Timely submission of all assignments is required. In the event a student needs an extension due to compelling circumstances, communicate with faculty in advance of the due date. Late assignments will ONLY be accepted in compelling or emergent circumstances. Students requesting an extension will be required to submit work completed to-date, so faculty can see that effort was made to complete the assignment and that the emergency is not poor planning. DISCUSSION / MESSAGE BOARD RULES:Initial Post:

The Literature Synthesis paper in Module V, which counts for 20% of the course grade is first placed, as a DRAFT on the Discussion Board, so that peer reviewers have access.

Response Post:

Peer Reviewers are expected to review the draft within five (5) business days of the initial post, to allow students time to make edits before submitting the final paper in the Dropbox. Please place your input directly on the peer's draft paper, using the track changes feature in your word processing program. Please review the grading rubric for the Literature Synthesis (to guide your feedback) before responding to your classmates.

Please save all of your work, in case D2L or the internet crash, so that you do not lose your work.

MODULE QUIZZES:

All Module Quizzes are opened at 8:00 AM at the beginning of the module and closed at 11:00 PM on the date indicated on the class calendar. Students may take a Module Quiz as many times as they wish during the open period. Following each attempt, students will be provided with a score, but students are not provided correct answers. MIDWESTERN STATE UNIVERSITY STUDENT HONOR CREED

"As an MSU Student, I pledge not to lie, cheat, steal, or help anyone else to do so."

As students at MSU, we recognize that any great society must be composed of empowered, responsible citizens. We also recognize universities play an important role in helping mold these responsible citizens. We believe students themselves play an important part in developing responsible citizenship by maintaining a community where integrity and honorable character are the norm, not the exception.

Thus, we, the Students of Midwestern State University, resolve to uphold the honor of the University by affirming our commitment to complete academic honesty. We resolve not only to be honest but also to hold our peers accountable for complete honesty in all university matters.

We consider it dishonest to ask for, give, or receive help in examinations or quizzes, to use any unauthorized material in examinations, or to present, as one's own work, work or ideas which are not entirely one's own. We recognize that any instructor has the right to expect that all student work is honest, original work. We accept and acknowledge that responsibility for lying, cheating, stealing, plagiarism, and other forms of academic dishonesty fundamentally rests within each individual student.

We expect of ourselves academic integrity, personal professionalism, and ethical character. We appreciate steps taken by University officials to protect the honor of the University against any who would disgrace the MSU student body by violating the spirit of this creed.
