 504 of the Federal Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Midwestern State University endeavors to make reasonable accommodations to ensure equal opportunity for qualified persons with disabilities to participate in all educational, social, and recreational programs and activities. After notification of acceptance, students requiring accommodations should make application for such assistance through Disability Support Services, located in the Clark Student Center, Room 168, (940) 397-4140. Current documentation of a disability will be required in order to provide appropriate services, and each request will be individually reviewed. For more details, please go to <https://msutexas.edu/student-life/disability/>

Academic Misconduct Policy & Procedures

This course adheres to the MSU Code of Conduct. In particular, academic dishonesty, however small, creates a breach in academic integrity. A student's

participation in this course comes with the expectation that his or her work will be completed in full observance of the MSU Code of Student Conduct. A student should consult the current Student Handbook for answers to any questions about the code.

Students are encouraged to take full advantage of many resources available including online Desire 2 Learn course resources, Internet sites, other textbooks and journals, faculty, and peers when accomplishing objectives. This interactive collegial learning environment is conducive for life-long learning.

However, all components of the course are designed to represent the efforts of each student individually and are not to be shared, copied, or plagiarized from other sources. When students submit their efforts for grading, they are attesting they abided by this rule.

Academic dishonesty includes cheating, collusion, plagiarism or the acquisition of tests or test questions and other academic materials such as test banks without the permission of the faculty. Cheating, collusion, or plagiarism is defined as: (1) cheating - intentionally using or attempting to use unauthorized materials, information, equipment, or study aids in any academic exercise; (2) collusion - the unauthorized collaboration with another person in preparing work offered for credit; (3) plagiarism - intentionally representing the words or ideas of another as one's own in any academic exercise.

Academic dishonesty (cheating, collusion, plagiarism, etc.) will not be tolerated in this class. Whenever a student is unsure of whether a particular situation will be interpreted as academic dishonesty, he or she should ask the instructor for clarification.

Any student found to be academically dishonest as defined above and under each assignment will automatically receive a grade of "0" on the assignment.

Instructor Drop

An instructor may drop a student at any time during the semester for excessive absences, for consistently failing to meet class assignments, for an indifferent attitude, or for disruptive conduct. The instructor must give the students a verbal or written warning prior to being dropped from the class. An instructor's drop of a student takes precedence over the student-initiated course drop of a later date. The instructor will assign a grade of either WF or F through the 8th week of a long 45 hours semester, the 6th week of a 10 week summer term, or the 11th class day of a 4 or 5 week summer term consisting of 20 days. After these periods, the grade will be an F. The date the instructor drop form is received in the Office of the Registrar is the official drop date. Refer to page 73 at <https://msutexas.edu/student-life/assets/files/handbook.pdf>.

Campus Carry Rules/Policies

Senate Bill 11 passed by the 84th Texas Legislature allows licensed handgun holders to carry concealed handguns on campus, effective August 1, 2016. Areas excluded from concealed carry are appropriately marked, in accordance with state law. For more information regarding campus carry, please refer to: <https://msutexas.edu/student-life/assets/files/handbook.pdf>

Smoking/Tobacco Policy

College policy strictly prohibits the use of tobacco products in any building owned or operated by WATC. Adult students may smoke only in the outside designated-smoking areas at each location.

Alcohol and Drug Policy

To comply with the Drug Free Schools and Communities Act of 1989 and subsequent amendments, students and employees of Midwestern State are informed that strictly enforced policies are in place, which prohibits the unlawful possession, use or distribution of any illicit drugs, including alcohol, on university property or as part of any university-sponsored activity. Students and employees are also subject to all applicable legal sanctions under local, state and federal law for any offenses involving illicit drugs on University property or at University-sponsored activities.

Grade Appeal Process

Students who wish to appeal a grade should consult the Midwestern State University Undergraduate Catalog at https://catalog.msutexas.edu/content.php?catoid=33&navoid=1810#Appeal_of_Course_Grade

Notice

Changes in the course syllabus, procedure, assignments, and schedule may be made at the discretion of the instructor.

Clinical Requirements

There are 450 clinical hours in this course. Students must complete all clinical hours. Each rotation, the clinical instructor will provide formative evaluation using the Clinical Rounding Form. Students must earn an average of 80% on this form to receive a passing clinical evaluation. Midterm and end-of-semester clinical performance is evaluated with the Clinical Evaluation Tool. Successful

completion requires at least a satisfactory rating of each criteria of the tool. Students who receive a needs improvement or unsatisfactory on any area of the tool on the final evaluation for the course, will receive a F as the final course grade.

Students are required to be compliant with immunizations, health insurance, liability insurance, and CPR via Castlebranch for the entire semester. Failure to maintain compliance will result in academic withdrawal from the course.

Infractions Constituting Clinical Failure

Failure of the clinical component of the course occurs when the student receives an unsatisfactory rating in any area of the evaluation tool or does not complete all the hours of clinical. Absences will be rescheduled at the discretion of the course coordinator.

Clinical is defined as any activity that earns the student clinical hours and includes but is not limited to patient care experiences, simulation experiences, skill practice and testing sessions, orientations, and clinical meetings.

Certain behaviors result in an unsatisfactory rating in the professional behavior section of the evaluation rubric or some form of remediation as deemed appropriate by the course faculty.

Students who receive five or more infractions within the program are no longer eligible to progress in the program. Students may appeal the decision to be removed from the program by submitting to the Student Affairs Committee a paper that explains why they should be allowed to remain in the program. The decision of the committee is final.

