Class Participation

It is expected that students will contribute to the maintenance of a healthy learning environment, by paying attention to lectures, to fellow students' contributions in the class and by not being disruptive in class. It is expected that students actively participate in class discussions and exercises. It is also expected that everyone who shares ideas/views is respectful of others' time and ideas/views. We could agree to disagree, but we ought not to be disagreeable.

Class participation is expected not only at the time of class discussions but also during lectures by raising pertinent questions, by contributing relevant ideas and by sharing relevant examples. Students will be expected to read all the assigned materials prior to class and be prepared to engage in class discussions related to the class topics.

Laptop and Cell Phone regulation

No Photographing, recording, text messaging is allowed without the permission of the instructor. Please turn off or set cell phones on vibrate. Please do not surf the internet or listen to music while in class. Please note that using electronic devices during class time will have an adverse impact on participation grade.

Writing Assistance

Begin drafting papers as early as possible and take advantage of the [MSU Writing Center](#), located off the second floor atrium of Prothro-Yeager. The MSU Writing Center is committed to serving the university's academic mission. It provides trained writing tutors and facilitates writing workshops. Students are invited to bring any kind of writing to the Writing Center. They do not provide an editing service; instead, they offer feedback and support to help writers develop into more effective communicators.

Academic Misconduct Policy & Procedures

Academic Dishonesty: Cheating, collusion, and plagiarism (the act of using source material of other persons, either published or unpublished, without following the accepted techniques of crediting, or the submission for credit of work not the individual's to whom credit is given). Additional guidelines on procedures in these matters may be found in the Office of Student Conduct. [Student Handbook](#)

Homework

Questions may be assigned for selected chapters to be answered and handed in at the next class.

Quizzes

Quizzes will be completed outside of class through D2L. Ten Quizzes will be required and will have 10 questions each. Eleven quizzes will be available and students completing all 11 will have their lowest quiz grade dropped. Quizzes will be due by 11:30 pm on Fridays. No requests for late access will be considered unless the student has submitted documentation through the Dean of Student's office proving incapacitation for the entire week that the quiz was available.

Exams

There will be a final exam. The final exam will consist of multiple-choice questions, true or false statements, and short answer or essay questions. Since class instruction will be based on the text as well as materials from other sources, what is presented in class will be included in the quizzes and final exam.

Projects Required

APA style formatting is required for all written work in this course. Be sure to use appropriate APA style citations for any information you take from the textbook, handouts, lectures, reference materials, websites, or other outside sources while completing written assignments.

COURSE ASSIGNMENTS:

Assignment # 1: Meeting Observation

Each student will attend the City Council meeting. The Wichita Falls City Council meets the 1st and 3rd Tuesday of each month at 8:30 am in the Council Chambers located on the first floor of Memorial Auditorium, 1300 7th Street. Students will summarize the purpose and major agenda items of the meeting. Students will log specific information such as procedures followed in decision making, roles, current issues of concern, conflict management, diversity, representation and policy development (if any). Students will also include their reflection on the importance of macro social work practice based on the meeting they attend. Each student will submit a 2-3 page paper on or before the designated due date. Although scholarly sources are not required, APA format should be followed for the cover page and for headings.

Assignment # 2: Community Homelessness Assessment & Initiative

Practice III class members will work together to complete a needs assessment to gather more information about people living unsheltered in the 17 county area counted by the Homeless Coalition of North Texas. Data gathered may be used to help inform the Point In Time Count effort, as well as to educate program planners, members of the public, and policy makers. Recommended project goals include to develop an increased understanding of individuals and families residing on the streets, in encampments, and in emergency shelters of the city, increasing the effectiveness of the area PIT Count, developing a profile and description of the population, and defining current service needs in order to better serve and mitigate the experience of homelessness.

Using the framework given by the authors for a community needs assessment (pp. 185-187), the class will collaborate with key informants (for example, community leaders, service providers, shelter directors, etc.) of the area to identify the specific course of action to meet at least one of the broadly identified needs.

Although this is a group assignment, each student will earn a grade according to his or her participation from the beginning until the end of this assignment. Further details will be discussed in class.

Assignment # 3: Organizational Assessment

The framework for assessing organizations presented in the text book should be used for this assignment (refer pp. 264-266). This assignment involves a paper and a class presentation. Students who are interning may choose their agency/organization for the assignment. Students who are not interning are free to choose an agency from which they might be able to collect the details as outlined in the framework for assessment.

In addition to the framework provided by the authors, few other assessment tools will be presented by the instructor. Based on organizational assessment, students will propose an organizational change project (or intervention plans) focusing on unmet or inadequately met needs of clients served by the organization. Please note that the organizational change project is an important component and should not be missed in both the class presentation and in the paper. Scholarly sources should be cited in support of the proposed change project (or intervention plans). Scholarly sources may also be used to discuss the unmet or inadequately met needs of the client population.

Class presentation will be done for not less than 10 minutes and for not more than 15 minutes, during the last week of the semester. The presentation should be a PowerPoint presentation. The total points for the assignment will be based on both written communication and oral communication. Further details (if needed) will be provided in class.

Late Work

All assignments must be submitted on time. Students who need additional time to complete assignments must meet with the instructor at least one class session prior to the assignment due date to discuss the accommodations that need to be made. It is the student's responsibility to request this meeting.

Late work will be penalized ½ letter grade per 24-hour time period. Failure to submit any assignment within 7 calendar days of the due date will result in a failing grade for the assignment. You should get with the instructor as soon as possible if an emergency occurs interfering with your ability to meet a due date.

Make Up Work/Tests

Make up work will only be considered in cases of university excused absences or verifiable emergencies. Students will not be allowed to take make up exams after the original exam has been given. If you cannot take the exam on the required day and time, you must make arrangements in advance to take it PRIOR to the scheduled administration of the exam.

