

# Course Syllabus: Introduction to Evidence-Based Practice College of Robert D. & Carol Gunn College of Health Sciences & Human Services NURS 3743 DX1

Spring 2021
Contact Information

Instructor: Ann Babin MSN, RN

Office: Remote

Office hours: In the office upon request and appointment

Cell number: 817-458-6320 E-mail:ann.babin@msutexas.edu

#### Course Description

## Course Description

- 1. This course focuses on qualitative, quantitative and mixed method research which serves to compare and evaluate evidence-based practice and healthcare in clinical practice.
- 2. The course will demonstrate appropriate utilization of research findings to monitor patient-centered care, quality improvement, safety, and leadership outcomes.
- 3. The course is designed to identify critical appraisal skills that assist nurses to become competent research consumers.
- 4. AACN Essentials: For further information regarding the AACN Essentials identified for each course objective, refer to: The Essentials of Baccalaureate Education for Professional Nursing Practice

#### Course Objectives

Upon completion of this course, the student will be able to:

- 1. Describe the role of healthcare and, specifically, nursing research for nursing and evidence-based practice (AACN II, III).
- 2. Discuss ethics and legal precepts related to research, scholarship, research subjects, and processes (AACN II, III).
- 3. Compare and contrast characteristics, usage and contributions of qualitative, quantitative, and multiple design research methods (AACN III).
- 4. Demonstrate beginning critical reasoning and analysis of research appraisal as a consumer of research to promote safety in nursing and health care services (AACN III).

- 5. Identify systems for determining validity and reliability of research, and cause and effect relationships (AACN III).
- 6. Identify evidence-based research protocols to monitor nurse-sensitive client care indicators and outcomes (AACN II, III).
- 7. Discuss future directions significant to and for nursing research as a component of professionalism (AACN II, III).
- 8. Acknowledge role in protection of human subjects in the conduct of (AACN III, IX).
- 9. Demonstrate an understanding of the basic elements of the research process (AACN III, IX).
- 10. Identify principles and models of evidence-based practice (AACN III, IX).
- 11. Explain the interrelationship among theory, practice, and research (AACN I, III, IX).
- 12. Identify practice discrepancies between identified standards and practice that may adversely impact patient (AACN II, III, IX).

#### **Textbook & Instructional Materials**

## Required textbook

Schmidt, N.A.& Brown, J.M. (2015). *Evidence-based practice for nurses: Appraisal and application of research*. Burlington, M.A.: Jones & Bartlett Learning. ISBN: 978-1-284-05330-2.

American Psychological Association (2010). Publication Manual of the American Psychological Association (6<sup>th</sup> ed.). Washington D.C.

#### Student Handbook

Refer to: Student Handbook 2020-21

## Academic Misconduct Policy & Procedures

Academic Dishonesty: Cheating, collusion, and plagiarism (the act of using source material of other persons, either published or unpublished, without following the accepted techniques of crediting, or the submission for credit of work not the individual's to whom credit is given). Additional guidelines on procedures in these matters may be found in the Office of Student Conduct.

## **Grading**

Table 1: Points allocated to each assignment -

Assignments	Points
EBP Essay	10%
Searching assignment	10%
Interview paper	25%
Discussion questions (4 Message Board assignments)	20%
Evidence Review Presentation	30%
Peer review of EBP	5%
Total Points	100%

Table 2: Total points for final grade. There will be no rounding of grades.

Grade	Points	
Α	90 to 100	
В	80 to 89	
С	79 to 74	
D	65 to 73	
F	64 and below	

## **Projects Required**

A course average of at least 74% is required to pass this course. Faculty reserves the right to make changes at any time to this syllabus. Students are to be accountable for all communications sent by faculty on Desire 2 Learn; therefore, you **must** check the site for announcements, assignments, and messages. Faculty prefers students use D2L as a means to make a specific request or to ask for content clarification. I forward your D2L emails to my MSU email. If you are unable to access D2L, you may contact faculty via campus email. Campus and phone appointments are available upon request.

#### **Discussion Board**

You must post a substantive response to each of the required questions. A substantive response is constructive and adds value to the weekly discussions. Substantive responses should be at least 150 words in length. Rarely should each require more than 200 words. Your responses need to reflect critical thought and demonstrate an understanding of the relevant concepts. All factual knowledge must be supported with appropriate citation of source. Response to the discussion board questions must be posted by 10:59 PM on or before the due date on the Discussion Board section in the appropriate Discussion Question thread as stated in the course outline. Discussion questions and initial responses posted more than 2 days late and or in the wrong thread will not be accepted. Late postings will receive a 10 percent deduction for each day late and will not be accepted if posted more than 2 days late. It is the responsibility of the student to post the assignment on the correct thread by 10:59 PM on or prior to the due

date. Participation in the classroom discussion is required. In addition to posting your responses to the discussion questions you must post a substantive comment to at least two of your classmate's posts. This post may be made anytime during the week but must be made prior to the close of the week before the due date and time. Peer response posts made after the due date and close of the week will not be accepted for credit.