Three incidents of infractions to the standard of professional behavior to include but not limited to:

- Arriving to a clinical experience without bringing a completed pre-clinical assignment or the pre-simulation assignment even if allowed to stay in the clinical
- Not conforming to the dress code even if allowed to stay in the clinical
- Not bringing appropriate supplies to the clinical experience even if allowed to stay in the clinical
- Unprofessional/inappropriate language or gestures
- Unprofessional/inappropriate behavior such as disrespectful behavior, chewing gum, using tobacco products in non-smoking areas, disruptive behavior, or failure to comply with a written or verbal instruction
- Arriving late to any clinical site even if allowed to stay in the clinical

- Non-compliance with the policy to notify the instructor and the agency of a clinical absence prior to the absence or as soon as possible if immediate notification is not possible
- Non-compliance with the policy to receive written prior approval before attending the clinical and/or the policy to notify the clinical instructor of absences prior to missing the clinical or as soon as the student realizes he/she must leave the clinical experience
- Leaving the premises without permission from the clinical instructor
- Failure to complete assignments by the due dates
- Failure to return from meals or breaks at the assigned time
- Use of a cell phone for calling, texting, e-mailing, or receiving calls, texts, or e-mails in the clinical area unless given permission by the clinical instructor

Two incidents of infractions to the standard of professional behavior to include but not limited to:

- Disregarding patient confidentiality without malice or intent to disclose
- Patient negligence that does not result in patient injury
- An error in care that does not result in patient injury
- Cheating, collusion, plagiarism, or stealing. Cheating/collusion/plagiarism - cheating means intentionally using or attempting to use unauthorized materials, information, or study aids in any academic exercise; collusion means the unauthorized collaboration with another person in preparing work offered for credit; plagiarism means intentionally representing the words or ideas of another as one's own in any academic exercise
- Committing two infractions from the list above as well as one in this list

Infractions to the standard of professional behavior that results in immediate failure of the clinical component of the course to include but not limited to:

- Administering medications or implementing sterile or invasive procedures without the direct supervision of a faculty member or preceptor
- Failing to check two patient identifiers prior to administering medications or implementing sterile or invasive procedures
- Failing to maintain compliance with clinical requirements
- An error in care or patient negligence that harms a patient
- Falsification, omissions or lying
- Intentionally revealing confidential information
- Placing self, staff, or patient at risk of harm due to abandonment of duties and/or sleeping during clinical experiences
- Failure to report a patient care error or incident

- Physical or verbal abuse of patients, patient's family members, faculty or staff
- Testing positive for illicit drugs or alcohol results in immediate ineligibility to continue in the program

Dress Code

Dress Code

The goal of the dress code is to present a professional appearance that does not compromise communication, safety, or infection control. Appearance that presents less than a professional appearance will not be allowed.

Clinical Uniform

- School uniform of matching maroon pants or skirt and maroon tunic top is the required uniform.
- Undershirts, if worn should be plain (solid, no adornments or logos, no patterns) and white, black, gray, or maroon that matches the uniform.
- Pants cannot touch the floor and must be hemmed properly. Pants cannot have a cuffed hem (no joggers).
- When sitting down, bending over or squatting down, or raising arms there can be no gap at the waist between the uniform pant and the top showing skin or underwear.
- No cleavage can be showing.
- Uniform must be well-laundered, without wrinkles, beyond what occurs during typical wear, and fit appropriately.
- Skirts must be knee length or longer, but may not touch the floor, must be properly hemmed and allow for ease of movement.
- Clean and closed toe and heel shoes that are black, gray, white, or maroon that matches the uniform are to be worn.
- Socks and hosiery must match either skin color, uniform or shoes.
- Proper MSU identification (MSU or approved clinical agency name tag and MSU patch). The MSU patch is obtainable at the bookstore and is to be sewn on left sleeve, centered and 1" from shoulder seam.
- MSU nametag must contain the name of the university, name of the student, designation of student, and a photograph of the student. The nametag is obtained through Card Services at the Clark Student Center.
- If a student desires a cover, he/she may wear a matching maroon scrub jacket with the appropriate name tag and MSU patch sewn on left sleeve, centered and 1" from shoulder seam.
- Hair must be self-contained and unadorned and must be a natural hair color. Any containing articles such as head wraps, barrettes, bands, or clips must be plain (solid, no jewels, adornments, patterns, or logos) and same color as hair, or white, black, gray, silver, gold, or maroon that matches the uniform.
- Hair may not fall forward past shoulder/neck area or fall over eyes when leaning over at the waist.

- Sideburns, beards, and mustaches must be clean and neatly trimmed.
- Hats or caps are not allowed.
- Short natural and clean fingernails are required. Nail enhancements are not allowed to include polish, dips, tips, overlays, acrylics, or gels. Tips of nails may not be seen when looking at the hands from the palm side up.
- Hygiene must include being clean without fragrances or strong odors.
- No jewelry other than a plain wedding ring (band) and a watch with an analog second hand are allowed.
- Visible body piercings may not contain any jewelry, gauges or spacers.
- If a clinical requires “professional dress” other than the Nursing Uniform, the student will be asked to wear a maroon polo shirt and pants or a skirt that is black, gray, khaki, or maroon that matches the maroon polo shirt with the appropriate name tag.
- Clinical agencies retain the right to refuse access to any student whose appearance is deemed inappropriate. For this reason, visible tattoos should not contain symbols, drawings or wording likely to be deemed offensive.
- The nursing uniform may not be worn when working outside of clinical experiences.
