

Photography II – ART 3013
T, 9:30-12:20am, Spring 2023

leah.gose@msutexas.edu

Office Hours: M/W 1:00-2:00 and TH 1:00-2:00

Office Phone: 940-397-4274

Office: B128

Course Description

This course is focused on color photography and advanced technical skills as a means of gaining greater personal and aesthetic understanding. Students learn advanced 35mm dSLR camera and inkjet printing techniques, basic studio lighting, and explore experimental techniques of image making and printing. Discussion of equipment, exploration of social, political, and technological developments as well as technical and aesthetic possibilities of photography will be explored through assignments and slide lectures of historical and contemporary work. Continued development of personal style, history, theory, and aesthetic approaches will be emphasized. Students must own or have use of a DSLR camera.

Course Objectives - Students will:

- Learn to create a consistent body of artistic work including enlarged inkjet prints through high quality printing and presentation techniques.
- Use image manipulation software to optimize image files for web and print purposes.
- Utilize a variety of lighting techniques to create intended expressive goals.
- Identify key historic figures and technical developments in the history of the field.
- Learn to engage in verbal dialogues regarding the interpretation and evaluation of photographic works through written reports, group evaluations, discussions and creative critiques. Each student will gain experience in learning to analyze work orally in a clear, correct, coherent and persuasive language appropriate to art discourse.

Responsibilities

COVID 19 - A face mask is strongly recommended.

Academic Dishonesty Statement –

All items pertaining to academic honesty outlined in the MSU Texas Student Handbook apply to this course. These items will not be tolerated and will result in a failing grade on any given assignment, along with referral to the college administration: The Student Creed developed and adopted by the MSU Student Government reinforces the discouragement of unethical behaviors such as cheating, fabrication, facilitation of academic dishonesty, plagiarism, and/or interference or violation of any course rules outlined in this syllabus.

Conduct Statement

As a student at MSU Texas and as a student in HSOVA you are expected to conduct yourself in a courteous and mature manner. It is imperative that you work in a way that keeps the lab clean and

organized and is respectful of other students. You must realize that your actions will affect others. Please be conscientious of your fellow students. Classroom behavior that interferes with either the instructor's ability to conduct the class or the ability of other students to benefit from the instruction will result in the instructor's removing the disruptive student(s) from the class.

Student Privacy Statement

In accordance with Federal Privacy Laws a student's personal information is protected.

As an instructor it is unlawful for me to share your personal information (including grades) with anyone unless I have written consent. This means I will not be able to discuss your grades with parents. If you have questions about your grades or have forgotten the grading policy for the course please come by during office hours.

Disability Support Statement - <https://msutexas.edu/student-life/disability/>

If you believe you have a disability requiring an accommodation, please contact the Disability Support Services in Room 168 of the Clark Student Center, 397-4140.

Cell Phones and Other Recording Devices

Cell phones must be silenced and put away completely out of sight and not looked at until the class is over. If at any point your cell phone is NOT put away and silenced, you will be asked to leave for the remainder of the day. The use of cell phones and other recording or electronic devices is strictly prohibited during class. The instructor may direct, from time to time, on the possible use of cell phones for legitimate class reasons. Recording the class is prohibited.

Campus Carry - <https://msutexas.edu/campus-carry/>

Senate Bill 11 passed by the 84th Texas Legislature allows licensed handgun holders to carry concealed handguns on campus, effective August 1, 2016. Areas excluded from concealed carry are appropriately marked, in accordance with state law. For more information regarding campus carry, please refer to the University's webpage at <http://mwsu.edu/campus-carry/rules-policies>.

Attendance

Regular and punctual attendance is required. You will be allowed 2 unexcused absences. Arriving 15 or more minutes late will equal an absence. Two late arrivals equal an absence. After 3 absences, the final letter grade is lowered one letter grade. 4 or more absences will result in a failing grade. Absences during critiques will not be tolerated. On critique days, a tardy will result in a reduction of one letter grade for the portfolio/assignment being critiqued; a tardy of more than fifteen minutes or an absence will result in a zero for the portfolio/assignment. Please contact your professor prior to missing class. Lectures and demonstrations are not repeated.

Class Policies and Grading

D2L will be used as the repository for class records. These include, syllabus, assignments, lectures, grading and attendance. You are expected to have the materials necessary for each class prior to class beginning and you are expected to have knowledge of your syllabus and the timeline of the course.

- **Late assignments will NOT be accepted.** All work is due on the assigned day.
- Grade percentages are determined according to the class requirements list. One grade based on a combination of craftsmanship and creativity is given for each critique.
- Withdrawals – It is the responsibility of the student to properly withdraw.

- Point value/grade distribution: 100-90=A, 89-80=B, 79-70=C, 69-60=D, 59-0=F
- A grade of "Incomplete" is granted only with a written doctor's excuse or under emergency circumstances such as a death in the family.

Gallery Attendance

As an art student in the Harvey School of Visual Arts you are required to attend all gallery receptions. If you are unable to attend, you will be required to write a short exhibition review. Please plan accordingly.

Recommended Textbooks

- *A Short Course in Digital Photography* by Barbara London and Jim Stone, 4th Edition
- *Criticizing Photographs*, 5th edition (2011) by Terry Barrett

Requirements List

1. **Scanograms:** February 14 (20%)
Each student is required to produce a coherent body of creative work (5-7 images) using a flatbed scanner. Print 8.5 x11 or larger. 2 prints MUST be window mounted. Contact sheets required. Projects must be contained in a portfolio box. Guideline sheet will be provided.
2. **Interpreting Photographs:** March 7 (10%)
One writing assignment will be given this semester in response to criticizing and describing photographs. Specific assignment guidelines will be provided.
3. **Environmental Portraits:** March 28 (25%)
Throughout the semester, you will be given a series of portfolios. These will be graded on general completion, technique, technical mastery and improvement, approach and concept. For each portfolio specific assignment guidelines will be provided.
4. **Exhibition Entries:** April 18 (10%)
Each student is required to enter 2-3 juried exhibitions during the semester. 1 can be local and 1 or more must be national exhibitions. Proof of entry is required for each entry.
5. **Cyanotypes:** May 2 (25%)
Throughout the semester, you will be given a series of portfolios. These will be graded on general completion, technique, technical mastery and improvement, approach and concept. For each portfolio specific assignment guidelines will be provided.
6. **Digital Portfolio:** May 9 (10%)
Each student is required to document all photographic works produced during this semester. Include the final images from each critique – Minimum 20 images. Upload images to D2L. Label images by project title. EX: POV 1, Pov 2. Images should be no larger than 5MB and not smaller than 2MB.

All work must be in final presentation format at the time of the review.

Week	Day	Description
1	Jan 17	Introduction: Syllabus, Requirements, Objectives Supplies - Paper Discussion
	Jan 19	Inspiration Lecture – Scanograms Scanner Demo Lab Time: Class scanning and editing
2	Jan 24	Lab Time: Class editing and printing Individual meetings
	Jan 26	Lab Time: Class editing and printing Individual meetings
3	Jan 31	Lab Time: Class editing and printing Individual meetings
	Feb 2	Entering Exhibitions – at 10:30am Lab Time: Class editing and printing Individual meetings
