This course is also designed to provide you with analytical tools so that you can understand and meaningfully participate in American and Texas politics throughout your life. ## Class Policies:

### Wikipedia

At no time will a student be allowed to use Wikipedia as a source for any project or paper in my class. If it is determined that Wikipedia was used as a source for a project or paper, the student will be given a grade of zero automatically.

### Artificial Intelligence (AI)

Since writing, analytical, and critical thinking skills are part of the learning outcomes of this course, all writing assignments should be prepared by the student. Developing strong competencies in this area will prepare you for a competitive workplace. Therefore, AI-generated submissions are not permitted and will be treated as plagiarism. MSU Texas uses the Turnitin.com Artificial Intelligence detection tool. If Turnitin.com detects that your assignment was completed using AI, you will be given a grade of zero for that assignment. This is also considered a violation of the University Academic Dishonesty Policy.

## Communication and Grades:

### Discussion of Grades:

If you have questions about your grades, please make an appointment to discuss it with me. Discussion of grades is a matter between the instructor and the student. If the grading concern is regarding a fellow student receiving more points for an answer, both students must be present at the grade discussion appointment.

### Communication:

The best way to reach me outside of class is to contact me via email or in person during my office hours. My email address and office number are listed on the first page of the syllabus.

## Exams:

### Make-up Exams:

Students are expected to be present for all exams on the dates which the class will take them. A make-up exam will only be given if the following criteria are met: If a student has a course-approved excuse and the instructor is notified **in writing, prior** to the examination, and the instructor approves the excuse and make up exam, arrangements for a make-up exam will be made. If a student fails to notify the instructor, the student will receive a zero for the exam. **Unless arrangements have already been made in accordance with this policy, no exam may be administered after the graded exam is returned to the class.**

### **Missing the Final Exam:**

If the final exam is missed and arrangements for a makeup exam have not been made in advance, the final exam cannot be made up.

### **Taking Exams Early:**

Only under extraordinary circumstances can a student take an exam early. Only university-approved excuses, death in the family, or illness with a doctor's note be considered for taking an exam early. The request for an early exam must be made **in writing**. For any reason, no request will be approved to schedule the final exam earlier than one week before its scheduled date.

### **Current Events:**

At the end of each session, students will be assigned to write a one to two paged double-spaced paper regarding a current event that is happening in the session discussed. For example, during a class session in Congress, students are required to write their current events assignment on a current event regarding congress. This can be a paper on a bill congress has passed or something controversial a congressperson has done. The student must address three points about the current event they have chosen. First, what is the current event; second, what are their opinions on the current event; and finally, what questions or solutions would they have regarding the current event. **Rather if it is MLA, APA, or APSA format, citations and a reference page are expected! Points will be deducted without this.** They will be five current event assignments that are as follows:

Congress: September 7

Presidency: September 21

Federal Court: October 5

Civil Liberties: October 19

Civil Rights and Human Rights: November 9

Texas Legislature: November 23

Texas Executive Branch: December 7

Texas Courts: December 14

### **Quizzes**

There will be weekly quizzes covering lectures and textbook material. These quizzes will be graded and will count towards your quiz grade for the course. You will have 30 minutes to complete each quiz and it should be completed by 11:59pm on the due date. This should encourage you to keep up with the reading. If you do not turn in a quiz by the due date/time, and do not have a university approved excuse, you will be given a grade of ZERO on that quiz.

Congress (*We the People*: Chapter 12): September 7

Presidency (*We the People*: Chapter 13): September 21

Federal Courts (*We the People*: Chapter 15): October 5

Civil Liberties (*We the People*: Chapter 4): October 19

Civil Rights (*We the People*: Chapter 5): November 9

Texas Legislature (*Governing Texas*: Chapter 7): November 23

Texas Executive Branch (*Governing Texas*: Chapter 8): December 7

## **Academic Dishonesty:**

Academic dishonesty on exams, quizzes and assignments will result in a *ZERO* on the quiz, assignment, or exam and the student or students in question may receive an F in the course and/or be turned over to the University for sanction.

## **Accommodations:**

Any student who, because of a disability, may require special arrangements in order to meet the course requirements should contact the instructor as soon as possible to make necessary arrangements. Students must present appropriate verification from the University's Disability Support Services (DSS) during the instructor's office hours. Please note that instructors are not allowed to provide classroom accommodation to a student until appropriate verification from DSS has been provided.

## **MSU Campus Carry Statement:**