Important Dates

Last day for term schedule changes: January 21-23

Deadline for May graduates not enrolled for fall semester to file for graduation: February 17th

Last Day to drop with a grade of "W:" March 30th

Refer to: [Drops, Withdrawals & Void](#)

Desire-to-Learn (D2L)

Use of the MSU D2L program is a part of this course. Each student is expected to be familiar with this program as it provides a source of communication regarding assignments, examination materials, and general course information. You can log into [D2L](#) through the MSU Homepage. If you experience difficulties, please contact the technicians listed for the program or contact your instructor.

Social Work Program Attendance Policy

Students are expected to attend all meetings of this class. If unable to attend class, please inform the instructor directly via email or office phone before the class start time. If unable to attend class due to an emergency, please inform the instructor as soon as possible. Please note that **for each "uninformed class absence" 5 points will be taken off from the student's final course (average) grade. Coming late to class, inattentive or disruptive behavior during class (including inappropriate cellphone use), and leaving early from class will also have an adverse impact on attendance and participation grade.**

Students are allowed three excused absences as defined by MSU absence policy. For an absence to be excused the **student must inform the instructor of the reason for the absence** and provide documentation supporting the need for the class absence. A **student who has missed five classes** (including the three excused absences) will **receive a full lower letter grade. After six absences the student will be dropped from the class.**

Authorized absences due to required participation in university-sponsored activities must be approved by the college dean or Athletic Director and the Provost. These absences will not count against the student when the student presents a signed letter to the instructor at least two class days prior to the date of the absence. Only prior notification can guarantee lack of penalty for these absences. It is the responsibility of the student to arrange with the instructor to make up all work missed during an authorized absence. Academically-related activities (class field trips, attendance at conferences, etc.) which result in absences require the cooperation of individual faculty members. Even though such activities are educational in nature, they do not qualify as university-sponsored activities.

Instructor Class Policies

All students registered for courses in the Social Work Department are expected to adhere to the responsibilities, and behavior as articulated in both the [Student Handbook](#) and the NASW (National Association of Social Workers) [Code of Ethics](#). An essential feature of these codes is a commitment to maintaining intellectual integrity and academic honesty.

Students are expected to display professional decorum at all times. This includes, but is not limited to, respecting classmates and the instructor. In this regard, it is expected that students will not hold side conversations, use cell phones, or engage in other types of unprofessional behaviors once class has begun.

Professional Expectations of Student Behavior

Midwestern State University Department of Social Work is mandated by the Council on Social Work Education (CSWE) to foster and evaluate professional behavioral development for all students in the social work program. Strive to learn about methods of empowering populations and enhancing social justice at micro, mezzo, and macro levels.

Consequences of Unacceptable Behavior

The Department of Social Work may terminate a student's participation in the program on the basis of professional non-suitability if the Department's faculty members determine that a student's behavior has constituted a significant violation or pattern of violations of the NASW Code of Ethics, the MSU of Social Work Student Manual, or the MSU Academic Policies and Regulations. Examples of violations that may lead to termination include (but are not limited to) the following:

1. Failure to meet or maintain academic grade point requirements as established by the University and the Social Work program.
2. Academic cheating, lying, or plagiarism (turnitin.com will be used to check the originality of the text).
3. Behavior judged to be in violation of the NASW Code of Ethics.
4. Failure to meet generally accepted standards of professional conduct, personal integrity, or emotional stability requisite for professional practice.
5. Inappropriate or disruptive behavior toward colleagues, faculty, or staff (at the department or in the field placement).
6. Consistent failure to demonstrate effective interpersonal skills necessary for forming professional relationships (for example, unable to demonstrate nonjudgmental attitude or unable to allow client self-determination).
7. Documented evidence of criminal activity occurring during the course of study.

For additional university-wide policies and regulations, see the MSU [Undergraduate Catalog](#). This web site contains information on grading, incomplete grades, cheating on exams, plagiarism, and expectations of student behavior.

Change of Schedule

A student dropping a course (but not withdrawing from the University) within the first 12 class days of a regular semester or the first four class days of a summer semester is eligible for a 100% refund of applicable tuition and fees. Dates are published in the Schedule of Classes each semester.

Refund and Repayment Policy

A student who withdraws or is administratively withdrawn from Midwestern State University (MSU) may be eligible to receive a refund for all or a portion of the tuition, fees and room/board charges that were paid to MSU for the semester. HOWEVER, if the student received financial aid (federal/state/institutional grants, loans and/or scholarships), all or a portion of the refund may be returned to the financial aid programs. Two formulas (federal and state) exist in determining the amount of the refund. (Examples of each refund calculation will be made available upon request).

Services for Students with Disabilities

In accordance with Section 504 of the Federal Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Midwestern State University endeavors to make reasonable accommodations to ensure equal opportunity for qualified persons with disabilities to participate in all educational, social, and recreational programs and activities. After notification of acceptance, students requiring accommodations should make application for such assistance through Disability Support Services, located in the Clark Student Center, Room 168, (940) 397-4140. Current documentation of a disability will be required in order to provide appropriate services, and each request will be individually reviewed. FNP Family Assessment Interviewee Documentation

Social workers who have been the subject of an assessment will have greater empathy for their clients because they have been in a similar situation. For this reason, you are being asked to partner with a graduate student from the MSU Family Nurse Practitioner Program to allow the student to interview you for the purpose of writing a family assessment. This interview can be completed via skype or as otherwise agreed upon by both students. Your information will be de-identified, treated as confidential, and will NOT be shared.

Please submit this form either as proof of your participation in a FNP Family Assessment interview or as notification of your choice not to participate. If you choose to complete the interview process you will receive 15 bonus points on one paper or final exam of your choice (in one class).
