Course Requirements: Grades will be based on your performance on student generated essay questions and answers, a family interview paper, and a final.

The student generated essay questions and answers are as follows (100 points):

- a. Only write questions out of Bush & Price.
- b. Each chapter will have one question, answer, and page number(s) of answer.
- c. Write fourteen short answer essay questions (1/2-3/4 page).
- d. Write two long answer essay questions (1-2 pages).
- e. Type should be single-spaced.

Goals: Develop information identification skills. Become skilled at writing essay questions. Discover what other people think is important.

I will choose some of the questions for the final. I reserve the right to re-write any of the questions.

The **final exam** will be worth 100 points and will have multiple choice and essay sections. The goal is to demonstrate conceptual knowledge of marriage and family therapy concepts. Typical essay format: Pick 4 out of 5 questions and provide a short answer (1/2 a page). Pick 2 out of 3 questions and provide a long answer (1-1/2 pages). Analyze a vignette (1.5-2 pages). The format may change based upon class participation/dynamics.

The **family interview paper** is worth 100 points and will be written in biopsychosocial format. It should be between 5+ pages single spaced. A genogram must be completed and should highlight information in the paper. The paper should include the following sections:

- a. presenting problem
- b. problem history and attempted solutions
- c. family history, relationships, family roles
- d. family medical history, alcohol/drug use
- e. friends/agencies outside of the family
- f. clinical assessment of the family (apply Gottman & Gottman's concepts; use the family life cycle)
- g. recommendations for treatment
- h. a genogram attached at the back of the paper
- i. a total of 5 references from referred journals or books (in addition to the two class text books) should be used in the clinical assessment and recommendations sections (sections f & g).

300 points are possible:

| | | |
|-------------|-------------|-----------------|
| 270-300 = A | 210-239 = C | 179 or less = F |
| 240-269 = B | 180-209 = D | |

Attendance: Attendance is required. Since we only meet twice a week, a student is allowed **3** absence without penalty. The **4nd** absence results in 1 grade drop, the **5rd** absence results in a grade of 'F.' Being tardy three times will count as an absence. Afterwards, every additional tardy counts as an absence.

Each student is expected to be familiar with this program as it provides a primary source of communication regarding assignments, examination materials, and general course information. You can log into **D2L** through the MSU Homepage. If you experience difficulties, please contact the technicians listed for the program or contact your instructor.

College Policies

Campus Carry Rules/Policies

Refer to: [Campus Carry Rules and Policies](#)

Smoking/Tobacco Policy

College policy strictly prohibits the use of tobacco products in any building owned or operated by MSU TEXAS. Adult students may smoke only in the outside designated-smoking areas at each location.

Alcohol and Drug Policy

To comply with the Drug Free Schools and Communities Act of 1989 and subsequent amendments, students and employees of Midwestern State are informed that strictly enforced policies are in place which prohibits the unlawful possession, use or distribution of any illicit drugs, including alcohol, on university property or as part of any university-sponsored activity. Students and employees are also subject to all applicable legal sanctions under local, state and federal law for any offenses involving illicit drugs on University property or at University-sponsored activities.

Campus Carry

Effective August 1, 2016, the Campus Carry law (Senate Bill 11) allows those licensed individuals to carry a concealed handgun in buildings on public university campuses, except in locations the University establishes as prohibited. The new Constitutional Carry law does not change this process. Concealed carry still requires a License to Carry permit, and openly carrying handguns is not allowed on college campuses. For more information, visit [Campus Carry](#).

Active Shooter

The safety and security of our campus is the responsibility of everyone in our community. Each of us has an obligation to be prepared to appropriately respond to threats to our campus, such as an active aggressor. Please review the information provided by MSU Police Department regarding the options and strategies we can all use to stay safe during difficult situations. For more information, visit [MSUReady – Active Shooter](#). Students are encouraged to watch the video entitled "Run. Hide. Fight." which may be electronically accessed via the University police department's webpage: ["Run. Hide. Fight."](#)

Student Code of Conduct

MWSU's official policy in the University's Code of Student Conduct on page 52, states:

Instructor Drop: An instructor may drop a student any time during the semester for excessive absences, for consistently failing to meet class assignments, for an indifferent attitude, or for disruptive conduct. The instructor must give the student a verbal or written warning prior to dropping

the student from the class. An instructor's drop of a student takes precedence over the student initiated course drop of a later date. The instructor will assign a grade of either WF or F through the first 9 weeks of a long semester, the first 6 weeks of a 10 week summer term, or the 12th class day of a 4 or 5 week summer term consisting of 20 days. After these periods, the grade will be an F. The date the instructor drop form is received in the Office of the Registrar as the official drop date. A student dropped from a class by a faculty member for disruptive behavior has the right of appeal to the Student Conduct Committee through the Student Conduct office.

Midwestern State University Student Honor Creed

"As an MSU Student, I pledge not to lie, cheat, steal, or help anyone else do so."

As students at MSU, we recognize that any great society must be composed of empowered, responsible citizens. We also recognize universities play an important role in helping mold these responsible citizens. We believe students themselves play an important part in developing responsible citizenship by maintaining a community where integrity and honorable character are the norm, not the exception.

Thus, We, the Students of Midwestern State University, resolve to uphold the honor of the University by affirming our commitment to complete academic honesty. We resolve not only to be honest but also to hold our peers accountable for complete honesty in all university matters.

We consider it dishonest to ask for, give, or receive help in examinations or quizzes, to use any unauthorized material in examinations, or to present, as one's own, work or ideas which are not entirely one's own. We recognize that any instructor has the right to expect that all student work is honest, original work. We accept and acknowledge that responsibility for lying, cheating, stealing, plagiarism, and other forms of academic dishonesty fundamentally rests within each individual student.

We expect of ourselves academic integrity, personal professionalism, and ethical character. We appreciate steps taken by University officials to protect the honor of the University against any who would disgrace the MSU student body by violating the spirit of this creed.

Written and adopted by the 2002-2003 MSU Student Senate.
