(2020). Washington D. C.: American Psychological Association.

**Goals:** To become knowledgeable in the application of learning principles to humans (behavioral modification).

- a. I will draw additional material from Baldwin & Baldwin (2000) and Chance (2013). The material will be applied to intra- and interpersonal contexts.

Expand information manipulation and prepare for graduate coursework.

- a. Tests will be over approximately 7 chapters and additional material.
- b. Tests will be multiple choice and have a time limit.
- c. Having to choose between the "best" and "almost best" answer.

Improve on APA 7<sup>th</sup> Edition writing skills and library search skills.

- a. Title page
- b. Headings
- c. In-text citations
- d. Reference page(s).

**Course Requirements:** Grades will be based on your performance on 1 midterm, 1 paper, and the final.

There will be 1 midterm and 1 final. Each exam will be worth 150 points. Tests will be multiple choice (available through D2L) and essay (completed in class). For the multiple-choice exam, the test will cover the text, have a strict time limit, and only one question will be shown at a time. You will not be able to go back a screen page. That is, once you move to the next question, you are done with all previous questions. For the essay, questions over major concepts from the lecture (the PowerPoints will be very important) will be the sole focus.

The **5-page**, APA paper will be conducted over an applied chapter in the book. The paper will be worth 100 points.

- Use a title page, headings, and reference page to organize reader
- Have four additional sources beyond the chapter. **Only one source may from .edu, .gov, or .com. All other sources should be from peer reviewed journals or academic books (not text books from other classes).**

\*All papers must be turned in electronically to TurnItIn.com through D2L **before handing me the hard copy.** Go to Assessments: (a) choose Assignments, and (b) choose Term Paper. You will upload your paper and can view a similarity rating. If green (under 25% or so), no worries. If yellow, possible rewrite. Check to see if your sources are artificially raising your percent (if yes, no worries). If orange, definitely rewrite!

### **Computer Requirements**

It is your responsibility to have (or have access to) a working computer in this class. **Assignments and tests are due by the due date, and personal computer technical difficulties will not be considered reason for the instructor to allow students extra time to submit an assignment or complete tests.** Computers are available on campus in various areas of the buildings as well as the Academic Success Center. **Your computer being down is not an excuse for missing a deadline!!** There are many places to access your class! D2L can be accessed from any computer in the world which is connected to the internet. Contact your instructor immediately upon having computer trouble. #### **Smoking/Tobacco Policy**

College policy strictly prohibits the use of tobacco products in any building owned or operated by MSU TEXAS. Adult students may smoke only in the outside designated-smoking areas at each location.

#### **Alcohol and Drug Policy**

To comply with the Drug Free Schools and Communities Act of 1989 and subsequent amendments, students and employees of Midwestern State are informed that strictly enforced policies are in place which prohibits the unlawful possession, use or distribution of any illicit drugs, including alcohol, on university property or as part of any university-sponsored activity. Students and employees are also subject to all applicable legal sanctions under local, state and federal law for any offenses involving illicit drugs on University property or at University-sponsored activities.

#### **Campus Carry**

Effective August 1, 2016, the Campus Carry law (Senate Bill 11) allows those licensed individuals to carry a concealed handgun in buildings on public

### **Active Shooter**

The safety and security of our campus is the responsibility of everyone in our community. Each of us has an obligation to be prepared to appropriately respond to threats to our campus, such as an active aggressor. Please review the information provided by MSU Police Department regarding the options and strategies we can all use to stay safe during difficult situations. ### **Student Code of Conduct**

MWSU's official policy in the University's Code of Student Conduct on page 52, states:

**Instructor Drop:** An instructor may drop a student any time during the semester for excessive absences, for consistently failing to meet class assignments, for an indifferent attitude, or for disruptive conduct. The instructor must give the student a verbal or written warning prior to dropping the student from the class. An instructor’s drop of a student takes precedence over the student initiated course drop of a later date. The instructor will assign a grade of either WF or F through the first 9 weeks of a long semester, the first 6 weeks of a 10 week summer term, or the 12th class day of a 4 or 5 week summer term consisting of 20 days. After these periods, the grade will be an F. The date the instructor drop form is received in the Office of the Registrar as the official drop date. A student dropped from a class by a faculty member for disruptive behavior has the right of appeal to the Student Conduct Committee through the Student Conduct office.

### **Midwestern State University Student Honor Creed**

*"As an MSU Student, I pledge not to lie, cheat, steal, or help anyone else do so."*

As students at MSU, we recognize that any great society must be composed of empowered, responsible citizens. We also recognize universities play an important role in helping mold these responsible citizens. We believe

students themselves play an important part in developing responsible citizenship by maintaining a community where integrity and honorable character are the norm, not the exception.

Thus, We, the Students of Midwestern State University, resolve to uphold the honor of the University by affirming our commitment to complete academic honesty. We resolve not only to be honest but also to hold our peers accountable for complete honesty in all university matters.

We consider it dishonest to ask for, give, or receive help in examinations or quizzes, to use any unauthorized material in examinations, or to present, as one's own, work or ideas which are not entirely one's own. We recognize that any instructor has the right to expect that all student work is honest, original work. We accept and acknowledge that responsibility for lying, cheating, stealing, plagiarism, and other forms of academic dishonesty fundamentally rests within each individual student.

We expect of ourselves academic integrity, personal professionalism, and ethical character. We appreciate steps taken by University officials to protect the honor of the University against any who would disgrace the MSU student body by violating the spirit of this creed.

**Written and adopted by the 2002-2003 MSU Student Senate.**

**Travel Plans:** Please do not make travel plans that would hinder your access to a computer or the internet. You are responsible for maintaining electronic(s) equipment and internet access every day during this semester including finals week.
