## CMPS 1023: The Digital Culture

Instructor: Tina Johnson, Pierce 142, (940) 397-6201, tina.johnson@msutexas.edu

Course Objective: Explore the history, current state, and cultural impact of the digital world. This course will prepare students to understand and relate to others in an increasingly online world and be productive members of a global digital society. Topics include history of computing from a global perspective, accessibility and the digital divide, computer security issues, evaluation of online materials, big data and the need for high performance computing, and an introduction to using productivity software and programming constructs to analyze and communicate these issues.

**Text:** No text is required for this course.

Additional Material: A USB or online data storage will be necessary for saving documents. Supplemental material will be provided (e.g. articles and web sites relating to cultural digital issues). In addition, Open Educational Resource (OER) may be utilized. OERs are teaching, learning, and research resources that reside in the public domain or have been released under an intellectual property license that permits their free use or re-purposing by others. OERs include full courses, course materials, modules, textbooks, streaming videos, tests, software, and any other tools, materials, or techniques used to support access to knowledge. (Hewlett Report)

## **Course Grade:**

| Semester Exams (3)         | 45% |
|----------------------------|-----|
| Assignments                | 20% |
| Programs                   | 20% |
| Final Project/Presentation | 15% |

**Course Content:** The material includes text reading assignments, lectures, programs, and homework. Students are responsible for all material regardless of attendance.

## **Academic Misconduct Policy & Procedures**

Academic misconduct is cheating, collusion, and plagiarism: it is the act of using either published or unpublished source material of other students, persons, or generative AI (unless there are instructions that allow it), and must follow accepted techniques of crediting. The Department of Computer Science has adopted the following policy related to academic misconduct. The policy will be applied to all submission of work for credit as determined by the instructor of the course, e.g., assignments, quizzes and exams. (See below for link to MSU definitions.)

- 1st instance of cheating in the program: The student will be assigned a non-replaceable grade of zero for the assignment, project or exam. If the final grade in the course, does not result in a one letter grade reduction, the student will receive a one letter grade reduction in course.
- Further instances of cheating in any course within the program: The student will receive a grade of F in the course & be removed from the course.
- All instances of cheating will be reported to the Department Chair, the MCOSME Dean, the Dean of Graduate Students, if a graduate student, and the Office of Rights and Responsibilities, who may decide at their own discretion to impose a stiffer sanction based on knowledge of other instances of cheating at MSU Texas.

Note: Letting a student look at your work is collusion and is academic misconduct! See Also: MSU Student Handbook: Appendix E: Academic Misconduct Policy & Procedures <a href="https://msutexas.edu/student-life/assets/files/handbook.pdf">https://msutexas.edu/student-life/assets/files/handbook.pdf</a>.

Late Policy: Assignments and programs will be accepted late up to one week after the due date with a penalty

of 5 points per day. Quizzes will not be accepted late.

**Recording of Class Lectures:** Permission must be requested in writing and obtained from the instructor before recording of class lectures. If permission is granted, the recording may only be used by the student making the recording. Recordings (or any class materials) may NOT be posted on any internet source without written permission of the instructor. Failure to adhere to the policy may result in removal from the course with a grade of F or other appropriate punishment.

Research and Creative Opportunities at MSU: Enhancing Undergraduate Research and Creative Activities (EURECA) is a program that provides opportunities for undergraduate students to engage in high-quality research and creative activities with faculty. EURECA provides incentives and funding through a system that supports faculty and students in a cooperative research process. For more information contact the Office of Undergraduate Research, (940) 397-6275 or eureca@mwsu.edu. Information and resources are available at <a href="https://msutexas.edu/eureca/">https://msutexas.edu/eureca/</a>

**Disability Policy:** In accordance with the law, MSU provides academic accommodations to students with documented disabilities. Students with disabilities must be registered with Disability Support Services before classroom accommodations can be provided. The DSS office is located in Clark Student Center, Room 168, phone 397-4140.

**Counseling Center:** MSU offers personal, group, career, and academic counseling. Students are encouraged to take advantage of these *free* services by contacting the Counseling Center: Room 108 Clark Student Center, 397-4618, <u>counseling@mwsu.edu</u>.

Policy on Concealed Handguns on Campus: Senate Bill 11 passed by the 84th Texas Legislature allows licensed handgun holders to carry concealed handguns on campus, effective August 1, 2016. Areas excluded from concealed carry are appropriately marked, in accordance with state law. For more information regarding campus carry, please refer to the University's webpage on <a href="mailto:Campus Carry">Campus Carry</a> at <a href="https://msutexas.edu/police/policies-laws/index.php">https://msutexas.edu/police/policies-laws/index.php</a>. If you have questions or concerns, please contact Interim MSU Chief of Police at <a href="mailto:steven.callarman@msutexas.edu">steven.callarman@msutexas.edu</a>