#### **Late Work**

Assignments more than two days late will not be accepted. Assignments submitted late which is within two days of the due date will receive a ten percent deduction for each day they are late.

## **Important Dates**

Last Day to drop with a grade of "W:" April 23, 2021 Refer to: Drops, Withdrawals & Void

## Desire-to-Learn (D2L)

Extensive use of the MSU D2L program is a part of this course. Each student is expected to be familiar with this program as it provides a primary source of communication regarding assignments, examination materials, and general course information. You can log into D2L through the MSU Homepage. If you experience difficulties, please contact the technicians listed for the program or contact your instructor.

## Online Computer Requirements

Taking an online class requires you to have access to a computer (with Internet access) to complete and upload your assignments. It is your responsibility to have (or have access to) a working computer in this class. Assignments and tests are due by the due date, and personal computer technical difficulties will not be considered reason for the instructor to allow students extra time to submit assignments, tests, or discussion postings. Computers are available on campus in various areas of the buildings as well as the Academic Success Center. Your computer being down is not an excuse for missing a deadline!! There are many places to access your class! Our online classes can be accessed from any computer in the world which is connected to the internet. Contact your instructor immediately upon having computer trouble If you have technical difficulties in the course, there is also a student helpdesk available to you. The college cannot work directly on student computers due to both liability and resource limitations however they are able to help you get connected to our online services. For help, log into D2L.

#### **Instructor Class Policies**

Instructor Drop. An instructor may drop a student any time during the semester for excessive absences, for consistently failing to meet class assignments, for an indifferent attitude or for lack of engagement in the online learning environment. For example, failure to participate in online discussions as schedule and on time is considered being absent. Prior to dropping a student from the class, the

instructor must give the student a verbal or written warning. An instructor's drop of a student takes precedence over the student-initiated course drop at a later date. The instructor will assign a grade of WF or F the 6<sup>th</sup> week of a 10 week summer term. After this time, the grade will be an F. The date the Office of the Registrar receives the instructor drop form is the official drop date. RN Transition students must complete all nursing courses within a two year period of time beginning with the first nursing course. RN Transition students must maintain enrollment in at least two courses per semester. If a student does not maintain enrollment for one semester they will be placed on inactive status. If a student were to withdraw for a second time from the same and or any nursing course and or received a second D or F in the same and or any nursing course, even if the student has repeated a course and received a grade of C or above the student will be dismissed from the program.

## Change of Schedule

A student dropping a course (but not withdrawing from the University) within the first 12 class days of a regular semester or the first four class days of a summer semester is eligible for a 100% refund of applicable tuition and fees. Dates are published in the **Schedule of Classes** each semester.

## Refund and Repayment Policy

A student who withdraws or is administratively withdrawn from Midwestern State University (MSU) may be eligible to receive a refund for all or a portion of the tuition, fees and room/board charges that were paid to MSU for the semester. HOWEVER, if the student received financial aid (federal/state/institutional grants, loans and/or scholarships), all or a portion of the refund may be returned to the financial aid programs. As described below, two formulas (federal and state) exists in determining the amount of the refund. (Examples of each refund calculation will be made available upon request).

## Disability Support Services

Midwestern State University is committed to providing equal access for qualified students with disabilities to all university courses and programs, and by law all students with disabilities are guaranteed a learning environment that provides reasonable accommodation of their disability. This guarantee is provided through Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act. The ADA reads: "No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs, or activities of a public entity, or be subject to discrimination by any such entity." The Director of Disability Support Services serves as the ADA Coordinator and may be contacted at (940) 397-4140, TDD (940) 397-4515, or 3410 Taft Blvd., Clark Student Center 168.

College Policies

Campus Carry Rules/Policies

Refer to: Campus Carry Rules and Policies

## Smoking/Tobacco Policy

College policy strictly prohibits the use of tobacco products in any building owned or operated by WATC. Adult students may smoke only in the outside designated-smoking areas at each location.

## Alcohol and Drug Policy

To comply with the Drug Free Schools and Communities Act of 1989 and subsequent amendments, students and employees of Midwestern State are informed that strictly enforced policies are in place which prohibits the unlawful possession, use or distribution of any illicit drugs, including alcohol, on university property or as part of any university-sponsored activity. Students and employees are also subject to all applicable legal sanctions under local, state and federal law for any offenses involving illicit drugs on University property or at University-sponsored activities.

#### **Grade Appeal Process**

Students who wish to appeal a grade should consult the Midwestern State University Undergraduate Catalog

#### **Notice**

Changes in the course syllabus, procedure, assignments, and schedule may be made at the discretion of the instructor.
